The Life of the Syrian Saint Barsauma ,2020-09-01 Andrew N Palmer s vivid translation of the Syriac Life of Barsauma opens a fascinating window onto the ancient Middle East seen through the life and actions of one of its most dramatic and ambiguous characters the monk Barsauma ascetic hero to some religious terrorist to others The Life takes us into the eye of the storm that raged around Christian attempts to define the nature of Christ in the great Council of Chalcedon the effect of which was to split the growing Church irrevocably with the Oriental Orthodox on one side and Greek Orthodox and Roman Catholic on the other Previously known only in extracts this ancient text is now finally brought to readers in its entirety casting dramatic new light on the relations among pagans Jews and Christians in the Holy Land and on the role of religious violence real or imagined in the mental world of a Middle East as shot through with conflict as it is today

The Wandering Holy Man Johannes Hahn,Volker Menze,2020-06-09 Barsauma was a fifth century Syrian ascetic archimandrite and leader of monks notorious for his extreme asceticism and violent anti Jewish campaigns across the Holy Land Although Barsauma was a powerful and revered figure in the Eastern church modern scholarship has widely dismissed him as a thug of peripheral interest Until now only the most salacious bits of the Life of Barsauma a fascinating collection of miracles that Barsauma undertook across the Near East had been translated This pioneering study includes the first full translation of the Life and a series of studies by scholars employing a range of methods to illuminate the text from different angles and contexts This is the authoritative source on this influential figure in the history of the church and his life travels and relations with other religious groups **“The” Works of Shakespeare: King John** William Shakespeare,1902
