Long Shadow Of Little Rock A Memoir

Scott W. Stern

Long Shadow Of Little Rock A Memoir:

The Long Shadow of Little Rock Daisy Bates, 2007-02-01 At an event honoring Daisy Bates as 1990 s Distinguished Citizen then governor Bill Clinton called her the most distinguished Arkansas citizen of all time Her classic account of the 1957 Little Rock School Crisis The Long Shadow of Little Rock couldn t be found on most bookstore shelves in 1962 and was banned throughout the South In 1988 after the University of Arkansas Press reprinted it it won an American Book Award On September 3 1957 Gov Orval Faubus called out the National Guard to surround all white Central High School and prevent the entry of nine black students challenging the Supreme Court s 1954 order to integrate all public schools On September 25 Daisy Bates an official of the NAACP in Arkansas led the nine children into the school with the help of federal troops sent by President Eisenhower the first time in eighty one years that a president had dispatched troops to the South to protect the constitutional rights of black Americans This new edition of Bates s own story about these historic events is being issued to coincide with the fiftieth anniversary of the Little Rock School crisis in 2007

The Long Shadow of Little Rock: A Memoir ,1987 **The Little Rock Crisis** R. Perry, 2015-05-06 The Little Rock Crisis frames the story of the Little Rock 1957 desegregation crisis through the lens of memory Over time those memories individual and collective have motivated Little Rockians for social and political action and engagement Fearless Speech Mary Anne Franks, 2024-10-15 A powerful debunking of First Amendment orthodoxy that critiques reckless speech which endangers vulnerable groups and elevates fearless speech which seeks to advance equality and democracy Freedom of speech has never been more important or more controversial From debates about what s permissible on social media to the politics of campus speakers and corporate advertisements the First Amendment is incessantly in the news and constantly being held up as the fundamental principle of American democracy Yet in reality it has contributed more to eroding our democracy than supporting it In Fearless Speech Dr Mary Anne Franks emphasizes the distinction between what speech a democratic society should protect and what speech a democratic society should promote While the First Amendment in theory is politically neutral in practice it has been legally deployed most visibly and effectively to promote powerful antidemocratic interests misogyny racism religious zealotry and corporate self interest in other words reckless speech Instead Franks argues we need to focus on fearless speech speakers who have risked their safety their reputations and in some cases their lives to call out injustice and hold the powerful accountable Whether it be civil rights leaders the women of the MeToo movement or pro choice advocates Franks shows us how their cases and their voices can allow us to promote a more democratic version of free speech Told through an accessible narrative and ending with a call for change that urges us to reevaluate the legal precedents and uses of the First Amendment Fearless Speech is a revelatory new argument that urges us to reimagine what our society could look like

Daisy Bates Grif Stockley, 2009-09-18 A biography of the courageous mentor to the Little Rock Nine **The Crisis** ,1962-11 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history

politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **The New South, 1945-1980** Numan V. Bartley,1995 First published in 1955 to wide acclaim T Harry Williams P G T Beauregard is universally regarded as the first authoritative portrait of the Confederacy s always dramatic often perplexing general Chicago Tribune Chivalric arrogant and of exotic Creole Louisiana origin Beauregard participated in every phase of the Civil War from its beginning to its end He rigidly adhered to principles of war derived from his studies of Jomini and Napoleon and yet many of his battle plans were rejected by his superiors who regarded him as excitable unreliable and contentious After the war Beauregard was almost the only prominent Confederate general who adapted successfully to the New South running railroads and later supervising the notorious Louisiana Lottery This paradox of a man who fought gallantly to defend the Old South and then helped industrialize it is the fascinating subject of Williams superb biography *Arkansas, Arkansas Volume 1* John C. Guilds,1999-07-01 From the expeditions of de Soto in the sixteenth century to the celebrated work of such contemporary writers as Maya Angelou Ellen Gilchrist and Miller Williams Arkansas has enjoyed a rich history of letters These two volumes gather the best work from Arkansas s rich literary history celebrating the variety of its voices and the national treasure those voices have become

