Nomadic Text Brennan W. Breed, 2014-05-13 Brennan W Breed claims that biblical interpretation should focus on the shifting capacities of the text viewing it as a dynamic process rather than a static product Rather than seeking to determine the original text and its meaning Breed proposes that scholars approach the production transmission and interpretation of the biblical text as interwoven elements of its overarching reception history Grounded in the insights of contemporary literary theory this approach alters the framing questions of interpretation from What does this text mean to What can this text do

The Wisdom and Foolishness of God Christophe Chalamet, Hans-Christoph Askani, 2015-12-15 The first two chapters of Paul's first epistle to the Christians of Corinth written in the fifth decade of the first century have played a significant role in the history of Christian theology Interpreting the central event in Christianity namely the crucifixion of Jesus Paul reflects on the wisdom and foolishness of God which he opposes to the world's wisdom According to Paul the word of the cross which is foolishness to some and scandal to others leads to an upheaval in one's way of thinking For two millennia theology has often turned to these passages in order to sustain its reflection Many central questions emerge from Paul's text on the meaning of a crucified Messiah on God's omnipotence weakness and suffering This volume hopes to achieve two things by seeking to place exegetes historians philosophers and theologians in conversation to better understand Paul's text and its reception and also to examine the ways in which it can nourish our theological reflection today

Apocalyptic and the Future of Theology Joshua B. Davis, Douglas Harink, 2012-11-07 Ernst Kasemann famously claimed that apocalyptic is the mother of Christian theology J Louis Martyn's radical interpretation of the overarching significance of apocalyptic in Paul's theology has pushed Kasemann's claim further and deeper Still despite the recognition that apocalyptic is at the core of New Testament and Pauline theology modern theology has often dismissed domesticated or demythologized early Christian apocalyptic A renewed interest in taking apocalyptic seriously is one of the most exciting developments in recent theology The essays in this volume taking their point of departure from the work of Martyn and Kasemann wrestle critically with the promise and possible peril of the apocalyptic transformation of Christian theology With original contributions from established scholars including Beverly Gaventa Stanley Hauerwas Robert Jenson Walter Lowe Joseph Mangina Christopher Morse and Fleming Rutledge as well as younger voices this volume makes a substantial contribution to the discussion of

apocalyptic and theology today A unique feature of the book is a personal reflection on Ernst Kasemann by J Louis Martyn himself

The Defeat of Satan Declan Kelly, 2022-01-27 This book offers an innovative critical and constructive exploration of Barth's theology one which demonstrates the radicality of his thought and which underscores the continued contribution he might make to theological reflection on a central element of the Christian tradition Declan Kelly uncovers the promise of viewing Barth's account of salvation as a three agent drama a drama involving God humanity and anti God powers Kelly demonstrates and examines Barth's cosmological portrayal of God's saving event as a defeat of the lordship of Satan in the cosmos and bound up with this as an ending of God's left handed activity and as the bringing into existence of a new creation under the rule of God's right hand Barth's doctrines of election the atonement and the resurrection receive a fresh reading as the book explores his apocalyptic grasp of God's eschatological deed of salvation and as it puts forward the claim with and against Barth that the climax of this deed of salvation is best located in the event of God's raising of Christ from the dead

background of today's postmodern context and crisis of meaning Pulsating with anxiety over the empire Assyrian Babylonian and Persian the prophet corpus is a disturbing cultural expression of lament and chaos Danger disjunction and disaster bubble beneath the surface of virtually every prophetic text Sometimes in denial sometimes in despair and sometimes in defiance the readers of this literature find themselves living at the edge of time immediately before during or after the collapse of longstanding symbolic cultural and geo political structures These written prophecies not only reflect the social location of trauma but are also a complex response More specifically prophetic texts are thick meaning making maps tapestries of hope that help at risk communities survive Augustine's Apocalyptic Political Theology in the Evil Saeculum

Pung Ryong Kim, 2024-09-16 Augustine's Apocalyptic Political Theology in the Evil Saeculum investigates Augustine's apocalyptic political theology under the premise that he perceived the saeculum or this age as evil Augustine views the saeculum as wicked because of the activity of the devil and demons For Augustine the devil perverted our social life and politics by mediating the false collective memory of the created world social life and politics through media such as various religio cultural liturgies and literary works In particular the demons reinforced Roman citizens amor sui amor laudis and libido dominandi by employing pagan rituals and literature that mediated the collective memory of the imperial period justifying the existence and expansion of the empire As such this book explores the socio political implications of Augustine's demonology **Social Identity and the Book of Amos** Andrew M. Feminist and Postcolonial Perspective Christl M. Maier, Carolyn J. Sharp, 2014-03-27 This volume advances the scholarly discussion of Jeremiah via rigorous feminist and postcolonialist theorizing of texts and interpretive issues in that prophetic book The essays here by seasoned scholars of Jeremiah offer significant traction on the biblical book's construction of the persona of Jeremiah and the subjectivity of Judah as subaltern analysis of gendered imagery for the speaking subject in Jeremiah and for the Judean social body exploration of rhetorics of imperialism and resistance and theological implications of feminist critical perspectives on YHWH and other deities represented in Jeremiah Essays here deftly synthesize historical literary and ideological critical insights in service of nuanced inquiry into Jeremiah as complex cultural production The collection represents the growing edge of recent critical thinking on Jeremiah in the United States Europe and elsewhere It should prove invaluable in shaping the parameters of the continuing scholarly conversation on the Book of Jeremiah

Concerning the Prophets Daniel Epp-Tiessen, 2012-09-19 Epp Tiessen sheds light on the compositional history structure and theology of the book of Jeremiah by demonstrating that a large concentric unit of material focusing on true and false prophecy stands at the center of the book This unit titled Concerning the Prophets 23-9 utilizes the heritage of Jeremiah to contrast the nature of true and false prophecy in order to warn the Second Temple community of the disastrous consequences of false prophecy and to highlight the saving potential of true prophecy False prophecy leads to doom because it ignores the moral failings of the community promises well being in the face of catastrophe and reinforces the misleading theological certainties of Judah's pre 587 way of life In contrast the true prophet Jeremiah challenges the faith community to embrace the physical and spiritual dislocation of the Babylonian destruction Post disaster life stands under the saving purposes of YHWH but the only way forward is to learn the painful lessons of catastrophe and heed the prophetic summons to repent and embrace a Torah based way of life
