These studies also found that the practice of using the information on a form to complete other forms was associated with lower compliance rates. The authors suggest that this may be due to the fact that the information on the form is often used to complete other forms, and this may lead to a loss of information.

Leigh Eric Schmidt

Sheer Pleasures:

Hearing Things Leigh Eric Schmidt, 2000-09-15 Faith cometh by hearing so said Saint Paul and devoted Christians from Augustine to Luther down to the present have placed particular emphasis on spiritual arts of listening In quiet retreats for prayer in the noisy exercises of Protestant revivalism in the mystical pursuit of the voices of angels Christians have listened for a divine call But what happened when the ear tuned to God's voice found itself under the inspection of Enlightenment critics This book takes us into the ensuing debate about hearing things an intense entertaining even spectacular exchange over the auditory immediacy of popular Christian piety The struggle was one of encyclopedic range and Leigh Eric Schmidt conducts us through natural histories of the oracles anatomies of the diseased ear psychologies of the unsound mind acoustic technologies from speaking trumpets to talking machines philosophical regimens for educating the senses and rational recreations elaborated from natural magic notably ventriloquism and speaking statues *Hearing Things* enters this labyrinth all the new disciplines and pleasures of the modern ear to explore the fate of Christian listening during the Enlightenment and its aftermath In Schmidt's analysis the reimagining of hearing was instrumental in constituting religion itself as an object of study and suspicion The mystic's ear was hardly lost but it was now marked deeply with imposture and illusion

Shakespeare Unbound René Weis, 2013-10-22 At last a key that unlocks the secrets of Shakespeare's life Intimacies with Southampton and Marlowe entanglements in London with the elusive dark lady the probable fathering of an illegitimate son these are among the mysteries of Shakespeare's rich and turbulent life that have proven tantalizingly obscure Despite an avalanche of recent scholarship Ren Weis an acknowledged authority on the Elizabethan period believes the links between the bard's life and the poems and plays have been largely ignored Armed with a wealth of new archival research and his own highly regarded interpretations of the literature the author finds provocative parallels between Shakespeare's early experiences in the bustling market town of Stratford including a dangerous poaching incident and contacts with underground Catholics and the plays Breaking with tradition Weis reveals that it is the plays and poems themselves that contain the richest seam of clues about the details of Shakespeare's personal life at home in Stratford and in the shadowy precincts of theatrical London details of a code unbroken for four hundred years Gordon Merrick and the Great Gay American Novel

Joseph M. Ortiz, 2022-05-23 *Gordon Merrick and the Great Gay American Novel* is the first biography of Gordon Merrick the most commercially successful writer of gay novels in the twentieth century This book shows how Merrick's novels were largely based on his own life and time as a Princeton theater star a Broadway actor a New York reporter an OSS spy and the friend of countless artists and celebrities as an expatriate in France Greece and Sri Lanka He lived much of his life as an openly gay man with his longtime partner Charles Hulse His 1970 novel *The Lord Won't Mind* broke new ground by showing that an affirming explicitly gay novel could be a bestseller His subsequent gay novels were both a cultural phenomenon and a lightning rod for literary critics This book also examines the complex often conflicting responses to Merrick's novels by gay

