Longer Stories From The Last Decade:

Shelby Foote C. Stuart Chapman, 2006 A biography that plumbs the ambiguous life of the gentlemanly novelist and historian *Longer Stories from the Last Decade* Anton Pavlovich Chekhov, 1993 The short stories of Chekhov are an inexhaustible treasure of humanity and wisdom wrote Elizabeth Hardwick The whole of Russian life lies within them Some six hundred tales bear Chekhov's name not a few of which are the famous long short stories written during roughly the last decade of his brief life This volume gives us eleven of these in eminent translations by Constance Garnett and chosen by Shelby Foote Perhaps the most autobiographical is Three Years which offers a portrayal of mercantile greed and exploitation that was new to Russian literature The Duel is the story of Ivan Layevsky a self-styled St Petersburg Hamlet who filled with Tolstoyan ideas of a noble life of toil on the land escapes with another man's wife to the Caucasus The ensuing philosophical confrontations among the major characters clearly resemble those in Uncle Vanya And in the masterly Ward No 6 a doctor disgusted by the stupidity and misery of the world of normal men forms such a close relationship with an interesting lunatic that society declares the doctor a lunatic too and incarcerates him The story is devastatingly symbolic of the corruption and hopelessness in Russia toward the end of the autocracy Also included are The Black Monk An Anonymous Story A Woman's Kingdom The Wife In the Ravine Peasants The Murder and My Life Chekhov is not only a great writer but even rarer a liberating one said Susan Sontag Shelby Foote has provided an Introduction for this edition [Out of Print: Ten Years: An Anthology of Stories](#) Indira Chandrasekhar, 2024-07-03 About the book Out of Print in print A decade ago in 2010 Indira Chandrasekhar set up Out of Print to address a need she felt as a writer a focused platform for the short story a space for robust editorial discussions as well as one that would serve as a platform for discoveries of newer facets of the form itself and of new writing This commemorative volume hopes to capture something of that adventure It is thus not a best of volume but one that speaks to the spirit of the magazine its diversity of literary voices its openness to experimentation its focus on Indian language publishing and its stand against mediocrity Most crucially of course this is an ode to the short story form its art of brevity and honesty **The Best Short Stories of O. Henry** O. Henry, 2010-07-28 The more than 600 stories written by O Henry provided an embarrassment of riches for the compilers of this volume The final selection of the thirty-eight stories in this collection offers for the reader's delight those tales honored almost unanimously by anthologists and those that represent in variety and balance the best work of America's favorite storyteller They are tales in his most mellow humorous and ironic moods They give the full range and flavor of the man born William Sydney Porter but known throughout the world as O Henry one of the great masters of the short story **The Tragedies of Shakespeare** William Shakespeare, 2000-11-01 A collection of Shakespearean tragedies including the full texts of Titus Andronicus Romeo and Juliet Julius Caesar Macbeth Hamlet King Lear Othello and Antony and Cleopatra ROMEO AND JULIET One of the Bard's most popular plays Romeo and Juliet is both the quintessential account of young love and the cautionary tale of the tragedy that can occur when the forces

of passion and pride are at odds JULIUS CAESAR In this striking tragedy of political conflict Shakespeare turns to the ancient Roman world and to the famous assassination of Julius Caesar by his republican opponents MACBETH When a trio of witches foretell that Macbeth will become King of Scotland the brave general is consumed by ambition Encouraged by his wife to seize the throne their quest for power leads down a blood strewn path that ends in madness and death in this play that explores the consequences of guilt and corruption HAMLET One of the greatest plays of all time the compelling tragedy of the tormented young prince of Denmark continues to capture the imaginations of modern audiences worldwide Confronted with evidence that his uncle murdered his father and with his mother s infidelity Hamlet must find a means of reconciling his longing for oblivion with his duty as avenger Includes the following plays Troilus and Cressida Coriolanus Titus Andronicus Romeo and Juliet Timon of Athens Julius Caesar Macbeth Hamlet Prince of Denmark King Lear Othello the Moor of Venice Antony and Cleopatra Cymbeline Pericles Prince of Tyre *Decades of Terror 2021: 2000s Weird Movies* Steve

