Leandro Olivarez, 2015-05-21 The year was 1978 in early June Vivian and Lucia Olivarez had just accepted Jesus Christ to be their Lord and Savior They had been prophesied too many times that their children would all serve the Lord and that all their children would testify and be ministers of the Word of God This prophecy has been fulfilled Then in early 2009 they were prophesied again for the third time that they would have a son This son would be the most rebellious of all their children and he would be used greatly by God My name is Leandro Lenn Olivarez I am the youngest of five children I am also the copastor of Templo De Alabanza Temple of Praise ministry in Rockport Texas Under the direct leadership of Senior Pastor Vivian Olivarez I have been preaching now for over five years After growing up in the Lord and backsliding I have seen the ministry of God change so much that it hurts I can only imagine how God feels I have spent the majority of my life running from God and that very rebellion brought some very bad evil spirits into my life I was at one point of my life a drug user I was also a heavy metal drummer and radio DJ chasing after all the wrong things My parents who also happen to be my pastors never stopped praying for me This book is to show that your life has a greater purpose and it may have already begun Submitting to God is the first step What you are about to read are real life testimonies from me and my family We have seen the mighty hand of God in our family and in the ministry that God has placed before us You are also going to see Gods hand in depth on how he worked in our lives and the difference between believing and true faith deep down At a very young age I was exposed

to the real full power of God and this very truth rattled my soul to the very core of my inner being Another thing God showed me is that everyone believes in something but believing in the unknown and the unseen is a step of faith Jesus said that all you have to do is believe because if you can start there with your belief nothing is impossible I have encountered evil spirits I have fought them through the name and the blood of Jesus I have had encounters with demons and a witch even sat at my dining room table looked me in the eye and threatened me to my face God showed me that true repentance and the name and the blood of Jesus are the only way to break the curses and be set free Please pray to the Lord that he will open your spiritual eyes so that you may see what he wants you to see There is nothing in this whole world that anyone can say to me to change my mind that God still heals people and sets people free from demonic forces I am a witness to Gods full power I have seen with my eyes demons back away at the name of Jesus I asked the Lord that in the name of Jesus Christ you will receive a blessing from God while you are reading this book All honor and all glory to my savior Jesus Christ *The Academy of Peculiars Box Set* Isadora Brown, 2020-10-03 With over 200 000 words and 3 full length novels get your collection of the entire Academy of Peculiar at a 67% discount Stranger Book 1 Sophie Harper has a secret A peculiar one By the time she gets to the Academy for Peculiars she s already killed a man From there she learns that the superhuman strength she was born with and abandoned because of means she s a peculiar a human with abnormal DNA yet that same strength alienates her from her peculiar peers because of its rarity As she settles into her new home she makes friends with her dorm mates stresses out about catching up with schoolwork and starts dating one of the most popular guys at the academy Normalcy is what Sophie wants more than anything but she can t change the fact that she s different even among peculiars She starts falling for her infuriating trainer a rugged shifter named Will despite the fact that it s forbidden When she finds out there s only one other man with her physical strength she yearns to learn more about him yet he s someone everyone refuses to discuss She starts to realize that being a peculiar means more than just being strong and that just she shares her ability with her mysterious counterpart it doesn t mean he isn t a threat Finder Book 2 Those that aren t lost can t be found After the whole ordeal at the underground Catalina nightclub Sophie is ready to forget about everything and enjoy the holidays with Will in Washington As the weather cools down things between them heat up But Sophie is still with Jason and she can t easily forget that On top of that Sophie receives a letter from her parents wanting to meet and asking for her forgiveness When Jane Cabot her best friend is mortally wounded by an unknown assailant Sophie must question everyone and everything around her in order to bring her best friend to justice Things don t add up however and despite Jane being attacked Sophie is the true target When she gets taken by a familiar face pieces of a puzzle start to fall into place and she s not sure she wants to be found Keeper Book 3 Danger lurks in the most familiar places When General Arbuckle reveals the peculiar existence to the world the Academy of Peculiars is forced to close as a way to protect the faculty and students Sophie Harper is more focused on the fact that her best friend Jane may actually be alive than Arbuckle and the United States military Daryl s older

and mental brother Marvin is quick to promise Jane's safe return after brokering a deal with Daryl and Ethan the academy's dean. But something doesn't sit well with Sophie about Marvin and if Jane wasn't involved she's certain Daryl wouldn't have trusted his brother. On top of that a familiar body winds up slaughtered at the academy gates. Now it's up to Sophie to figure out who could have done it and why while dodging flying bullets and suspicious ex-boyfriends. Will wants nothing more to protect her. Sophie wants nothing more than find her friend and herself. In the epic conclusion to the Academy of Peculiars Trilogy Sophie will learn that just because someone is ambitious does not mean they're evil; those that she trusts the most have the power to betray her with relative ease and the best relationship she can ever hope to have is the one with herself. Make My Life Count

Lois Smith, 2017-06-27 This is my story of the times when the Lord had caused me to perceive his amazing presence and to know by experience his preservation of my life. It is my desire to share how God is continually at work even today in our lives in this generation just as he had in previous generations. I want to share the many wonderful times that he has chosen to reveal his hand to me as he has been involved in the day by day circumstances of my own life. I will also write about the times when I saw him work through me and the ways that he would reveal himself to others. It was in those times when he would help them and things would happen in such a way that they were aware that it wasn't me. His desire is to turn people to look to him because his hand is open to meet their need in a way that only he can.

Dream with Your Eyes Open S.G.

Cao, 2019-02-19 In most cases the higher something costs the more value and importance people put on an item like a house a car a computer a cell phone or in this case a book. If I were the one to determine the sales price of my book I would sell it for at least 85 to 110 to limit the number of people from reading my book. The reason is that people mostly likely will value an expensive book more than a book that is less than 25. Unfortunately I am not in the position to decide the selling price of my book. To be honest I actually don't need too many people to read my book so that it is not saturated and people who read my book will appreciate the knowledge that they receive from my book. Regardless whether people value the importance of my book or not as far as I am concerned the knowledge that I have written down is the backbone and the essence of my well being today. I would not have the strength or stamina to write this book without the knowledge that I have. It enables me to go on with my life. I am more energetic and more productive now than I was before. I want to see people live a life full of vitality and energy. Did you ever find yourself lacking the drive strength and stamina to continue your day in the past? Do you want to get the fire energy power and enjoyment back in your life? If you do you have come to the right place. You have the energy and the potential in you. You just don't know it yet. Once you receive the knowledge you will know it for the rest of your life.
