

A black and white photograph of a shaman, likely of the Evenki or Tungus people, standing in a natural setting. The shaman is wearing a light-colored, possibly white, robe with a dark belt and a necklace. They are holding a large, dark, cylindrical object in their right hand and a smaller, dark, zig-zag shaped object in their left hand. The background is a blurred natural landscape. The title text is overlaid in red on the right side of the image.

The Shamaness in Asia Davide Torri,Sophie Roche,2020-10-08 This book concentrates on female shamanisms in Asia and their relationship with the state and other religions offering a perspective on gender and shamanism that has often been neglected in previous accounts An international range of contributors cover a broad geographical scope ranging from Siberia to South Asia and Iran to Japan Several key themes are considered including the role of bureaucratic established religions in integrating challenging and fighting shamanic practices the position of women within shamanic complexes and perceptions of the body Beginning with a chapter that places the shamaness at the centre of the discussion chapters then approach these issues in a variety of ways from historically informed accounts to presenting the findings of extensive ethnographic research by the authors themselves Offering an important counterbalance to male dominated accounts of shamanism this book will be of great interest to scholars of Indigenous Peoples across Religious Studies Anthropology Asian Studies and Gender Studies

Transformations and Transfer of Tantra in Asia and Beyond István Keul,2012-01-27 The essays in this volume

written by specialists working in the field of tantric studies attempt to trace processes of transformation and transfer that occurred in the history of tantra from around the seventh century and up to the present The volume gathers contributions on South Asia Tibet China Mongolia Japan North America and Western Europe by scholars from various academic disciplines who present ongoing research and encourage discussion on significant themes in the growing field of tantric studies In addition to the extensive geographical and temporal range the chapters of the volume cover a wide thematic area which includes modern Bengali tantric practitioners tantric ritual in medieval China the South Asian cults of the mother goddesses the way of Buddhism into Mongolia and countercultural echoes of contemporary tantric studies **Ayahuasca: Between**

Cognition and Culture Ismael Eduardo Apud Peláez,2020-03-01 This book summarizes Ismael Apud's ethnographic research in the field of ayahuasca conducted in Latin America and Catalonia over a period of 10 years To analyze the variety of ayahuasca spiritual practices and beliefs the author combines different approaches including medical anthropology cognitive science of religion history of science and religious studies Ismael Apud is a psychologist and anthropologist from Uruguay with a PhD in Anthropology at Universitat Rovira i Virgili Mothering in East Asian Communities;Politics and Practices Patti Duncan,2014-09-01 In Mothering in East Asian Communities Duncan and Wong seamlessly rupture a homogenous identity category that of the tiger mom The editors invoke the works of diverse contributors who critically challenge essentialized identity categories and racialized and sexualized experiences of women of color within the institution of motherhood and practices of mothering Here the edited volume grapples with globalization transnationalism and capitalism with an East Asian ethno racial cultural context Duncan and Wong offer a personal and political analysis of motherhood that is socially and cu **Shamanic and Mythic Cultures of Ethnic Peoples in Northern China** Fu

Yuguang,2021-04-14 Based on first hand materials gathered through decades of field research and fleshed out with the author's insightful religious cultural and historical observations extending back to Qing Dynasty times ancient archaeological discoveries and the legacy of Siberian peoples this two volume ethnological study investigates shamanic rituals myths and lore in northern China and explores the common ideology underlying the origins of the region's cultures The two volumes discuss the spiritual world of northern Shamanism and investigates the various shamanic rituals divination spirit idols and myths illuminating how worship and ideas are imbedded in and interweave with the indigenous environment culture and history of people in northern China This mythic heritage embodies the peoples understanding of the natural world the creation of humankind social life and history as well as their interaction with their surroundings It is shown that shamanic spirituality in northern China is characterised by functionality and practicality in daily life situations in contrast to the received wisdom that defines shamanic praxis as a pure supernatural spirit journey The set will be of great value for scholars of religion and anthropologists as well as ethnologists in the fields of Shamanism studies Northeast Asian folklore and Manchu studies **The to Z of Shamanism** Graham Harvey,Robert J. Wallis,2010-04 Explores the common ground of

shamanic traditions and evaluates the diversity of both traditional indigenous communities and individual Western seekers

Historical Dictionary of Shamanism Graham Harvey, Robert J. Wallis, 2015-12-15 A remarkable array of people have been called shamans while the phenomena identified as shamanism continues to proliferate This second edition of the Historical Dictionary of Shamanism contains with examples from antiquity up to today and from Siberia where the term shaman originated to Amazonia South Africa Chicago and many other places Many claims about shamans and shamanism are contentious and all are worthy of discussion In the most widespread understandings terms seem to refer particularly to people who alter states of consciousness or enter trances in order to seek knowledge and help from powerful other than human persons perhaps spirits But this says only a little about the artists community leaders spiritual healers or hucksters travelers in alternative realities and so on to which the label shaman has been applied This second edition contains a chronology an introduction and extensive bibliography The dictionary contains over 500 cross referenced dictionary entries on individuals groups practices and cultures that have been called shamanic This book is an excellent access point for students researchers and anyone wanting to know more about Shamanism *Beyond Primitivism* Jacob K.

