Long Time No Leola:

Leola's Mountain Jack Jones,2006-08 The dying Leola watched the Air Force pilot whom Anna loved and could never have take her hand and lead her into the living room She had never seen a more beautiful scene Anna s dress sheen of white molded to the curves of her body in a whispering shuffle as they danced to the soft music Who could have known that the ten year old motherless freckle faced skinny child she had taken as her own would grow to have such beauty and poise What a bonus for her to have character leading her to love and nurse those old war veterans under her care Whether she was the tomboy in overalls repairing a roof or visiting an old man at his whiskey still there was always the woman a woman unlike any other Here was the prize of Leola s Mountain always caring educated with funds furnished by a moonshiner and a carpet mill worker Whether in a white gown or a nurse s uniform it quietly proclaimed all the purity that was underneath She was a mountain gal She was Anna Beam Brutal and evil men came to harm her and Anna Could the old moonshiner and his misfit friends save them

Leola's Legacy Judith Kolva,2006-08 Leola s Legacy is a memoir of an ordinary woman with an extraordinary story Her story is a gift that will appreciate over time Like the sea it ebbs and flows with primal rhythms It is lessons shared tears dried joys savored and laughter that rings across generations Some flash lightning for a brief moment and are soon forgotten Others leave a lasting endearing glow Through her story Leola s legacy a legacy of unconditional love will live forever

[Reflections, Memories and Stories of the Life of Ron Schwartz](#) Ron Schwartz - Traveler Extraordinaire,2025-10-01 A journey all over the world connected with the most amazing life achievements The discovery paths have taken me to create my own personal journey and life purpose Through challenge

and self discovery I went from a sleepy little town in California to live and work in cities and towns all over the world where I met people from different intersectionalities and sociocultural identities to the founding of a program that allowed me to use my newly discovered talents As a transformational leader I dedicated my life to educating and managing talent with a purpose The intrinsic motivation came from my travels and journey of self improvement and growth from the warmth of Kingsburg California to the impactful cross cultural communicator globally The Long and Winding Road Lionel B. Harris,2013-10-25 According to biblical doctrine God first created people in the universe with a hierarchy of holy angels with the highest order being identified as cherubim One of them who was anointed and perhaps the most elitist cherub amongst them knew he was created beautiful and perfect in his ways Alternately with pride and arrogance at the forefront that same being became the supreme architect and advocate for sin evil and untold suffering Henceforth the diabolical Satan was loosed upon the world Tragically from time to time beauty is in the fabled beast Handsome man and beautiful women may be pleasing to the eyes and their good looks may even grant them unearned favor but their inner nature is a virtual mystery They might be evil incarnated Meanwhile the not so attractive individuals are oftentimes ignored and generally devalued all dependent upon the beholder But possibly the inner core of that select person could render him or her almost angelic like Lifes long and winding road is lined with so called beautiful and so called unattractive people However through faith and Gods grace and not the naked eye the lonely traveler may be able to distinguish which is which And thatll make lifes journey worthwhile All too often a young man fathers a child and assumes that that in itself validates his manhood Initially as a new dad he might even feel that all is right with the new world and his future looms bright In many cases its a heartfelt euphoria that defies description However when the novelty wears off and reality returns a rather lengthy journey commences To the mothers credit and merit she usually accompanies her offspring on lifes long and winding road but far too frequently the once proud father falters or completely vanishes along the way Arguably so its serious and impactuous tragedy for the mother the absentee father the child and sometimes the world at large The good news is this however One size fits all meager gloomy or dire it might be does not necessarily dictate their impending future Through their own resilience paired with a burning desire to overcome their childhoods deficiencies they alternately walk a pathway less hazardous And sometimes when sincere loved ones step forward it renders lifes journey well worthwhile and almost superlative And thats a road well worth embarking upon **Supreme Discomfort** Kevin Merida,Michael Fletcher,2008-04-08 An impeccably researched and probing biography invaluable for any understanding of the courts most controversial figure The New York Times Book Review A sweeping compelling portrait of Supreme Court justice Clarence Thomas and an unflinching look at success and race in America Kirkus Reviews starred review from two Washington Post journalists There is no more powerful detested misunderstood African American in our public life than Clarence Thomas Supreme Discomfort is a haunting account of an isolated and complex man savagely reviled by much of the Black community not yet entirely comfortable in white

