during the middle of World War II As Carolyn grappled with designing the font she decided to have one of Marcel s letters translated Reading it opened a portal to a different time and what began as mere curiosity quickly became an obsession with finding out why the letter writer Marcel Heuz had been in Berlin how his letters came to be on sale in a store halfway around the world and most importantly whether he ever returned to his beloved wife and daughters after the war Marcel s Letters is the incredible story of Carolyn s increasingly desperate search to uncover the mystery of one man s fate during WWII seeking answers across Germany France and the United States Simultaneously she continues to work on what would become the acclaimed P22 Marcel font immortalizing the man and his letters that waited almost seventy years to be reunited with his family Cowboy of The Road: True Stories of His Survival Valerie M. Pontbriand,2021-02-28 Childhood or wildhood This collection of stories begins with a young boy whose cleverness ability and determination are more in line with an adult rather than the curious minded six year old that we are introduced to in the first story Normal was never to be a part of Marcel Pontbriand s life Orphaned at the tender young age of 14 and with only pennies to his name you ll read about how he took to the ice roads of Canada and met with fear tragedy and obstacles that only few could even imagine Challenge defeat and the curses of Mother Nature would forge the young Marcel into a focused dreamer who would plan re examine his situation and promise himself a better life all the while pledging to help others along the way Just like the highways of Canada and the U S A it s never a straight path to meet a timeline and a destination These stories will take you on an adventure of one man s life that was intertwined with controversy crime and corruption It s been a truckin hard life for Marcel Pontbriand a life that he would not change in the least because it molded him into what he became to be called Cowboy of the Road He has driven more than 5 million miles behind the wheel of his Peterbilt rig So let us begin this incredible collection of true tales right now

The Power of Fate Gisele G. Barbosa,2007-02 This is the story of the irresistible chemistry of Destiny and the love of a man and a woman a bond they could not understand a journey they never suspected Who will win Fate or Family Their story is the continuance of one begun four hundred years before at the crossroad of Fate But today Marcel and Monique must struggle to realize the fruits of their powerful feelings **The Heart and Soul of Marcellea** Marcellea Dorsey,2018-08-19 This book is about being in love then having problems with it Until I found myself out of love And where do I go Where do I turn to next How was I going to make it through another day broken and with a heavy heart Sequentially I turned to GOD I was lost and GOD found me Where I felt like in many places I didn t belong JESUS claimed me I found myself having conversations with GOD And HE spoke back Helping me to find myself in HIM Seeing the world through HIS eyes That when it got to the end of this book as surely as the LORD lives I know who I am what my purpose is and why I am here I pray that those of you that read this book also find yourself and your GOD given purpose in life And if this book saves at least one soul praise and glory be to GOD in the name of JESUS let the REDEEMED say AMEN **Blessed Motherhood, Bitter Fruit** Elinor Accampo,2006-09-08 Nelly Roussel 1878 1922 the first feminist spokeswoman for birth control in Europe challenged

both the men of early twentieth century France who sought to preserve the status quo and the women who aimed to change it. She delivered her messages through public lectures, journalism, and theater, dazzling audiences with her beauty, intelligence, and disarming wit. She did so within the context of a national depopulation crisis caused by the confluence of low birth rates, the rise of international tensions, and the tragedy of the First World War. While her support spread across social classes, strong political resistance to her message revealed deeply conservative precepts about gender which were grounded in French identity itself. In this thoughtful and provocative study, Elinor Accampo follows Roussel's life from her youth, marriage, speaking career, motherhood, and political activism to her decline and death from tuberculosis in the years following World War I. She tells the story of a woman whose life and work spanned a historical moment when womanhood was being redefined by the acceptance of a woman's sexuality as distinct from her biological reproductive role, a development that is still causing controversy today.
