Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1972 **Long Time Gone** Alexander Bloom,2001-05-03 With remarkable speed the Sixties have gone from lived history to mythology They remain alive in our culture in a manner different from any previous era At the dawn of a new century we are still debating the issues that emerged during that decade still living in the conscious aftermath of its events and transformations This collection looks back at the Sixties attempting to understand the issues of the day on their own terms and to think about their meanings in today s world Alexander Bloom has gathered ten original essays each of which explores the gulf between history and myth regarding a central characteristic of the Sixties Topics covered include civil rights the student movement and the New Left the Vietnam War the antiwar movement gay rights the counterculture and the women s movement Long Time Gone dispels myths about the Sixties and constructs an accurate vision of the past and an understanding of its impact on the modern world It is an invaluable resource for anyone seeking deeper knowledge of this incredible decade and its continuing influence on American culture

Bombardment, Public Safety and Resilience in English Coastal Communities during the First World War Michael Reeve,2022-01-01 This book makes the case for a unique coastal urban experience of war on the home front during the First World War focusing on case studies from the north east of England The use of case studies from this region problematises an often assumed national or generalised experience of civilian life during the war by shifting the frame of analysis away from the metropolis This book begins with chapters related to wartime resilience including analysis of pre war fear of invasion and bombardment and government policy on public safety It then moves on to a discussion of power relations and the local implementation of policy related to bombardment including policing Finally the book explores the coastal urban environment focusing on depictions of war damage in popular culture and the wartime and post war commemoration of civilian bombardment This work provides a multi faceted perspective on civilian resilience while responding to a recent call for new histories of the coastal zone

Encyclopedia of Beat Literature Kurt Hemmer,2010-05-12 Discusses the literary works and great authors of the Beat Generation **The Presidents and the Pastime** Curt Smith,2018-06 The Presidents and the Pastime draws on Curt Smith s extensive background as a former White House presidential speechwriter to chronicle the historic relationship between baseball the most American sport and the U S presidency Smith who USA TODAY calls America s voice of authority on baseball broadcasting starts before America s birth when would be presidents played baseball antecedents He charts how baseball cemented its reputation as America s pastime in the nineteenth century such presidents as Lincoln and Johnson playing town ball or giving employees time off to watch Smith tracks every U S president from Theodore Roosevelt to Donald Trump each chapter filled with anecdotes Wilson buoyed by baseball after suffering disability a heroic FDR saving baseball in World War II Carter taught the game by his mother Lillian Reagan airing baseball on radio that he never saw by re creation George H W Bush for whom Smith wrote explains Baseball has everything Smith having

interviewed a majority of presidents since Richard Nixon shares personal stories on each Throughout The Presidents and the Pastime provides a riveting narrative of how America's leaders have treated baseball From Taft as the first president to throw the first pitch on Opening Day in 1910 to Obama's Go Sox scrawled in the guest register at the National Baseball Hall of Fame in 2014 our presidents have deemed it the quintessentially American sport enriching both their office and the nation

E-teaching History Joanna Wojdon,2016-02-08 Incorporating Information and Communication Technology tools into the teaching and learning of history has become a common practice worldwide It is no longer a question of if but of how to introduce it in the classroom in order to make history education more effective and enjoyable This book gathers the experiences and reflections of researchers from three continents based on their own activities and on empirical studies The contributions concentrate on videogames related to the past history e textbooks and applications for mobile devices with historical content Some texts deal explicitly with global phenomena such as the Assassin's Creed or Colonization games some present materials developed for the international market such as a European e textbook or mobile phone applications while others concentrate on local experiences such as a Chinese e schoolbag a Swiss tablet application Polish and Estonian e textbooks or English teacher training The book is a result and a reinforcement of the belief that history educators can benefit from the lessons learnt in other places of the globalising world *Swallowdale* Arthur Ransome,2022-08-16 DigiCat
