Her father's sudden death left her facing financial ruin. And when his business rival sawmill owner Kyle Grayson unwittingly puts her in a compromising position she is determined to save her honor the only way she can: marriage to a man she barely knows. *He Needed Her Love*. When Kyle Grayson accused his competitor Tom Drake of treachery he never imagined the man would die in his arms. Wracked with guilt he marries Amelia and vows to resurrect her father's lumberyard. Though hard and cynical when it comes to love he is all too aware of his desire for his beautiful wife, sensing her secret longing for his touch, her fear of his passion, and the unspoken secrets weighing down on their marriage. But will the searing truth deep in their heart hold the power of forgiveness and a chance for everlasting love? Hoping their marriage will bloom in this strange life, hundreds of miles from the east coast of India, he is entranced by Chanda Devi's fierce nature and unusual gifts: speaking to trees and the ghosts of former colonialists. These islands, she tells her adoring husband, rest on a faultline cracked so deep into the earth that spirits cross the boundary.

freely But it is not this fracture that takes a tragic bite out of their happiness With the family riven by heartbreak their maid takes the chance to resolve her own past mistakes Having abandoned her son many years before she now traces him to Myanmar only to find him in prison the enemy of a brutal regime The faultline she followed over the Indian Ocean now cuts north into Nepal where the prisoner s ally an itinerant drug dealer tries to rescue a young woman from the dancing bars of Kathmandu It shadows his footsteps into the Karakoram mountains where a scientist looks deep into the abyss between India and Pakistan It rises all the way to the snow deserts beyond the reach of nation or war where an elder of the village waits for the return of his true love bringing all their journeys full circle A breathtaking epic Latitudes of Longing possesses the reader with a blazing sense of wonder Shubhangi Swarup s vision goes deeper than the human stories of the subcontinent to reveal the conscious history of the earth itself Tender in every detail touched with humour and profound humanity this is a novel brimming with life an original masterpiece

**A Good Year On Belle Ile en Mer** Byron Lehman, Belle le en Mer is a placid jewel off the French coast in the Bay of Biscay Its rocky shores are said to be at times brutal yet surrounded by a brushed blue sea and a clear blue celestial canopy overhead The sandy beaches adorn it like sequins dashed along the fringes of a majestic robe It is neither costumed in opulence nor shrouded in poverty It is gentle and inviting It is a secret place and a place for privacy It is an island that listens and never speaks Its secrets are carried far by the winds and scattered among the swells beyond It is more than the common humble farms modest homes tranquil green pastures gentle sloops and rounded hilltops It is not the small clusters of houses huddled into bergs and villages quietly existing for the sake of trust fidelity and friendship It is all things in concert Like the face of beauty grace and elegance It is a confident smile amid the sea Some say the best things in life are the things not planned and the randomly unexpected Rich Larsen never knew of Belle le en Mer s existence until a few months before his arrival It is there he resides for the next year of his life That year will be like no year he will ever experience again It is far beyond the adventures of the past or the unseen ahead His heart will remain there forever
