

What is Communication?

- Communication is the *exchange of thoughts*, messages, or information, as by speech, signals, writing, or behavior.
- It is defined as a *process* by which we assign and convey meaning in an attempt to create shared understanding
- It was derived from the Latin word "*communis*", meaning *commonness*.
- Communication occurs when there's an existence of *message* to be shared, *person* or persons to share it, and a *medium* they can use to make the sharing possible.
