Communicating Christ in the Buddhist World David S. Lim, Paul H. De Neui, 2006 We issue this book amidst the challenges arising from the resurgence of religions in the various nations of the post modern world As Islamic fundamentalism grabs the headlines Buddhist fundamentalism has also been on the rise particularly in Southeast Asia mainly in reaction to the conversionist incursions of Islam and Christianity among them Over the last thirty years Buddhism has also seen growth in the West as its non dogmatic rationality offer of spiritual mentoring and opportunity for personal transformation have made it attractive to post modern society Are there both theological approaches as well as practical strategies for evangelical Christians to use our evangelization efforts among Buddhists without any unnecessary problems to the increasing conflicts in the encounter of religions We believe there are This is the fourth and latest volume in the Buddhist World series which includes *Sharing Jesus in the Buddhist World* *Sharing Jesus Holistically with the Buddhist World* and *Sharing Jesus Effectively in the Buddhist World* Compiled from papers presented at the annual SEANET Missiological Forum in Thailand *Communicating Christ in the Buddhist World* delivers fresh insights from mission theologians and practitioners The first four chapters reflect on the theological framework by which Christians can fulfill the biblical mandate to evangelize and transform peoples The next five chapters consider the significant sociological issues that have arisen in the Christian encounter with Buddhist peoples The final three suggest some strategic ways forward for effective evangelism in the Buddhist world May this book challenge the international Christian community to find better ways of relating to and approaching people of other faiths **The Art of Personal Evangelism** Will McRaney, 2003 How to share your Christian Faith

People Sharing Jesus, eBook Darrell Robinson, 2008-02-03 Packed with practical insight and encouragement that helps unlock the abundant Christian life and share overflowing resources *People Sharing Jesus* shares inspiring stories and reality based techniques on how to apply this strategy to everyday life Complexities of Money and Missions in Asia Paul H. De Neui, 2012-06-01 What happens when an expatriate missionary is thrust into a context where the standard of living is so divergent that perceived or actual wealth suddenly becomes the strongest draw of attraction What actual message is communicated through the wordless witness of the Western Christian missionary lifestyle Is attention to so called good news now so financially focused that other foundational issues become overshadowed This issue becomes even more complicated when the missionary arrives clueless about personal privilege ignorant of the envy of others and carries the mistaken attitude

that others think similarly SEANET proudly presents Complexities of Money and Missions in Asia for all who are asking such questions From seven different indigenous and expatriate perspectives this volume deals with the perceptions of money specifically from those seeking to serve obediently in the Buddhist contexts of Asia SEANET serves as a networking forum wherein groups and individuals can meet to reflect and strategize together on topics particular to their collective mission SEANET does not promote one particular strategy or one particular theology but seeks to learn from models of hope that show what God is doing around the world Each year the annual SEANET conference brings together over one hundred and fifty practitioners who are privileged to live and serve throughout the Buddhist world The chapters of this volume represent seven of those voices from the network **Communicating Christ in Asian Cities** Paul H. De Neui,2009-06-01

Communicating Christ in Asian Cities Urban Issues in Buddhist Contexts is the sixth volume in a series produced from the annual SEANET Missiological Forum held in Chiang Mai Thailand It developed from a keen awareness that certain urban concerns for evangelistic mission must be addressed in a unique way when viewed within the myriad and complex cultures found within Asian Buddhism All authors included here write from many years of experience as Evangelical mission theologians scholars pastors and practitioners working within Asian urban Buddhist contexts This book is divided into three sections with the first focused on foundational issues of ministry within the framework of Asian Buddhist cities The second section includes four chapters addressing several contextual issues specific to peoples within Asian Buddhist cities The final section includes three chapters on the topic of strategic means of evangelization found useful in specific Asian urban Buddhist contexts *Sharing Jesus Holistically with the Buddhist World* David Lim,Steve Spaulding,2005-06-01 This book

compiles the works of reflective practitioners who are committed to developing creative approaches of communicating the gospel in culturally sensitive ways to the Buddhist peoples of the world with the hope of seeing them follow Jesus The five major dimensions of a holistic witness among Buddhist peoples discussed are experiential dialogue intellectual dialogue biblical exposition cultural sensitivity and economic development **CSB Worldview Study Bible** CSB Bibles by Holman,2018-05-15 The CSB Worldview Study Bible equips readers to discuss defend and promote a biblical view of the world in their everyday lives Featuring extensive study notes and topical articles written by notable scholars and pastors about various worldview issues the CSB Worldview Study Bible invites Christians to see reality and interpret history through a biblical lens Contributors include David S Dockery Trevin Wax John Stonestreet Mary Jo Sharp Albert Mohler Darrell Bock and more FEATURES Extensive worldview study notes More than 130 articles by notable worldview scholars Center column references Smyth sewn binding Presentation page Two ribbon markers Two piece gift box The CSB Worldview Study Bible features the readable faithful to the original text of the Christian Standard Bible The CSB s optimal blend of accuracy and readability makes it perfectly suited for a lifetime of studying memorizing and sharing Restored to Freedom from Fear, Guilt, and Shame Paul H. De Neui,2017-06-01 Lessons from the Buddhist World SEANET proudly presents Restored to