society internally wounded by his passage from a broken family and rural poverty in Georgia to elite educational institutions and finally to the pinnacle of judicial power His staunchly conservative positions on crime abortion and especially affirmative action have exposed him to charges of heartlessness and hypocrisy Supreme Discomfort is a superbly researched and reported work that features testimony from friends and foes alike who have never spoken in public about Thomas before including a candid conversation with his fellow justice and ideological ally Antonin Scalia It offers a long overdue window into a man who straddles two different worlds and is uneasy in both and whose divided personality and conservative political philosophy will deeply influence American life for years to come *Dory's "Oh My God!" Stories* D. J. Desai,2009-08 **'Til All These Things Be Done** Suzanne Moyers,2025-07-30 Set against the rich but often troubled history of Blacklands Texas during an era of pandemic scientific discovery and social upheaval the novel offers a unique yet eerily familiar backdrop to a universal tale of triumphing over loss Even as dementia clouds other memories eighty three year old Leola can t forget her father s disappearance when she was sixteen Now as Papa appears in haunting visions Leola relives the circumstances of that loss the terrible accident that steals Papa s livelihood sending the family deeper into poverty a scandal from Mama s past that still wounds and Leola s growing unease with her brutally bigoted society When Papa vanishes while seeking work in Houston and Mama dies in the boomerang Influenza outbreak of 1919 Leola and her young sisters are sent to an orphanage where her exposure of a dark injustice means sacrificing a vital clue to Papa s whereabouts That decision echoes into the future as new details about his disappearance suggest betrayal too painful to contemplate Only in old age as her visions of Papa grow more realistic does Leola confront her long buried grief leading to a remarkable family discovery that could offer peace at last *Altered Egos* H. Heaberlin,2005-02 The old woman stirred and with reluctance raised her head saying I can tell you this as she strained to sit up straight The man with you now will always serve you well There is another a flamboyant person in much distress who will come to you very shortly who will prove to be invaluable She paused to take some more breaths before continuing There is yet another a very powerful soul a male who is now a child As an adolescent he will come to you seeking information and again as a young man seeking guidance These people are your family you are soul mates and as a group you will be a remarkable force With that said Charlene again slumped back into her chair In *Altered Egos* four unique individuals join forces for an exciting adventure into the realm of the paranormal Introducing Leola an exceptional psychic and intellectual who has raised herself since she was a child Claude the gentle giant and faithful friend Zah the flamboyant former barmaid whose gender is sometimes difficult to define Wesley the handsome virile yet troubled young man who can hear what people are thinking *Rock Island Employees' Magazine* ,1925 **Journeys of a Lifetime** National Geographic,2015-05-06 This lavish volume reveals National Geographic s top picks for the world s most fabulous journeys along with practical tips for your own travels Compiled from the favorite trips of National Geographic s travel writers this inspirational book spans the globe to highlight the best of the world s most famous and lesser known sojourns It presents an

A Boy Called Kid Thelma Inman, 2019-03-22 Tom resented her already and when she began to spank his little sister that was just too much He was at the table and picked up a butcher knife and then he turned and ran out the door She hollered You just wait until your papa gets home Tom knew he was in serious trouble He started crying and running He didn t know where he was going only he knew he couldn t go back He ran and cried until he came to their church building He crawled under the building and started

crying again He must have cried himself to sleep because the next thing he heard was someone calling his name He heard his papa say Just wait until I get hold of that kid Tom lay real still until he couldn t hear them anymore It was pitch dark and he was so scared and didn t know what to do Every noise he heard he thought something was after him so he crawled out and started running He cried and ran all night on a dirt road with no shoes or shirt Then he looked up to see this man coming toward him He had a star on his shirt He came up beside him and said Howdy son have you ran away from home What is your name Tom knew better than to give his real name About that time a man came up and spoke to the lawman He said No he is with me
