program recently engaged and beginning to plan her future Having grown up on a northern Appalachian sheep farm she had two advantages a hard won education and hillbilly pragmatism But when it came time to enter the job market Hayes made a tough discovery the economy just doesn t work It doesn t work for women for free thinkers for the working class or for white collar professionals It doesn t work in rural America much less in the cities and the suburbs It forces us to choose between career and family profit and creativity So Hayes and her husband walked away from their career paths and chose to forge a life on her family s frost plagued mountain farm starting up a small caf in town Together they found their sweet spot a place where the Appalachian farm culture and sensibilities she and her community have lived by helped them thrive even in a tough economic environment Against the odds the Hayes family built a business that lets them live abundantly spend time with family and enjoy the gifts of nature And the business even helped reinvigorate their chronically economically depressed town But the journey to this point was rife with challenges tumbles and mistakes With humor lively stories and assurance Hayes reveals the best lessons she s learned for taking an alternate path whether it lies in rural America in the burbs or the heart of the city She outlines the fundamentals of sustainable wealth how to develop income streams get organized bring family into the business ask for fair prices and market efficiently and the most important lesson of all set personal boundaries and say no even while sustaining relationships Hayes shows entrepreneurship is the means to build sustainable communities keep families together and foster great creative fulfillment Redefining Rich will comfort instruct amuse and inspire those of us who are trying to make our lives work in untraditional ways *Children's Book Review Service* Children's Book Review Service,1985
