Long Shot For Paul:

Long Shot for Paul Matt Christopher,1990-09-04 Glenn Marlett is determined to make his brother Paul who is developmentally disabled a decent basketball player *Long Shot* Chris Paul,2009-09-22 A true story of inspiration from NBA All Star Paul Long Shot follows young Chris who loves basketball more than anything but is told he is too short to play the game Full color **Long Shot for Paul** Matt Christopher,1990-08-01 A retarded boy is taught coordination and how to make friends when his brother instructs him in playing basketball **The Decline of Sentiment** Lea Jacobs,2008-04-02 Seeking to characterise the radical shifts in taste that changed American life in the Jazz Age Jacob documents the films and film genres that were considered old fashioned as well as those considered more innovative and looks closely at the work of Erich von Stroheim Charlie Chaplin Ernst Lubitsch Monta Bell and others *Michael Haneke's Cinema* Catherine Wheatley,2009 Abstract **Tiltwallism** Jeffrey Blaine Brown,The Images Publishing Group,2014-07-09 Written by Jeffrey Brown AIA Tiltwallism is designed to be an introductory resource to architects and an inspiration to contractors developers and structural consultants who have encountered the technology of Tilt Wall construction The vast amount of trade and technical information available on the subject is interpreted in a formal treatment for the first time on a subject at the forefront of the architectural role in an era of lowered construction costs Brown provides a full synthetic treatment of Tilt Wall construction by laying out the design opportunities in engaging in the architectural exploration of a low technology low cost form of construction He explains its history methodology and relationship to current architectural approaches to meaning Brown writes in a balanced style targeted at both architects and academics that will also be accessible to non architects and allied professionals The title is richly illustrated in an effort to be useful to the many ancillary professions such as contractors developers and real estate brokers who are driving this increasingly prevalent approach to investment architecture *The Prison of Time* Elisa Pezzotta,2022-08-25 We are imprisoned in circadian rhythms as well as in our life reviews that follow chronological and causal links For the majority of us our lives are vectors directed toward aims that we strive to reach and delimited by our birth and death Nevertheless we can still experience fleeting moments during which we forget the past and the future as well as the very flow of time During these intense emotions we burst out laughing or crying or we scream with pleasure or we are mesmerized by a work of art or just by eyes staring at us Similarly when we watch a film the screening time has a well defined beginning and end and screening and diegetic time and their relations together with narrative and stylistic techniques determine a time within the time of our life with its own rules and exceptions Through the close analysis of Stanley Kubrick s Adrian Lyne s Michael Bay s and Quentin Tarantino s oeuvres this book discusses the overall dominating time of their films and the moments during which this ruling time is disrupted and we momentarily forget the run toward the diegetic future suspense or the past curiosity and surprise It is in these very moments as well as in our own lives that the prison of time through which the film is constructed and that is constructed by the film itself crumbles

displaying our role as spectators our deepest relations with the film The Best of C. M. Kornbluth Cyril M. Kornbluth, 2022-08-16 Cyril M Kornbluth's *The Best of C M Kornbluth* serves as a compelling anthology that encapsulates the author's unique contributions to the science fiction genre. With a blend of dark satire and incisive social commentary, these stories reflect the anxieties and aspirations of mid 20th century America. Kornbluth's prose is notable for its sharp wit and deeply human concerns, often exploring themes such as corporate control, technological dystopia, and the ramifications of societal progress. This collection presents a rich tapestry of narratives that challenge conventional norms, inviting readers to ponder the ethical implications of innovation and the future of humanity. Kornbluth, a prominent figure in the Golden Age of Science Fiction, drew upon his experiences working in advertising and his keen observations of societal dynamics to create his impactful narratives. His collaborations with other notable writers, along with his ability to merge humor with unsettling truths, have cemented his place in literary history. Born in 1923, Kornbluth's upbringing in a politically aware family further influenced his critical worldview, allowing him to weave complex ideas into engrossing tales. Readers seeking a thought-provoking exploration of human nature and societal evolution will find *The Best of C M Kornbluth* an essential addition to their literary repertoire. This anthology not only showcases Kornbluth's distinctive voice but also serves as a mirror reflecting our contemporary fears and ambitions. For fans of speculative fiction and those curious about the intersections of technology and humanity, Kornbluth's works remain as relevant today as they were upon their first publication. **Delivered from Distraction** Edward M. Hallowell, M.D., John J. Ratey, M.D., 2005-12-27 If you read only one book about attention deficit disorder, it should be *Delivered from Distraction*. Michael Thompson, Ph.D., New York Times bestselling co-author of *Raising Cain*. In 1994, *Driven to Distraction* sparked a revolution in our understanding of attention deficit disorder. Widely recognized as the classic in the field, the book has sold more than a million copies. Now, a second revolution is under way in the approach to ADD, and the news is great. Drug therapies, our understanding of the role of diet and exercise, even the way we define the disorder, all are changing radically. And doctors are realizing that millions of adults suffer from this condition, though the vast majority of them remain undiagnosed and untreated. In this new book, Drs. Edward M. Hallowell and John J. Ratey build on the breakthroughs of *Driven to Distraction* to offer a comprehensive and entirely up-to-date guide to living a successful life with ADD. As Hallowell and Ratey point out, attention deficit disorder is a highly misleading description of an intriguing kind of mind. Original, charismatic, energetic, often brilliant people with ADD have extraordinary talents and gifts embedded in their highly charged but easily distracted minds. Tailored expressly to ADD learning styles and attention spans, *Delivered from Distraction* provides accessible, engaging discussions of every aspect of the condition, from diagnosis to finding the proper treatment regime. Inside, you'll discover whether ADD runs in families, new diagnostic procedures, tests and evaluations, the links between ADD and other conditions, how people with ADD can free up their inner talents and strengths, the new drugs and how they work, and why they're not for everyone, exciting advances in nonpharmaceutical therapies, including changes in

diet exercise and lifestyle how to adapt the classic twelve step program to treat ADD sexual problems associated with ADD and how to resolve them strategies for dealing with procrastination clutter and chronic forgetfulness ADD is a trait a way of living in the world It only becomes a disorder when it impairs your life Featuring gripping profiles of patients with ADD who have triumphed *Delivered from Distraction* is a wise loving guide to releasing the positive energy that all people with ADD hold inside If you have ADD or care about someone who does this is the book you must read Praise for *Delivered from Distraction* The definitive source of information on attention deficit disorder Harold S Koplewicz M D director Child Study Center New York University School of Medicine A deeply wise and truly helpful book written with frankness humor and tremendous empathy Perri Klass M D co author of *Quirky Kids*