Olupona, 2004-02-24 At a time when local traditions across the world are forcibly colliding with global culture *Beyond Primitivism* explores the future of indigenous religions as they encounter modernity and globalisation **Belief Beyond Boundaries** Joanne Pearson, 2023-05-09 *Belief Beyond Boundaries* explores religions or forms of spirituality that tend to be marginal to the mainstream of British and North American religious expression The book examines how alternative spiritualities traditionally classed as New Age or new religious movements have grown exponentially in recent years It progresses to detailed examination of Paganism Celtic spirituality Wicca witchcraft North American indigenous religion and New Age considering the impact of the rise of science on religion and the emergence of new categories of spirituality The authors explore why these forms of spirituality are so popular in the contemporary UK and USA and how they impact on mainstream traditions The five textbooks and Reader that make up the Religion Today Open University Ashgate series are o From Sacred Text to Internet o Religion and Social Transformations o Perspectives on Civil Religion o Global Religious Movements in Regional Context o *Belief Beyond Boundaries* o Religion Today A Reader *Art of Siberia* Valentina Gorbatcheva, Marina Federova, 2016-03-09 The art of Siberia is a fascinating subject and the artifacts discovered in the hidden archives of the Russian Museum of Ethnography in St Petersburg are nothing less than extraordinary Artwork day to day subjects and photos dating from the turn of the century all represent the testimonies of the Siberian people who refused to yield to the hegemony of a modern world *Mountain Magic : Celtic Shamanism in the Austrian Alps* Christian Brunner, 2015-08-08 Christian F Brunner author of several books on shamanism in the Alps has practiced ancient healing methods for over twenty years He is also a Druid in the Order of Bards Ovates and Druids contributing regularly to the Order s monthly magazine Touchstone The author invites you to take a stroll with him through his beloved Alps where myths and

folk customs still sing of the people who lived there in antiquity the Celts Walk with the author along the narrow ridge between history and otherworld which we encounter behind many a jagged rock in a deep forest or dark cave We will meet giants there mystical ladies and the Kasermandl and all have fascinating stories to tell Learn what the Alpine people of old thought about Vervain and how ancient magical spells connected folks on continent with their brethren on the British Isles And finally you can go with Christian Brunner on a shamanic journey to Mutter Perchtl and thus participate in the remembrance of the Great Goddess

Demystifying Shamans and Their World Adam J. Rock, Stanley Krippner, 2011-10-14 Shamanism can be described as a group of techniques by which its practitioners enter the spirit world purportedly obtaining information that is used to help and to heal members of their social group Despite a resurgence of interest in shamanism and shamanic states of consciousness these phenomena are neither well defined nor sufficiently understood This multi disciplinary study draws on the fields of psychology philosophy and anthropology with the aim of demystifying shamanism The authors analyse conflicting perspectives regarding shamanism the epistemology of shamanic states of consciousness and the nature of the mental imagery encountered during these states

Wong Pinter: The Roles and Significance of Javanese Shaman Agustinus Sutiono, 2020-10-26 Exploring the phenomenon of socio religio magico reality in Java called wong pinter this study is a pioneering academic work based on a first hand data By interviewing 108 practitioners within the framework of anthropological and ethnographical approaches and putting the discussions in the context of shamanism study this work is also a unique inquiry on Javanese culture conducted by a native Wong Pinter delineates significant connectivity between Javanese shamanism and Asian or Southeast Asian shamanism It also describes various aspect of shamanism practices in Java and assesses the sustainability and challenges of this phenomenon vis a vis the suppression of religious and political establishment Above all this book is an outstanding report valuable to those who are interested to delve into the core of Javanese culture and to the deliberation of social science in general

The Peoples of the Great North. Art and Civilisation of Siberia Valentina Gorbacheva, Marina Federova, 2024-01-17 Documents discovered recently in the hidden backrooms of St Petersburg's Ethnological Museum have proved to be of sensational importance The contents are published for the very first time in this work Representing photos and descriptions of art and sculpture of everyday utensils and everyday activities all dating from the beginning of the twentieth century these are the archives of ethnic groups in Siberia who for the most part have fought tenaciously to maintain their historical traditions The authors brilliantly convey their enthusiastic admiration for the peoples who have so successfully and for so long contended against both hostile environment and political dominance

The Siberian World John P. Ziker, Jenanne Ferguson, Vladimir Davydov, 2023-03-29 The Siberian World provides a window into the expansive and diverse world of Siberian society offering valuable insights into how local populations view their environments adapt to change promote traditions and maintain infrastructure Siberian society comprises more than 30 Indigenous groups old Russian settlers and more recent newcomers

and their descendants from all over the former Soviet Union and the Russian Federation The chapters examine a variety of interconnected themes including language revitalization legal pluralism ecology trade religion climate change and co creation of practices and identities with state programs and policies The book s ethnographically rich contributions highlight Indigenous voices important theoretical concepts and practices The material connects with wider discussions of perception of the environment climate change cultural and linguistic change urbanization Indigenous rights Arctic politics globalization and sustainability resilience The Siberian World will be of interest to scholars from many disciplines including Indigenous studies anthropology archaeology geography environmental history political science and sociology Chapter 25 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Fear, Heterodoxy, and Crime in Traditional China Tommaso Previato, 2024-06-24 This multi contributor volume examines the evolving relationship between fear heterodoxy and crime in traditional China It throws light on how these three variously interwoven elements shaped local policies and people s perceptions of the religious ethnic and cultural other Authors depart from the assumption that otherness is constructed stereotyped and formalized within the moral political and legal institutions of Chinese society The capacity of their findings to address questions about the emotional dimension of mass mobilization the socio political implications of heterodoxy and attributions of crime is the result of integrating multiple sources of knowledge from history religious studies and social science Contributors are gnes Birtalan Ayumu Doi Fabian Graham Hung Tak Wai Jing Li Hang Lin Tommaso Previato and Noriko Unno