readers and critics and it thus recovers the early post Stonewall debates over the definition of gay literature By reconstructing Merrick s life and critical fortunes this book expands our understanding of what it means to be a gay man in the twentieth century *The God of the Woods* Liz Moore,2024-07-02 ONE OF THE NEW YORK TIMES S NOTABLE BOOKS OF 2024 A NEW YORK TIMES BEST THRILLER OF 2024 A NEW YORK TIMES BEST CRIME NOVEL OF 2024 PEOPLE MAGAZINE S 1 BOOK OF THE YEAR ONE OF NPR S BOOKS WE LOVE 2024 ONE OF TIME MAGAZINE S 100 MUST READ BOOKS OF 2024 Extraordinary Reminds me of Donna Tartt s 1992 debut *The Secret History* I was so thoroughly submerged in a rich fictional world that for hours I barely came up for air Maureen Corrigan Fresh Air NPR This expertly paced thriller has the kineticism of a well crafted miniseries *The New Yorker* When a teenager vanishes from her Adirondack summer camp two worlds collide Early morning August 1975 a camp counselor discovers an empty bunk Its occupant Barbara Van Laar has gone missing Barbara isn t just any thirteen year old she s the daughter of the family that owns the summer camp and employs most of the region s residents And this isn t the first time a Van Laar child has disappeared Barbara s older brother similarly vanished fourteen years ago never to be found As a panicked search begins a thrilling drama unfolds Chasing down the layered secrets of the Van Laar family and the blue collar community working in its shadow Moore s multi threaded story invites readers into a rich and gripping dynasty of secrets and second chances It is Liz Moore s most ambitious and wide reaching novel yet **More and More** Stella Cameron,2001-01-01 29 year old Finch More connoisseur of antique glass is considered on the shelf But when her brother is mysteriously abducted the world sees the real Finch More a woman of action and passion a woman who scorns defeat **I Pray in Poems** Dave Worster,2015-11-10 I pray in poems explores the intersection of great works of poetry and Christian faith offering meditations on what these works illustrate about Christian living Readers will encounter authors as diverse as William Shakespeare T S Eliot Rumi Mary Oliver and Anna Kamienska Each poem is followed by an analytical reflection that explores the work and places it within the context of one or more Biblical passages These meditations will assist the reader in understanding and appreciating the poetry and will also offer insightful perhaps even inspiring thoughts on what it means to live a life in faith *This Voice in My Heart* Gilbert Tuhabonye,Gary Brozek,2007-05-22 Gilbert Tuhabonye is a survivor More than ten years ago he lay buried under a pile of burning bodies The centuries old battle between Hutu and Tutsi tribes had come to Gilbert s school Fueled by hatred the Hutus forced more than a hundred Tutsi children and teachers into a small room and used machetes to beat most of them to death The unfortunate ones who survived the beating were doused with gasoline and set on fire After hiding under burning bodies for over eight hours Gilbert heard a voice inside saying You will be all right you will survive He knows it was God speaking to him Gilbert was the lone survivor of the genocide and thanks his enduring faith in God for his survival Today having forgiven his enemies and moved forward with his life he is a world class athlete running coach and celebrity in his new hometown of Austin Texas The road to this point has been a tough one but Gilbert uses his survival instincts to spur him

The Foie Gras Wars Mark Caro, 2009-03-10 In announcing that he had stopped serving the fattened livers of force fed ducks and geese at his world renowned restaurant influential chef Charlie Trotter heaved a grenade into a simmering food fight and the Foie Gras Wars erupted He said his morally minded menu revision was meant merely to raise consciousness but what was he thinking when he also suggested to Chicago Tribune reporter Mark Caro that a rival four star chef's liver be eaten as a little treat The reaction to Caro's subsequent front page story was explosive as Trotter's sizable hometown moved to ban the ancient delicacy known as foie gras while an international array of activists farmers chefs and politicians clashed forcefully and sometimes violently over whether fattening birds for the sake of scrumptious livers amounts to ethical agriculture or torture Take a dish with a funny French name add ducks top it all off with celebrity chefs eating each other's livers and that's entertainment Caro writes Yet as absurd as battling over bloated waterfowl organs might seem the controversy struck a serious chord even among those who had never tasted the stuff Reporting from the front lines of this passionate dining debate Caro explores the questions we too often avoid What is an acceptable amount of suffering for an animal that winds up on our plate Is a duck that lives comfortably for twelve weeks before enduring a few weeks of periodic force feedings worse off than a supermarket broiler chicken that never sees the light of day over its six to seven weeks on earth Why is the animal rights movement picking on such a rarefied dish when so many more chickens pigs and cows are being processed on factory farms Then again how could the treatment of other animals possibly justify the practice of feeding a duck through a metal tube down its throat In his relentless yet good humored pursuit of clarity Caro takes us to the streets where activists use bullhorns spray paint Superglue and or lawsuits as their weapons the government chambers where politicians weigh the ducks interests against their own the restaurants and outlaw dining clubs where haute cuisine preparations coexist with Foie

lipops and the U S and French farms whose operators maintain that they are honoring tradition not abusing animals Can foie gras survive after 5 000 years Are we on the verge of a more enlightened era of eating Can both answers be yes Our appetites hang in the balance Understanding Cultural Sociology Dick Houtman,2025-08-11 This fascinating book introduces the particularities pleasures and promises of a sociology that underscores the significance of culture as a vital dimension of social life Elaborating on Emile Durkheim s and Max Weber s classical sociologies of culture and religion it advocates a cultural sociology that engages in theoretically driven empirical research into today s major social and political conflicts *Who is My Echo?* Nancy Collins,2015-01-16 Read the story of a mother s journey following the tragic death of her son On October 22 2006 Nancy Collins son Derek died Her normal existence vanished Her life s direction abruptly changed Ms Collins gives a poignant memoir of her son s tragic death and her own personal struggle with major depressive disorder Post Traumatic Stress Disorder and suicide What develops is an informative account that provides support to others who may be experiencing the challenges and feelings of powerlessness and despair after the death of a loved one along with good advice for those dealing with individuals who have just experienced the death of someone close to them
