uprising was the mainstream character of the Syrian revolution 2 Internal war where mutual violence was spread formally and nationally after the formation of the Free Syrian Army FSA 3 Holy war Jihad where most revolutionaries have turned into national Jihadists accompanied with the arrival of global Jihadists to Syria to fight the Assad regime and to establish the Islamic State Caliphate Furthermore the rising and elapse of ISIS is investigated comprehensively in this book I use the term internal war rather than civil war in order to be more specific in analyzing the war in Syria Also the international relations of the Syrian revolution occupies considerable part of this book The behavior of states and sub state actors regionally and internationally and the stance of the international organizations towards the Syrian revolution are critically examined In addition the massacres and war crimes which have been committed by Bashar Assad Iran and their militias against the people in Syria are well documented in this book

Kreyenbroek,Khalil Jindi,2005 Until the late 20th century the West was unaware of the existence of an extensive corpus of Yezidi religious texts These were traditionally transmitted orally and were kept secret from outsiders It was not until the 1970s that a few Yezidi intellectuals began to commit these texts to writing These first publications included only specimens of the most prestigious genres which for a time were thought to be representative of Yezidi religious literature as a whole It was later discovered however that this literature was far richer Furthermore it became clear that an understanding of Yezidi oral culture as a whole was indispensable for a proper understanding of the religious texts The present work offers the reader a representative selection of the main genres of Yezidi religious texts with translation and commentary The texts are intended moreover to cover the topics most often addressed in the Yezidi religious tradition The first introductory chapter aims to introduce the reader to the Yezidi community s history aspects of its religion and its social structures and institutions The next chapter focuses on some of the implications of the oral transmission of this literature and on its contents especially the sacred history of Yezidism The third chapter discusses aspects of orality and the transition to written culture questions of performance and reception and the formal characteristics of the various types of texts **Claimed for the Sheikh's Shock Son** Carol Marinelli,2019-05-01 The sheikh s seduction has a lifetime of consequences Desert prince Khalid never loses control with one exception his illicit night of passion with captivating dancer Aubrey Khalid was shocked to discover Aubrey was a virgin Yet after returning to his kingdom nothing compares to the bombshell that she s had his secret child Claiming his son is non negotiable for this proud prince But claiming Aubrey will prove a much more delicious challenge A royal love story with a secret baby twist This is a very enjoyable romance combining lovely Christmas scenes with a Cinderella story Harlequin Junkie on The Billionaire s Christmas Cinderella I liked how the author took time to show the hero and heroine connecting on a deeper level Goodreads
