Back Cover HIGHEST PRAISE FOR The Little Man By ANDY LITTLETON This is indeed the story of a little man But it is far more than that It s the story of the son of a little man sorting out what truly matters in his life It is as much Andy s story as his father s Throughout the beautiful and gentle weaving of this tribute you will meet many obscure little people whose lives richly matter You will visit back roads and hidden away places few ever see or know You will walk away from the book with your own haunting longing to see the world as small quiet and full of grace Rod Hugen Pastor at The Village Community in Tucson The Little Man presents a man whose simple life is a pleasant contrast to the models of manhood and fatherhood usually presented to us today Leroy was a down to earth man who achieved what every father desires the admiration of his son This story gives fathers an opportunity to reflect on the way their life teaches their kids For children it reminds us to celebrate and enjoy quiet lessons taught to us over a lifetime Jesse Wood Pastor of Naco Christian Church Founder of Cafe Cultiva It s rare to get a peak inside the head of the quiet of the unassuming and the overlooked The Little Man does much to bring out beauty in small places wonder and grace in the dusty quiet in between of open spaces and the people that fill it The story is told through a tender relationship of son to father which makes the usually unspeakable all the more heartfelt Amy Smith Owner Manager Exo Roast Co      **The Home Ranch** Ralph Moody,1994-01-01 Little Britches becomes the man in his family after his father s early death taking on the concomitant responsibilities as well as opportunities During the summer of his twelfth year he works on a cattle ranch in the shadow of Pike s Peak earning a dollar a day Little Britches is tested against seasoned cowboys on the range and in the corral He drives cattle through a dust storm eats his weight in flapjacks and falls in love with a blue outlaw horse Following Little Britches and developing an episode noted near the end of Man of the Family The Home Ranch continues the adventures of young Ralph Moody Soon after returning from the ranch he and his mother and siblings will go east for a new start described in Mary Emma Company and The Fields of Home All these titles have been reprinted as Bison Books      **American Horses** Ralph Moody,2004-01-01 Discusses the origins and history of various horse breeds in America including the Morgan Tennessee Walking Horse and American Saddle Horse      [A Landscape with Dragons](#) Michael D. O'Brien,2011-05-24 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book A Landscape with Dragons Harry Potter critic Michael O Brien examines contemporary children s literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to A Landscape with Dragons is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children s culture O Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment

for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children s book or film made you feel uneasy but you couldn t figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through highschool
