Shark Bite Against The Odds Ser:

The Mighty Odds (The Odds Series #1) Amy Ignatow, 2016-09-13 From the renowned author/illustrator of the Popularity Papers series Amy Ignatow comes the first installment in a new series about a diverse crew of middle school kids who develop very limited superhero powers after a strange accident and manage to become unlikely friends on the adventure of a lifetime. When a sweet nerd, an artsy cartoonist, a social outcast, and the most popular girl in school are involved in a mysterious bus accident, this seemingly random group of kids starts to notice some very strange abilities they did not have before. Artsy Martina can change her eye color. Nerdy Nick can teleport four inches to the left. Outcast Farshad develops super strength but only in his thumbs. And Cookie, the It Girl of school's most popular clique, has suddenly developed the ability to read minds when those minds are thinking about directions. They are oddly mighty, especially together. This group, who would never hang out under normal circumstances, must now combine all of their strengths to figure out what happened during the bus accident. With alternating narratives from each of the heroes, including illustrated pieces from Martina, and featuring bold female superheroes and a multicultural cast, *The Mighty Odds* is *The Breakfast Club* for a new generation. To her surprise, her high school sweetheart is also a guest at the motel. For Gigi, Nathan Bradshaw is her great love that she let slip away. Gigi had always regretted losing Nathan, but now she has a chance to rectify the past. Maybe Gigi is horrified to find out that Nathan has come to the Last Chance Motel to get married. Katherine, Nathan's fiancée, is an 11 on the gorgeous scale. How can plain Gigi compete with her? Realizing it is too late for them, Gigi wishes only the best for Nathan. She believes she doesn't stand a chance to win Nathan back. Or does she? Can the Last Chance Motel work its magic and rekindle the fire that Nathan once had for Gigi? After all, the Last Chance Motel may be the last chance for Gigi to find true love again. *Becoming a Teacher Researcher in Literacy Teaching and Learning* Christine Pappas, Eli Tucker-Raymond, 2011-01-25 Designed to facilitate teachers' efforts to meet the actual challenges and dilemmas they face in their classrooms, *Becoming a Teacher Researcher in Literacy Teaching and Learning* provides background information and key concepts in teacher research, covers the how-to strategies of the teacher research process, from the initial proposal to writing up the report as publishable or presentable work, illustrates a range of literacy topics and grade levels, features twelve reports by teacher researchers who have gone through the process, and their candid remarks about how activities helped or not help teachers understand how knowledge is constructed socially in their classrooms so