Hutchison,2023-02-23 Steve Hutchison reviews 100 amazing weird horror films from the 2000s Each film is analyzed and discussed with a synopsis and a rating The movies are ranked How many have you seen *The Souls of Black Folk* W.E.B. Du Bois,2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time The problem of the twentieth century is the problem of the color line Thus speaks W E B Du Bois in *The Souls Of Black Folk* one of the most prophetic and influential works in American literature In this eloquent collection of essays first published in 1903 Du Bois dares as no one has before to describe the magnitude of American racism and demand an end to it He draws on his own life for illustration from his early experiences teaching in the hills of Tennessee to the death of his infant son and his historic break with the conciliatory position of Booker T Washington Far ahead of its time *The Souls Of Black Folk* both anticipated and inspired much of the black conciousness and activism of the 1960 s and is a classic in the literature of civil rights The elegance of DuBois s prose and the passion of his message are as crucial today as they were upon the book s first publication

The Varieties of Religious Experience William James,2000-11-01 Selected by the Modern Library as one of the 100 best nonfiction books of all time *The Varieties of Religious Experience* is certainly the most notable of all books in the field of the psychology of religion and probably destined to be the most influential one written on religion in the twentieth century said Walter Houston Clark in *Psychology Today* The book was an immediate bestseller upon its publication in June 1902 Reflecting the pluralistic views of psychologist turned philosopher William James it posits that individual religious experiences rather than the tenets of organized religions form the backbone of religious life James s discussion of conversion repentance mysticism and hopes of reward and fears of punishment in the hereafter as well as his observations on the religious experiences of such diverse thinkers as Voltaire Whitman Emerson Luther Tolstoy and others all support his thesis James characteristic humor his ability to put down the pretentious and to be unpretentious and his willingness to take some risks in his choices of anecdotal data or provocative theories are all apparent in the book noted Professor Martin E Marry A

Queen of the Pulps Laurie Powers, 2019-09-26 Daisy Bacon the opinionated autocratic and complex editor of Love Story Magazine from 1928 to 1947 chose the stories that would be read by hundreds of thousands of readers each week The first weekly periodical

devoted to romance fiction and the biggest selling pulp fiction magazine in the early days of the Great Depression Love Story sparked a wave of imitators that dominated newsstands for more than twenty years Disparaged as a love pulp the magazine actually championed the modern girl bringing its heroines out of the shadows of Victorian poverty and into the 20th century With Love Story s success Bacon became a national spokesperson declaring that the modern woman could have it all in love in marriage and in the business world Yet Bacon herself struggled to achieve that ideal especially in her own romantic life built around a long term affair with a married man Drawing on exclusive access to her personal papers this first ever biography tells the story behind the woman who influenced millions of others to pursue independence in their careers and in their relationships

Stories of Four Decades Glenn Meeter,2009-09 A number of the stories in Glenn Meeter s Stories of Four Decades have been reprinted most frequently Hard Row and A Harvest but they all made their first appearance in publications as diverse as The Atlantic Monthly Redbook Epoch The Literary Review and The Reformed Journal Each story has its own individual appeal Each has its own style theme mood its own plot and setting and its own cast of characters who come fully to life only within its boundaries Even Peter Heitz in The Oppressor has different problems and preoccupations from the slightly older character with the same name in The Convert But set with others in a collection that touches major points in life stories of Youth followed by those of Marriage and Parenthood and finally New Journeys each story takes on new dimensions Together they form a tableau of life in the American Midwest and California a mid century Mecca for Midwesterners from the forties through the seventies One thinks of the slow clank clank of tire chains on mall town winter streets in the first story the visitors to Grandmother s house paying Chicago tolls in the last and in between Lost Angeles freeways and South Dakota gravel roads Another dimension is as ancient as Joseph in Egypt the clash of rural and village culture with urban modernity Some characters need to break away from the village culture faith family community some lose it and re create it Some seek it out All need to re interpret it And all struggle to maintain and pass on some aspects of that culture if only the awed thankfulness of the traveler in A Harvest who exclaims about his own journey but my God what a delight just to travel through
