One day in her least favorite month of February Inis bleaches her hair abandons the husband and children she loves and closes the door forever on family marriage and her comfortable suburban London home There she was safe appreciated and loved and she hated every minute of it Now she's ended up in a dreary little flat in the grey post industrial town of Sheffield Here in the neighborhood of Mercy Terrace Inis is being watched There is the boy who steals things and plays until he gets hurt There is Inis's neighbor Trixie an eighty year old hymnist for the Salvation Army who grows hyacinths and enjoys afternoon tea And Ada who lives to be desired As Inis watches them she fears they share more than this shabby dead end street As four people's lives begin to converge Inis gets increasingly nervous because she's not certain which of them herself included could be dangerous to the others Or which one will survive Lesley Glaister's novel of multiple personality disorder was inspired by Flora Rheta Schreiber's *Sybil* As Glaister tells it in the *Independent* I was 10 when I read it I was fascinated by the idea of 16 different personalities being packed into one body with one face I remember longing to suffer from the same problem A stream of consciousness thriller well worth reading twice *The Literary Review* [As Far as You Can Go](#) Lesley Glaister, 2014-12-30 For a carefree British couple the Aussie outback becomes a nightmare in this erotic psychological thriller from the award winning author *The Independent* What better way to flee a dreary English winter than a temporary job tending a sheep farm in sunbaked western Australia For Cassie a teacher of organic gardening it's a once in a lifetime adventure For her commitment phobic boyfriend Graham the arid red rock landscapes could provide new inspiration for his painting But the ramshackle sheering station of Woolagong is further from civilization than they anticipated There is no radio telephone or electricity and though they send letters home they've yet to receive a response Their only other companions are their peculiar employers Larry and Mara who stay sedated in a shed As Cassie and Graham wonder why they came everything warps in the stifling heat their sense of direction their sex drives their feelings of safety and their perception of right and wrong For the both of them leaving is no longer an option Only escape The Australian outback has been a source of psychological menace in such works as *Walkabout* *Wake in Fright* *The Last Wave* and *Wolf Creek* In *As far as You Can Go* Somerset Maugham Award winner Lesley Glaister lends her talents to the untapped potentials of this sun baked hell cranking up the tension in every possible way The gripping result is guaranteed to make any flight to Oz go faster *The Guardian* Before Gillian Flynn there was Lesley Glaister *Harper's Bazaar* [Easy Peasy](#) Lesley Glaister, 2014-12-30 A WWII vet's suicide drives his daughter to uncover his troubled past in this absorbing poignant novel from the award winning author of *Partial Eclipse* Publishers Weekly Zelda Dawkins knows her older lover Foxy is going to leave her As Zelda prays for something anything to prevent the inevitable she receives a call from her mother Zelda's father a World War II prisoner of war has hanged himself It's not what Zelda wanted It's also not unexpected Zelda comes from a family of unspoken things Foxy is hers But for Zelda her father's suicide is more than a wellspring for her grief rage and guilt It was his final escape from the screaming nightmares that kept her awake when she was young and the closely guarded secret he took to bed with

him It's also stirring in Zelda memories and unanswered questions of her childhood Why did her father seem to reject her in favor of a damaged neighborhood boy named Vassil Why was he so taken with the boy's mother a prostitute How did Vassil come to be so disfigured And what happened to her father those five years in a Japanese prison camp It's time for Zelda to confront the past its legacy of cruelty and to unearth the secrets her father's and her own that have cast a shadow over her life A writer of addictive emotional thrillers as if Ruth Rendell had got hold of an A.S.
