Look At Me Look At Me:

Look at Me Mareike Krügel, 2018-02-26 Katharina's husband isn't coming home for the weekend again so she's on her own. When their chaotic daughter Helli has a nosebleed, Kat has to dash off to school to pick her up. Then their son Alex announces he's bringing his new girlfriend home for the first time. Kat's best friend from college is coming around tonight too and she's wondering if she should try to seduce him but first she needs to do the shopping, the vacuuming and the laundry. deal with an exploding clothes dryer, find their neighbour's severed thumb in the front yard and catch a couple of escaped rodents. When she's got all that sorted perhaps she'll have time to think about the thing she's been trying not to think about: the lump she's just found in her breast. Because you can't just die and leave a huge mess for someone else to clean up, can you? And wasn't there supposed to be more to life than this? Mareike Krügel lives in Schleswig-Holstein with her husband and their two children. She has received numerous literary awards including the Friedrich Hebbel Prize. *Look at Me* is her fourth novel and the first to be translated into English. Funny, moving and thought-provoking. BookMooch Kat and her family are deeply flawed but likeable characters you want to cheer them on. A good read suitable for long dark evenings. Otago Daily Times A quirky ride that masterfully blends a sardonic sense of humour with a deeply embedded fear of mortality. Readings For all the chaos of Katharina's life and for all the humour of her narrative voice, this well-written and surprisingly complex novel has an unexpected gravitas. Age Definitely one of those read-in-one-sitting-hard-to-put-down books. Nudge Books An enjoyable and thought-provoking read. MindFood With a heroine so well realised she feels like a friend and piercingly true ruminations on the strange courses that life can take, *Look At Me* is a wildly impressive English language debut. Culturefly Full of whimsical inner monologues and snappy one-liners. Booklist Krügel knows her way around both the salty and sweet of marriage and motherhood. Kirkus Reviews

Don't Look at Me Like That Diana Athill, 2023-08-15 A candid novel of love, betrayal and friendship about a young woman who breaks with her peers, moves to London and begins a shocking affair. When I was at school I used to think that everyone disliked me and it wasn't far from true, confesses Meg Bailey at the start of *Don't Look at Me Like That*. Coming of age in the mid-1940s, Meg finds herself to be out of place wherever she finds herself. She is a nonbeliever in her father's parsonage, an artistic dreamer at her stuffy boarding school, a provincial in the worldly circles frequented by her best friend Roxane and Dick, Roxane's future husband. It is only when Meg, newly graduated from art school, moves into an untidy London rooming house alive with the sounds of crying children, sparring lovers and even foreigners that she begins to feel at home. But ties to the past are not so easily severed and Meg must disentangle herself from her troubled intimacy with Roxane and Dick before she can begin to start living in her own way. *Don't Look at Me Like That* is the only novel by the famed memoirist and editor Diana Athill who died in 2019 at the age of one hundred and one. At once clear-eyed and compassionate, it is a story of making mistakes and making a life.

Look at Me Anita Brookner, 2012-07-18 A lonely art historian absorbed in her research seizes the opportunity to share in the joys and pleasures of the lives of a glittering couple.

Miller,Koffi Kwahule,2017-05-31 The work of renowned Ivoirian playwright Koffi Kwahul has been translated into some 15 languages and is performed regularly throughout Europe Africa and the Americas For the first time Seven Plays of Koffi Kwahul In and Out of Africa

makes available to an Anglophone audience some of the best and most representative plays by one of Francophone Africa's most accomplished living playwrights. Kwahul's theater delves into both the horror of civil war in Africa and the diasporic experience of peoples of African origin living in Europe and the New World. From the split consciousness of the protagonist and rape victim in *Jaz* to the careless buffoonery of mercenaries in *Brewery*, Kwahul's characters speak in riffs and refrains that resonate with the improvisational pulse of jazz music. He confronts us with a violent world that represents the damage done to Africa and asks us through exaggeration and surreal touches to examine the reality of an ever-expanding network of global migrants. His plays speak to the contemporary state of humanity suffering from exile, poverty, capitalist greed, collusion, and fear of the other; however, that other gets defined. Judith G. Miller's introductory essay situates Kwahul among his postcolonial contemporaries. Short introductory essays to each play, accompanied by production photos, contextualize possible approaches to Kwahul's often enigmatic work. Anglophone theater scholars and theater professionals eager to engage with contemporary theater beyond their borders, particularly in terms of what so-called minority theater artists from other countries are creating, will welcome this indispensable collection. Students and scholars of African studies and of global French studies will also find this work intriguing and challenging.

Stay With Me Paul Griffin, 2011-09-08 A heartbreaking urban romance from award-winning author Paul Griffin. Fifteen-year-olds Cece and Mack didn't expect to fall in love. She's a sensitive A student; he's a high school dropout. But soon they're spending every moment together, bonding over a rescued dog, telling their secrets, making plans for the future. Everything is perfect. Until Mack makes a horrible mistake and suddenly the future they'd planned becomes impossible. In this stark new reality, both of them must find hope in the memories of what they had to survive when the person they love can't stay.

Look, I Made a Hat Stephen Sondheim, 2011-11-22 The second volume of Sondheim's collected lyrics is both a remarkable glimpse into the brilliant mind of a legend and a continuation of the acclaimed and best-selling *Finishing the Hat*. Picking up where he left off in *Finishing the Hat*, Sondheim gives us all the lyrics along with excluded songs and early drafts of the Pulitzer Prize-winning *Sunday in the Park with George*, *Into the Woods*, *Assassins*, and *Passion*. Here too is an in-depth look at the evolution of *Wise Guys*, which subsequently was transformed into *Bounce* and eventually became *Road Show*. Sondheim takes us through his contributions to both television and film, some of which may surprise you and covers plenty of never-before-seen material from unproduced projects as well. There are abundant anecdotes about his many collaborations, and readers are treated to rare personal material in this volume as Sondheim includes songs culled from commissions, parodies, and personal special occasions such as a hilarious song for Leonard Bernstein's seventieth birthday. As he did in the previous volume, Sondheim richly annotates his lyrics with invaluable advice on songwriting, discussions of theater history and the state of the industry today, and exacting dissections of his work, both the successes and the failures. Filled with even more behind-the-scenes photographs and illustrations from Sondheim's original manuscripts, *Look, I Made a Hat* is fascinating, devourable, and essential reading for any fan of the theater.
