Shipka, 2011-07-25 The exploitation film industry of Italy Spain and France during the height of its popularity from 1960 to 1980 is the focus of this entertaining history With subject matter running the gamut from Italian zombies to Spanish werewolves to French lesbian vampires the shocking and profoundly entertaining motion pictures of the Eurocult genre are discussed from the standpoint of the films and the filmmakers including such internationally celebrated auteurs as Mario Bava Jess Franco Jean Rollin and Paul Naschy The Eurocult phenomenon is also examined in relation to the influences that European culture and environment have had on the world of exploitation cinema The author's insight and expertise contribute to a greater understanding of what made these films special and why they have remained so popular to later generations **It Can Happen to Any Family** Cynthia Doucette, 2012-08-01 I left her room and went to bed I lay next to David but we did not speak There were no words to describe the pain we were in I thought about the day that had begun so pleasurably and ended so painfully Even so I thanked God for the blessings in my life as I did every night I asked Him to watch over Candice and provide her with the help she needed We had not been able to give her what she required Nothing had worked as we had hoped I am glad I didn't know then how tragically her story and ours would end What had happened to Candice and where did it all begin This is the story of an ordinary family struggling with an extraordinary problem a special child whose journey was hijacked by teenage drug use Candice Doucette was a beautiful and well loved young girl with many friends and talents and supportive parents What happened to her and her family can happen to any family In this memoir her mother candidly shares her experience in hopes that other parents will find this book a resource as they strive to answer the recurring question What can we do And now nine years later Cynthia writes an epilogue to give the reader insight into her life today How through her enduring loss of her daughter she has finally found what's most important her peace Cynthia Doucette's compelling memoir shares such deep intense emotional family struggles and triumphs The connection I felt with Cynthia and her daughter Candice was unreal It felt as though Candice's spirit was with me as I read her life story Candice spoke through the words of her mother I could feel Candice's happiness her depression her pain and her anger In this story of her tragic death and the wonderful family she left behind I found myself becoming a part of the Doucette family as I can

relate to the emotional roller coasters they've endured Cynthia's outlook on her family's ups and downs is so real and by far one of the most amazing stories I've ever read Cynthia is an inspirational author a role model a woman who had enough faith love and strength to put her family's story out for the world She sacrificed her and her family's privacy to help others in need of answers and guidance in times of crisis This book clearly proves that this can happen to any family Rebecca Batchelder

Conrad Guest, 2012-01-12 Many people obsess over their past but no one more than I Perchance it's because as a man out of time I left behind so much of it unlived If that makes little sense consider that I'm a time traveler Although the backdrop for my story is time travel and alternate realities the underlying theme is a more human one of love lost another love found only to be lost and of a decision the result of a single regret brought about by the realization that my self-professed courage to

never risk my heart to love was instead cowardice to rectify a wrong in a life filled with myriad regrets You may judge me as it is man s nature to judge others or discount my story as the ravings of a lunatic mind or simply the fiction of an overactive imagination but before you do I ask that you read on to the end and then ask yourself if you would have acted any differently