A History of African-American Leadership John White,Bruce J. Dierenfield,2014-06-11 The story of black emancipation is one of the most dramatic themes of American history covering racism murder poverty and extreme heroism Figures such as Malcolm X and Martin Luther King are the demigods of the freedom movements both film and household figures This major text explores the African American experience of the twentieth century with particular reference to six outstanding race leaders Their philosophies and strategies for racial advancement are compared and set against the historical framework and constraints within which they functioned The book also examines the grass roots of black protest movements in America paying particular attention to the major civil rights organizations as well as black separatist groups such as the Nation of Islam *There Is a Deep Brooding in Arkansas* Scott W. Stern,2025-01-28 A sweeping study of sexual assault trials in the Jim Crow South detailing the racial and economic inequities of rape law and the resistance of ordinary women In the early years of the twentieth century Mississippi County Arkansas was a brutal and profitable place Home to starving landless farmers the county produced almost 2 percent of the entire world s cotton It was also the site of two rape trials that made national headlines an accusation that sent two Black men almost certainly innocent to death row and the case of two white men almost certainly guilty who were likewise sentenced to death but who would ultimately face a very different fate Braiding together these stories Scott W Stern examines how the Jim Crow legal system relied on selectively prosecuting rape to uphold the racial gender and economic hierarchies of the segregated unequal South But as much as rape law was a site of

oppression it was also Stern shows an arena of fierce resistance Based on deep archival research this kaleidoscopic narrative includes new information about the early career of Thurgood Marshall who called one of the Mississippi County trials worse than any we have had as yet and the anti rape activism of Maya Angelou who came of age in Arkansas and whose decision to write about her own sexual assault helped shape a burgeoning movement [Gunfight](#) Adam Winkler,2011-09-12 A provocative history that reveals how guns not abortion race or religion are at the heart of America s cultural divide Gunfight is a timely work examining America s four centuries long political battle over gun control and the right to bear arms In this definitive and provocative history Adam Winkler reveals how guns not abortion race or religion are at the heart of America s cultural divide Using the landmark 2008 case District of Columbia v Heller which invalidated a law banning handguns in the nation s capital as a springboard Winkler brilliantly weaves together the dramatic stories of gun rights advocates and gun control lobbyists providing often unexpected insights into the venomous debate that now cleaves our nation **Julian Bond's Time to Teach** Julian Bond,2021-01-12 A masterclass in the civil rights movement from one of the legendary activists who led it Compiled from his original lecture notes Julian Bond s Time to Teach brings his invaluable teachings to a new generation of readers and provides a necessary toolkit for today s activists in the era of Black Lives Matter and MeToo Julian Bond sought to dismantle the perception of the civil rights movement as a peaceful and respectable protest that quickly garnered widespread support Through his lectures Bond detailed the ground shaking disruption the movement caused its immense unpopularity at the time and the bravery of activists some very young who chose to disturb order to pursue justice Beginning with the movement s origins in the early twentieth century Bond tackles key events such as the Montgomery bus boycott the Little Rock Nine Freedom Rides sit ins Mississippi voter registration the Sixteenth Street Baptist Church Bombing the March on Washington the Civil Rights Act Freedom Summer and Selma He explains the youth activism community ties and strategizing required to build strenuous and successful movements With these firsthand accounts of the civil rights movement and original photos from Danny Lyon Julian Bond s Time to Teach makes history come alive [Black Heroes: A Black History Book for Kids](#) Arlisha Norwood,2025-06-17 Meet extraordinary black heroes throughout history biographies for kids ages 8 to 12 You re invited to meet ancient Egyptian rulers brilliant scientists legendary musicians and civil rights activists all in the same book Black Heroes introduces you to 51 black leaders and role models from both history and modern times This black history book for kids features inspirational biographies of trailblazers from the United States Egypt Britain and more Discover where in the world they lived and what their lives were like growing up Learn about the obstacles they faced on the way to making groundbreaking accomplishments You ll find out how these inspirational figures created lasting change and paved the way for future generations Black Heroes A Black History Book for Kids features Fascinating biographies Read about famous icons like Dr Martin Luther King Jr and Harriet Tubman as well as lesser known pioneers like aviator Bessie Coleman and astronomer Benjamin Banneker Ways to learn more Every biography

includes an idea for a new way to explore the person and their work like a book to read website to visit or video to watch
Colorful portraits Bring the historical heroes to life in your imagination with the help of full color illustrations Black Heroes
goes beyond other black history biographies for kids to highlight people from around the world and across time Who will your
new hero be