Freedom from Fear Guilt and Shame volume 13 in its series on intercultural and inter religious studies These three cultural orientations impact the shaping and expression of worldview While all are present to a certain extent in every context this volume draws from the expressions and insights found from within the Buddhist world Understanding orientations differing from our own helps us understand more of ourselves part of the enrichment resulting in the process of encounter We require the lens of the world in order to better recognize our own cultural blindness We use the word restoration believing that it is God s purpose to restore all that was lost through fear guilt and shame back to the original status of power honor and innocence through reconciliation on all levels This volume is for all who seek restoration to freedom for self and others

Becoming the People of God Paul H. De Neui,2015-06-01 How do Christ followers celebrate unity in the midst of diversity How do we become the people of God in more than name only A unifying Christ centeredness demands living out kingdom values and bearing witness to transformation in and through a multitude of cultural manifestations We struggle to serve worship and witness in the midst of this age old challenge This collection of perspectives comes from settings where the good news of Jesus has not been the dominant historical norm All contributors in this volume are practitioners They have a deep appreciation for the cultural heritage and important moral values found in Buddhist contexts We believe these chapters hold valuable lessons that speak to all of the family of faith Here you will find a wide range of topics and approaches that address what it means to become the global body of believers These can speak to you wherever you are called to participate with God s work in the world Christ followers are in the process of becoming what will one day culminate in a huge and startling celebration of people from all of God s beloved creation If you are interested in hearing from those discovering what that might look like outside traditional packaging this book is for you **Suffering** Paul H. De Neui,2011-02-03 What is dukkha In Buddhism this word encompasses the concepts of dis ease unsteadiness sorrow and lack of inner calm In English it is usually translated simply as suffering However it is defined dukkha is central to understanding Buddhism The Buddha described not only what it was but taught that there is a way out of it Suffering is an undeniable theme in both Christianity and Buddhism Both treat the topic with great intensity Buddha taught that suffering was inherent to the mortal condition Christ was born into a life of suffering and called disciples to follow him in this path Through enlightenment Buddha pointed to a way out of suffering Through his death Christ suffered once for all Both groups experience suffering but often talk about it from completely different starting points Are there insights from each perspective that can inform the other We believe so **Suffering Christian Reflections on the Buddhist Dukkha** is a collection of articles by Western and non Western Christ followers for those who want to delve deeper into one important aspect of Buddhist worldview It is written for the practitioner privileged to live and serve in the Buddhist context This book is also for the Buddhist seeking to understand the Christian perspective on existence in today s world where suffering is our ever present reality Developing Indigenous Leaders Paul H. De Neui,2013-06-01 Every movement is only one generation from dying

out Leadership development remains the critical issue for mission endeavors around the world How are leaders developed from the local context for the local context What is the role of the expatriate in this process What models of hope are available for those seeking further direction in this area particularly in mission to the Buddhist world of Asia To answer these and several other questions SEANET proudly presents the tenth volume in its series on practical missiology *Developing Indigenous Leaders Lessons in Mission from Buddhist Asia* Each chapter in this volume is written by a practitioner and a mission scholar The ten authors come from a wide range of ecclesial and national backgrounds and represent service in ten different Buddhist contexts of Asia With biblical integrity and cultural sensitivity these chapters provide honest reflection insight and guidance There is perhaps no more crucial issue than the development of dedicated indigenous leaders who will remain long after missionaries have returned home If you are concerned about raising up leaders in your ministry in whatever cultural context it may be this volume will be an important addition to your library *Emerging Faith* Paul H. De Neui, 2020-01-05 Mistakes are inevitable but repeating them isn't In non Western contexts Christianity has often been viewed as the religion of foreigners with a hidden political agenda Sharing the gospel in non imperialistic ways can be challenging particularly in Asia Every location to which God calls his messengers has its own rich history that should be shared with gospel workers and local people Those desiring to serve interculturally must learn as much as possible about the past before joining that history Are we learning from the past or are we simply repeating the same mistakes in our own times and places No culture in the world is a blank slate rather we can look for the initiating inviting work of the missio Dei already emerging from within every surprising source This book showcases the writings of sixteen reflective practitioners who offer insights based on their study and experience of history These women and men come from a wide variety of cultural and theological backgrounds Their stories include An American who brought Protestant Buddhism to Sri Lanka A Norwegian Lutheran who started a Christian monastic community in Hong Kong A local scholar who led a faith movement in China that nearly overthrew the government A Thai villager who became an evangelist and a silent film star Highlighting key people and places *Emerging Faith* surveys several Christian movements found in the mission history of Asia If you wish to challenge your thinking and respond to God's invitation to participate in the global context look here for encouragement and guidance

