Sharing The Difference Feminist Debates In Holland:

Sharing the Difference Joke Johannetta Hermesen, Alkeline van Lenning, 1991 , **Perspectives on Feminist Political Thought in European History** Tjitske Akkerman, Siep Stuurman, 2013-06-17 Spanning six centuries of political thought in European history this book puts the ideas of thinkers from Christine de Pizan to Simone de Beauvoir in the broader contexts of their time This intriguing collection of essays shows that feminism is not a variant of modern radical discourse but a mode of analysing the issues of authority power and virtue that have been at the heart of European political thought from the middle ages **The Politics of Affirmative Action** Carol Lee Bacchi, 1996-09-24 This book makes a major contribution to an issue of central concern to feminists It is well written thoroughly researched and thoughtfully argued Wide ranging and comprehensive in scope the book is carefully structured using different countries to illustrate the specific ways in which affirmative action is co opted and contained in practice Jeanne Gregory Middlesex University This timely and incisive book brings a theoretical lens to the debates around affirmative action It presents a comparative analysis of those countries reputed to be leading the way in policies for women the United States Canada Australia Sweden The Netherlands and Norway Carol Lee Bacchi draws upon current social and feminist theory to present a lucid analysis of the implementation of reform Taking account of the particular historical context of affirmative action policies she considers why expressed commitment to affirmative action for women has failed to translate into meaningful reform She describes how conceptual and identity categories are given meanings and positioned in debate in ways which work to contain the effects of the reform Bacchi concludes that proponents of affirmative action need to direct more attention to the political uses of categories than to their abstract content and to concentrate their efforts upon exposing the effects of category politics **The Subject of Rosi Braidotti** Bolette Blaagaard, Iris van der Tuin, 2014-09-25 The Subject of Rosi Braidotti Politics and Concepts brings into focus the diverse influence of the work of Rosi Braidotti on academic fields in the humanities and the social sciences such as the study and scholarship in among others feminist theory political theory continental philosophy philosophy of science and technology cultural studies ethnicity and race studies Inspired by Braidotti s philosophy of nomadic relations of embodied thought the volume is a mapping exercise of productive engagements and instructive interactions by a variety of international outstanding and world renowned scholars with texts and concepts developed by Braidotti throughout her immense body of work In Braidotti s work traversing themes of engagements emerge of politics and philosophy across generations and continents Therefore the edited volume invites prominent scholars at different stages of their careers and from around the world to engage with Braidotti s work in terms of concepts and or political practice Continental Feminism Reader Ann J. Cahill, Jennifer Hansen, 2004-09-01 In an era of backlash and supposed stagnation feminist philosophers are still providing fresh and challenging perspectives you just have to know where to look Continental feminist theory continues to address pressing questions of equality and difference identity and subjectivity Modern thinkers like

Judith Butler Kelly Oliver and Drucilla Cornell give strikingly new perspectives on sex gender sexual politics and the various social reasons for gender inequality Yet their theories are not always well received Continental Feminism Reader responds to the marginalization of these thinkers and others like them In this volume Ann J Cahill and Jennifer Hansen collect the most groundbreaking recent work in Continental Feminist Theory introducing and explaining pieces that are often mystifying to those outside the field and outside academia With these essays Continental Feminism Reader begins the process of reanimating feminist politics through the critical tools of its contributors **Nomadic Subjects** Rosi Braidotti,2011-05-24 This revised and expanded edition retains all but two of Braidotti s original essays including her investigations into epistemology s relation to the woman question feminism and biomedical ethics European feminism and the possible relations between American feminism and European politics and philosophy A new piece integrates Deleuze and Guattari s concept of the becoming minoritarian more deeply into modern democratic thought and a chapter on methodology explains Braidotti s methods while engaging with her critics **Feminism Meets Queer Theory** Elizabeth Weed,Naomi Schor,1997-07-22 innovative and important thinking about the various relations between feminist theory queer theory and lesbian theory as well as the possibility that liberation can be mutual rather than mutually exclusive Lambda Book Report When feminism meets queer theory no introductions seem necessary The two share common political interests a concern for women s and gay and lesbian rights and many of the same academic and intellectual roots And yet they can also seem like strangers needing mediation translation clarification This volume focuses on the encounters of feminist and queer theories on the ways in which basic terms such as male and female man and woman black white sex gender and sexuality change meaning as they move from one body of theory to another Along with essays by Judith Butler Evelyn Hammonds Biddy Martin Kim Michasiw Carole Anne Tyler and Elizabeth Weed there are interviews Judith Butler engages Rosi Braidotti and Gayle Rubin in separate revealing discussions And there are critical exchanges Rosi Braidotti and Trevor Hope exchange comments on his reading of her work and Teresa de Lauretis responds to Elizabeth Grosz s review of her recent book **The Mangle of Practice** Andrew Pickering,2010-12-15 This ambitious book by one of the most original and provocative thinkers in science studies offers a sophisticated new understanding of the nature of scientific mathematical and engineering practice and the production of scientific knowledge Andrew Pickering offers a new approach to the unpredictable nature of change in science taking into account the extraordinary number of factors social technological conceptual and natural that interact to affect the creation of scientific knowledge In his view machines instruments facts theories conceptual and mathematical structures disciplined practices and human beings are in constantly shifting relationships with one another mangled together in unforeseeable ways that are shaped by the contingencies of culture time and place Situating material as well as human agency in their larger cultural context Pickering uses case studies to show how this picture of the open changeable nature of science advances a richer understanding of scientific work both past and present Pickering examines in detail the building of

the bubble chamber in particle physics the search for the quark the construction of the quaternion system in mathematics and the introduction of computer controlled machine tools in industry He uses these examples to address the most basic elements of scientific practice the development of experimental apparatus the production of facts the development of theory and the interrelation of machines and social organization Women's Studies and Culture Rosemarie Buikema, Anneke Smelik, 1995 This major introduction to feminist cultural studies provides an important new synthesis of the feminist critique of culture It also brilliantly reflects the interdisciplinary approach of cultural studies The book opens with an exploration of the development of feminist academic practice and an overview of the full range of feminist theory It includes full coverage of the equality difference debate Chapters then examine the impact of women's studies on linguistics literary theory popular culture history film theory art history theatre studies and musicology Part two explores the politics theories and methods of feminist study including psychoanalysis black criticism lesbian studies and semiotics This book is essential reading for anyone who needs a lively and accessible explanation of how feminism has taken culture and its academic study by storm