Human Rights Law and the Marginalized Other William Paul Simmons, 2011-09-26 This is a
groundbreaking application of contemporary philosophy to human rights law that proposes significant innovations for the
progressive development of human rights Drawing on the works of prominent philosophers of the Other including Emmanuel
Levinas Gayatri Chakravorty Spivak Judith Butler and most centrally the Argentine philosopher of liberation Enrique Dussel
this book develops an ethics based on concrete face to face relationships with the Marginalized Other It proposes that this
should inspire a human rights law that is grounded in transcendental justice and framed from the perspective of marginalized
groups This would continuously deconstruct the original violence found in all human rights treaties and tribunals and
promote preferential treatment for the marginalized It would be especially attentive to such issues as access to justice voice
representation agency and responsibility This differs markedly from more conventional theories that prioritize the autonomy
of the ego state sovereignty democracy and or equality

NAACP Youth and the Fight for Black Freedom, 1936-1965
Thomas Bynum, 2013-08-30 Historical studies of black youth activism have until now focused almost exclusively on the
activities of the Congress of Racial Equality CORE and the Student Nonviolent Coordinating Committee SNCC However the
NAACP youth councils and college chapters predate both of those organizations They initiated grassroots organizing efforts
and nonviolent direct action tactics as early as the 1930s and in doing so made significant contributions to the struggle for
racial equality in the United States This deeply researched book breaks new ground in an important and compelling area of
study Thomas Bynum carefully examines the activism of the NAACP youth and effectively refutes the perception of the
NAACP as working strictly through the courts His research illuminates the many direct action activities undertaken by the
young people of the NAACP activities that helped precipitate the breakdown of racial discrimination and segregation in
America Beginning with the formal organization of the NAACP youth movement under Juanita Jackson the author traces the
group's activities from their early anti lynching demonstrations through their post World War II withholding patronage
campaigns to their participation in the sit in protests of the 1960s He also explores the evolution of the youth councils and
college chapters including their sometime rocky relationship with the national office and shows how these groups actually
provided a framework for the emergence of youth activism within CORE and SNCC The author provides a comprehensive
account of the generational struggle for racial equality capturing the successes failures and challenges the NAACP youth
groups experienced at the national state and local levels He firmly establishes the vital role they played in the history of the
civil rights movement in the United States and in the burgeoning tradition of youth activism in the postwar decades

The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the

20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

A Companion to American Women's History Nancy A. Hewitt, 2008-04-15 This collection of twenty four original essays by leading scholars in American women s history highlights the most recent important scholarship on the key debates and future directions of this popular and contemporary field Covers the breadth of American Women s history including the colonial family marriage health sexuality education immigration work consumer culture and feminism Surveys and evaluates the best scholarship on every important era and topic Includes expanded bibliography of titles to guide further research

At the Dark End of the Street Danielle L. McGuire, 2010-09-07 Here is the courageous groundbreaking story of Rosa Parks and Recy Taylor a story that reinterprets the history of America s civil rights movement in terms of the sexual violence committed against Black women by white men An important step to finally facing the terrible legacies of race and gender in this country The Washington Post Rosa Parks was often described as a sweet and reticent elderly woman whose tired feet caused her to defy segregation on Montgomery s city buses and whose supposedly solitary spontaneous act sparked the 1955 bus boycott that gave birth to the civil rights movement The truth of who Rosa Parks was and what really lay beneath the 1955 boycott is far different from anything previously written In this groundbreaking and important book Danielle McGuire writes about the rape in 1944 of a twenty four year old mother and sharecropper Recy Taylor who strolled toward home after an evening of singing and praying at the Rock Hill Holiness Church in Abbeville Alabama Seven white men armed with knives and shotguns ordered the young woman into their green Chevrolet raped her and left her for dead The president of the local NAACP branch office sent his best investigator and organizer Rosa Parks to Abbeville In taking on this case Parks launched a movement that exposed a ritualized history of sexual assault against Black women and added fire to the growing call for change

Southern Black Women in the Modern Civil Rights Movement Bruce A. Glasrud, Merline Pitre, 2013-03-28 Throughout the South black women were crucial to the Civil Rights Movement serving as grassroots and organizational leaders They protested participated sat in mobilized created energized led particular efforts and served as bridge builders to the rest of the community Ignored at the time by white politicians and the media alike with few exceptions they worked behind the scenes to effect the changes all in the movement sought Until relatively recently historians too have largely ignored their efforts Although African American women mobili

Women in American History Peg A. Lamphier, Rosanne Welch, 2017-01-23 This four volume set documents the complexity and richness of women s contributions to American history and culture empowering all students by demonstrating a more

populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America s history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter
