Mbonu,2010-09-01 A project of women s advancement in society and church life engages a multi disciplinary and interdisciplinary approach in its quest for social transformation In recent decades governments particularly in Africa have employed various political economic and other social modi operandi in their attempt to advance women s participation more fully in society The discussions on these pages seek to contribute to the women s discourse with insights from the theology and culture more specifically from name designation The expression what is in a name falls flat on its face in most African cultures as well as the cultures that produced the Bible In these traditions a name is not merely a convenient collocation of sounds by which a person could be identified Rather a name represents a story and can express something of the essence of that which is named The power inherent in the way names are constructed and interpreted both in terms of the Handmaid in the New Testament and more directly in the Igbo culture contribute to the strengthening of patriarchy Such construal potentially exclude women from full

participation in social processes and in so doing deprive society as a whole of the synergy of human potential The discussion of Mary as Handmaid centers on the role of women in Catholic theology so she becomes the vehicle for examining the role of the second class citizen assigned to women in the Church then and now Drawing from textual and oral history the book reinterprets in a liberative manner female names both from Igbo tradition as well as Chinua Achebe's *Anthills of the Savannah* Thus the freight that a name designation carries makes imperative the exploration of its redemptive significance

Jerusalem'S Temple Mount Mike M Joseph,2011-11-01 There seem to be no other place on earth if desecrated or conquered that could inflame and arouse the intense passions of countless of devout believers Jews Christians

or Muslims feel the ultimate focal point of their uncompromising desire for dominion and presence in that most holy place is the reason for the ever explosive tinder box in the turbulent Middle East The ground zero of this focal point is The Temple Mount in Jerusalem The Crusaders marched on Jerusalem to liberate it and The Temple Mount from the Muslim infidels Salah a Din marched on Jerusalem to re conquer it and The Temple Mount from the Christian infidels In the Six Day War Jews have finally reclaimed the city and their Temple Mount from the Muslim infidels Ever since Jews Christians and Muslims have never given up their non negotiable intense desire to have an absolute dominion over The Holy City and The Temple Mount Jews have religious and historic reasons for maintaining absolute control over Jerusalem and especially The Temple Mount Christians have similar feelings Muslims maintain according to their beliefs that Jerusalem is holy because their prophet Muhammad has ascended up to Heaven from the mosque located in The Temple Mount Shockingly as it may sound though Jerusalem is The Holy City what is believed to be the location of The Temple Mount is nothing though unintentionally but a hoax the Hoax of the Millennium In the pages of this work this audacious contention to many will be amply proven beyond the shadow of a doubt from the pages of the Bible as well as from faithful historic accounts of Jews contemporary non Jewish historians Christian and Muslim recorded and preserved accounts