Seeking the Unseen Paul H. De Neui, 2016-03-15 Buddhism claims no god yet spiritual realities abound in popular practice What are these realities What do they mean to the practitioners How can understanding these realities inform Christ followers seeking to communicate the good news of Jesus in ways that all can understand and relate to In answer to these and other questions SEANET proudly presents its twelfth volume *Seeking the Unseen Spiritual Realities in the Buddhist World* Christian practitioners from thirteen different Buddhist cultures share insights gained from their wideranging experiences and perspectives From Sri Lanka to Japan from China to the Philippines these women and men Asian and Western present on a topic that is often missing in mission literature today And for readers seeking personal insight into the

growing spiritual complexities of their own place in the postmodern world lessons from these authors will guide you with practical principles from engaging firsthand cultural encounters **Handbook for Sharing Your Faith Effectively** , *Family and Faith in Asia* Paul H. De Neui,2010-06-01 If Christian mission in Asia and most of the non Western world is ever to advance it must seriously consider the importance of family networks Far too long the strategy of a one by one approach has stifled the spread of the gospel reinforced a highly individualized unbiblical theology and destroyed social relationships that might lead to conversation conversion and social transformation With this concern in mind SEANET is proud to present another volume in its series addressing critical missiological issues relevant to the practice of mission in Buddhist Asian and many other contexts Our title *Family and Faith in Asia The Missional Impact of Extended Networks* attempts to issue a wake up call to serious reflection on a highly ignored social reality in Buddhist and many other social contexts The book is a resource useful for anyone wishing to study practical approaches to issues related to family and faith in Asia particularly in Buddhist contexts for mission **CSB Worldview Study Bible, Gray/Black Cloth Over Board** CSB Bibles by Holman,2018-05-15 The CSB Worldview Study Bible features extensive worldview study notes and articles by notable Christian scholars to help Christians better understand the grand narrative and flow of Scripture within the biblical framework from which we are called to view reality and make sense of life and the world Guided by general editors David S Dockery and Trevin K Wax this Bible is an invaluable resource and study tool that will help you to discuss defend and clearly share with others the truth hope and practical compatibility of Christianity in everyday life **Share Jesus Fearlessly** Donnie Anthony,2018-02-13 Donnie has been able to capture his passion on the pages of *Share Jesus Fearlessly* which inspires each believer to join in the Apostles early witness that we cannot stop speaking what we have seen and heard Dr Rodney Woo Pastor International Baptist Church Singapore I have known Donnie for many years and have seen first hand God s favor upon his life and ministry It is with joy that I ask you to prayerfully consider this as a tool to help you engage your sphere of influence with the gospel Dr Nathan Lorick Executive Director Colorado Baptist General Convention Former Director of Evangelism Southern Baptists of Texas Convention You love Christ and you love people But do you know where to start in sharing Jesus with them Would you like to have the confidence to engage people in life changing conversations In *Share Jesus Fearlessly* author Donnie Anthony offers a practical guide that will instill in you the power love and soundness of mind to energize you in any witnessing opportunity You will be inspired by Donnie s personal examples and will discover a simple tool you can master easily Prepare your heart for an evangelism adventure that will enable you to fulfill the purpose for which you were created You will never look at sharing the gospel the same way again *P.E.R.S.O.N.A.L. Ministry Profile (Revised)* Wil Rhodes,2012-03-05 A comprehensive profile designed to assist you in better understanding the way God has uniquely created and gifted you for ministry in His kingdom As you work your way through you will be able to see how different facets of your life have been woven together by your Creator into a wondrous tapestry you It includes your

Neui, 2017-12-21 Is the Christian concept of grace anathema to the social structure of merit making found in Buddhist karmic
communities Are all Buddhist forms of merit making purely for religious purposes to assuage cosmic consequences or are
there other reasons Are there not Christian churches who operate under a legalistic view of God's divine wrath and are in
essence living as karmic communities of the Christian type The result of discussions about these and other questions is the
