**Faith Hope Reindeer** A heartwarming Christian fantasy that will have the reader laughing, crying with joy, and mesmerized in the land of Santa Claus and his helpers. The second book in The Santa Claus Trilogy is an inspirational story that puts a significant emphasis on the true meaning of Christmas and how the North Pole relates its events to the birth of Jesus. Everyone loses faith and hope from time to time. This is the story about good-hearted families who have done unselfish things in their lives but had life events go badly for them. They begin to lose confidence and belief in themselves. Santa invites them to the North Pole without them knowing what their actual final destination is. Once there, Santa restores their faith, hope, and trust with a booster shot of love and magic that will change their lives forever. **Discussions with the Author: What is The Santa Claus Trilogy?** This is a three-part series that is a family read for everyone from preteen kids reading chapter books to the eldest great-grandparent. It answers a great many mysteries and legends about Santa Claus while entertaining the reader with imaginative fantasies and real events of the world. Is it only about Christmas? **Faith Hope Reindeer** is the second in The Santa Claus Trilogy and is the only book in the three that takes place entirely during Christmas. The other novels span the entire year or years. Then again, a little Christmas throughout the year is not a bad thing in my opinion. **What is the order of the books?** **Believe Again: The North Pole Chronicles** is the first book in the series. **Faith Hope Reindeer** is the second in the series. **Glaciers Melt and Mountains Smoke** is the third in the series. Also related: **The Faces of Krampus**, which is the story of Black Peter, the assistant to St. Nicholas. **Aeon Millennium: The Time Traveling Elf** is set to be released in Fall 2018. Can readers get the whole series in one bundle? You may purchase **The Santa Claus Trilogy** as a collection containing all three books in the box set. So why should readers give these books a try? **Faith Hope Reindeer** has been called an enchanting, heartwarming, inspirational, and too many more great comments to list here. It has been referred to as a future Hallmark Hall of Fame movie because it evokes such warm and wonderful emotions. If you would like to experience genuine magic in your life,

then you are invited to jump on board and discover a place you only dreamed of before This is a wonderful addition for teachers and home schooling to add to their reading list **CMJ New Music Report** ,2002-06-17 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success
