Shaking A Fist At God Struggling With The Mystery Of Undeserved Suffering:

Shaking a Fist at God Katharine Julia Dell, 1997 The author examines undeserved suffering first from the point of view of Job from the Old Testament and then through the writings of such authors as Chaucer Thomas Hardy Fyodor Dostoevsky Archibald MacLeish and Tom Stoppard Poverty and Wealth in Judaism, Christianity, and Islam Nathan R. Kollar, Muhammad Shafiq, 2016-07-27 This book gathers scholars from the three major monotheistic religions to discuss the issue of poverty and wealth from the varied perspectives of each tradition It provides a cadre of values inherent to the sacred texts of Jews Christians and Muslims and illustrates how these values may be used to deal with current economic inequalities Contributors use the methodologies of religious studies to provide descriptions and comparisons of perspectives from Judaism Christianity and Islam on poverty and wealth The book presents citations from the sacred texts of all three religions The contributors discuss the interpretations of these texts and the necessary contexts both past and present for deciphering the stances found there Poverty and Wealth in Judaism Christianity and Islam identifies and details a foundation of common values upon which individual and institutional decisions may be made Theological Bible Commentary Gail R. O'Day, David L. Petersen, 2009-04-28 Most one volume Bible commentaries focus on standard scholarly issues answering questions such as who wrote the book who was addressed and how is the book structured In contrast this is the first one volume commentary to emphasize theological questions what does each biblical book say about God how does the book describe God and portray God's actions and who is God in these biblical books This volume meets the need for a resource that puts the best of scholarship in conversation with the theological claims of the biblical text Dying and Death Asa Kasher, 2007 Death is a topic people are reluctant to ponder Neither is dying a process that is usually being openly discussed However on a variety of occasions dying and death are on a person's mind under some sensitive circumstances he or she are eager to discuss with a close person a friend a professional The present volume the second in the Series on Dying and Death is meant to enrich personal experience of dying or death by providing its reader with knowledge and understanding of some aspects of dying or death Section 1 describes practices of mourning in different times and places USA during the Civil War Ashley Byock the Island of Viz between Croatia and Italy Kathleen Young present day Israel Asa Kasher medieval Serbia Mira Crouch and post Holocaust USA Paula David Section 2 consists of reflections on mourning It includes philosophical discussions of Friendship Gary Peters Grace Dana Freibach Heifetz and the Other Havi Carel all in the context of mourning as well as Mourning itself as a skill Marguerite Peggy Flynn Section 3 brings papers on culture and suicide in early modern Holland Laura Cruz in historical Japan Lawrence Fouraker as well as in the Jazz age Kathleen Jones Section 4 discusses different predicaments of medics facing death and dying terminal diagnosis Angela Armstrong Coster palliative patients Anna Taube and the hospice setting Elizabeth Gill Where Is the God of Justice? Michael E. W. Thompson, 2011-06-08 What does the Old Testament say about the problem of suffering Though Christians believe themselves to be held in the care of the God of love and strength

they yet find that sufferings come their way Moreover whole communities even whole nations experience terrible sufferings all of which frequently raises the question Where is the God of justice Those parts of the Old Testament that deal with this question are here considered and discussed both those that understand suffering as due to human sinfulness and those that raise serious questions about that sort of understanding Further here are Jeremiah s questions about why he as the Lord s prophet must suffer the gentler questions in Ecclesiastes the perplexing life experiences of Joseph the agonized prayer of Habakkuk those most urgent questions in the book of Job the outspoken words of psalmists the radical talk about a suffering servant and the confident hope expressed in Daniel Thompson argues that while the Old Testament cannot always give us answers it does point us to God for hope in the midst of suffering

The Transforming Word Series, Volume 2 Mark Hamilton,2022-10-18 The nation of Israel tells its story of the rise of kings not once but twice Joshua 2 Kings 1 2 Chronicles and during this period they wrote Psalms and gathered together their wise sayings Then plunged into the darkness of exile they had to discover again who God was and what kind of life he called them to live In the same way Christians read these texts today for what they share about a promised Messiah and how they explain what life with God looks like in all its complexity

Vast as the Sea Samuel Hildebrandt,2023-12-05 The poetry imagery speeches and emotions readers encounter in texts like Job Psalms and Jeremiah are abundant resources for articulating the painful experiences of the human condition These compositions are sacred scripts that normalize and articulate the anxiety loneliness and despair that mark life on earth In *Vast as the Sea* Samuel Hildebrandt presents an accessible exegetical study of these scripts that demonstrates how the Bible s ancient poetry speaks today In conversation with current psychological research Hildebrandt s poetic analyses invite readers to discover the personal and expressive contours of the biblical text as well as its liberating and healing potential *Vast as the Sea* models an approach to the Old Testament that navigates a critical and creative balance between ancient contexts and contemporary life Hildebrandt joins these two worlds together by maintaining a conscious focus on poetic language By reflecting on individual words engaging selected metaphors and unpacking expressions and their underlying worldviews *Vast as the Sea* gifts to its readers a reservoir of language for putting the pain of being human into words The world woe and wonder of Old Testament poetry is a vast yet overlooked resource for readers who are left speechless by the tumults of life and who struggle to reconcile such experiences with their faith Promoting emotional literacy and wrestling with the tensions between confession and experience *Vast as the Sea* will become a long held treasured resource for scholars and everyday readers of the Bible as well as for practitioners in psychology and pastoral counseling
