## **Sheila Levine Is Dead And Living In New York:**

*Sheila Levine Is Dead and Living in New York* Gail Parent, 2004-01-27 A single thirty year old woman in the 1970s struggles to find her dream man and dream job in this hilarious heartwarming classic Three decades after its original bestselling publication *Sheila Levine is Dead and Living in New York* is still completely on target as the most achingly funny book length suicide note ever written by an agonizingly single thirty year old trying unsuccessfully to straddle two worlds the one she's been programmed for from birth marriage first life later and the illusive swinging singles scene of liberated New York City Meet Sheila Levine she's smart and funny and her mother tells her she's beautiful But her skirt's always a bit wrinkled she's trying to lose fifteen make that twenty five pounds she just turned thirty and she's still single She tries to date and mate she really does but disappointment turns to desperation and after a flash of insight Sheila calmly decides to kill herself So she starts to get her affairs in order and writes a suicide note to her loving parents to explain it all Praise for *Sheila Levine is Dead and Living in New York* Sometimes heartbreaking mostly hilarious always full of life Newsweek A book about suicide shouldn't be this entertaining but this one is hilarious due in large part to Sheila's devil may care attitude and the frankness with which she talks about her life The Bookbag *Sheila Levine is Dead and Living in New York* Gail Parent, 1972 Those Girls Katherine J. Lehman, 2011-09-27 Long before Carrie Bradshaw in *Sex and the City* there was Mary Richards in *The Mary Tyler Moore Show* Every week as Mary flung her beret into the air while the theme song proclaimed You're gonna make it after all it seemed that young independent women like herself had finally arrived But as Katherine Lehman reveals the struggle to create accurate portrayals of successful single women for American TV and cinema during the 1960s and 1970s wasn't as simple as the toss of a hat *Those Girls* is the first book to focus exclusively on struggles to define the single girl character in TV and film during a transformative period in American society Lehman has scoured a wide range of source materials unstudied film and television scripts magazines novels and advertisements to demonstrate how controversial female characters pitted fears of societal breakdown against the growing momentum of the women's rights movement Lehman's book focuses on the single girl an unmarried career woman in her 20s or 30s to show how this character type symbolized sweeping changes in women's roles Analyzing films and programs against broader conceptions of women's sexual and social roles she uncovers deep seated fears in a nation accustomed to depictions of single women yearning for matrimony Yet as television began to reflect public acceptance of career women series such as *Police Woman* and *Wonder Woman* proved that heroines could wield both strength and femininity while movies like *Looking for Mr Goodbar* cautioned viewers against carrying new found freedom too far Lehman takes us behind the scenes in Hollywood to show us the production decisions and censorship negotiations that shaped these characters before they even made it to the screen She includes often overlooked sources such as the TV series *Get Christie Love* and *Ebony* magazine to give us a richer understanding of how women of color negotiated urban singles life And she reveals how trailblazing characters continue to

influence portrayals of single women in shows like *Mad Men* This entertaining and insightful study examines familiar characters caught between the competing fears and aspirations of a society rethinking its understanding of social and sexual mores *Those Girls* reassesses feminine genres that are often marginalized in media scholarship and contributes to a greater valuation of the unmarried independent woman in America *Sidney J. Furie* Daniel Kremer, 2015-11-12 Known for his visual style as well as for his experimentation in virtually every genre of narrative cinema award winning director Sidney J Furie also has the distinction of having made Canada's first ever feature length fictional film in English *A Dangerous Age* 1957 With a body of work that includes *The Ipccress File* 1965 *Lady Sings the Blues* 1972 and *The Entity* 1982 he has collaborated with major stars such as Marlon Brando Frank Sinatra Robert Redford and Michael Caine and his films have inspired some of Hollywood's most celebrated directors including Stanley Kubrick and Quentin Tarantino In this first biography of the prolific filmmaker author Daniel Kremer offers a comprehensive look at the director's unique career Furie pioneered techniques such as improvisation in large scale film productions and sometimes shot his films in sequence to develop the characters from the ground up and improve the performers in the moment spontaneity Not only has Stanley Kubrick acknowledged that Furie's *The Boys in Company C* 1978 informed and influenced *Full Metal Jacket* 1987 but Martin Scorsese has said that he considers *The Entity* to be one of the scariest horror films of all time However Furie was often later criticized for accepting lowbrow work and as a result little serious study has been devoted to the director Meticulously researched and enhanced by Kremer's close relationship with the filmmaker this definitive biography captures the highs and lows of an exceptional but underexamined career taking readers behind the scenes with a director who was often ahead of his time **Tin House Special 50th Issue** Win McCormack, Rob Spillman, Lee Montgomery, 2014-05-27 *Tin House* is a beautifully designed periodical that features the best writers of our time alongside a new generation of talent poised to become the most important voices of the future For the special 50th issue *Tin House* has some fun with the idea of beauty providing personal takes on what is beautiful The issue showcases fiction poetry and nonfiction that confront the notions of beauty across cultures economic strata genders and races What is beauty What is art Think of Francis Bacon There is no excellent beauty that hath not some strangeness in the proportion This new issue also includes pieces that look into the marketing of beauty and how notions of beauty are used to create celebrity and at the same time to marginalize and exclude Content includes unique departments such as *Lost and Found* in which writers review overlooked or underrated books and *Blithe Spirits* and *Readable Feast* which present tales and recipes for drinks and food in a literary way *New York Magazine*, 1975-09-22 *New York magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an

idea     *Chick Lit and Postfeminism* Stephanie Harzewski, 2011-02-09 Originally a euphemism for Princeton University's Female Literary Tradition course in the 1980s chick lit mutated from a movement in American women's avant garde fiction in the 1990s to become by the turn of the century a humorous subset of women's literature journalism and advice manuals Stephanie Harzewski examines such best sellers as Bridget Jones's Diary The Devil Wears Prada and Sex and the City as urban appropriations of and departures from the narrative traditions of the novel of manners the popular romance and the bildungsroman Further Harzewski uses chick lit as a lens through which to view gender relations in U S and British society in the 1990s Chick Lit and Postfeminism is the first sustained historicization of this major pop cultural phenomenon and Harzewski successfully demonstrates how chick lit and the critical study of it yield social observations on upheavals in Anglo American marriage and education patterns heterosexual rituals feminism and postmodern values     *Roy Scheider* Diane C. *Mating Trade* Robert Mullan,2022-02-23 Are marriages made in heaven In reality many people need a little help in the  
arrangement of such matters whether from Jewish shadkhans matchmakers go between computer or video dating agencies  
marriage bureaux Asian arranged marriages gay dating agencies or personal ads Originally published in 1984 the author s  
clear sighted look at the mating trade takes some of the mystique away from the subject and is the first serious and detailed  
account of the third party in marriage Dr Mullan looks at the singles scene and the arranged marriage historically and cross  
culturally and makes it clear that there is nothing necessarily odd or deviant about the mating trade It is a business like any  
other and as long as people continue to want perfect partners marriage permanent relationships dates and sex and while  
evolving social structures make such demands ever more difficult to meet the business will thrive It could even expand and  
grow but the author believes that first it will have to clean up its act      **Catalog of Copyright Entries** Library of Congress.
