Auras M.A.Hill,2015-01-20 This e book is about auras Aura is a concept related to the field of spiritualism and parapsychology The aura is an energy field that surrounds each and every individual animal plant and object This book is for those people who are interested in cultivating their spiritual self learning about auras and wish to participate in a knowledge that comes from many centuries ago **The Complete Guide to Chakras and Auras With a Special Focus on the Third Eye** J.D. Rockefeller,2015-08-26 Are chronic diseases such as diabetes cardiovascular problems and joint pains troubling you Are anxiety depression and anger and other such emotions bringing you and your performance down Are you constantly on medications for digestion and respiratory issues If you answer yes to any of the above questions you are probably suffering from an imbalance of energy in your subtle non physical body So what is the subtle body In many spiritual traditions the subtle body is the sacred or the immortal body It never dies and when the physical body dies your subtle body merges into the universe It comprises of the intelligence mind and ego aspects that control the human physical body The terms aura and chakras refer to parts of your subtle plane of existence These are usually seen by the mind s eye and not your physical eyes Disturbances in your auric field or imbalances in the flow of energy through the chakras manifests as physical mental and emotional disorders in the physical world Mostly when people fail to heal their physical bodies with modern medicine the only solution is to turn towards healing the non physical subtle body Just by working on balancing your chakras and your energy field called aura you will notice that your chronic disorders are much under control your emotions are much balanced and you are spiritually more connected to the universe and your Higher Power Don t wait until you fall ill to begin taking care of your chakras and aura Take action now and start learning about chakras and the subtle body This comprehensive guide is perfect to get you started on this journey It will help you learn about what are chakras what the 7 main chakras are and how to strengthen your aura and radiate strong positive and healthy energy by opening or balancing your chakras You will also find a chakra test here that will help you find out which of your chakras is imbalanced There is also an exclusive section on the third eye for people interested in awakening it and promoting their intuitive and psychic abilities *The God Like Powers Series-Volume 1-Bundle* Martin K. Ettington, When dealing with Metaphysics and the Paranormal there are no degrees or certified experts Each person writing on these subjects has developed their expertise through their experiences personal research and learning over many years This compilation combines the first five books of my God Like Powers Series into one Bundle Human Invisibility Invulnerability and Shielding Teleportation Psychokinesis Our Energy Body Auras and Thoughtforms The overall approach is to introduce each subject provide some background and history and then to provide specific ideas recommendations and advice on how to achieve the theme of the book This compilation is designed to show my overall beliefs and recommendations on several subjects One of these core beliefs is that

we all have a core of the universal spirit inside each of us That by learning to be centered in this spirit we improve our happiness health and ability to do things which might be considered supernatural or impossible I hope this compilation provides each reader with some insights which will help improve their lives overall

Becoming Aware of Aliens by learning to recognize them - Vol. 1 Angel Jeanne, 2016-07-19 The real question is not whether Aliens exist or not They exist Rather we should ask ourselves how they are manipulating us and what we can do in order to defend ourselves These are the thoughts of a writer who has shared her personal experiences in three profound and intense books Each volume is supplemented with illustrations and profiles of the most important alien races and in particular with pictures of real Alien Chips which the author has extracted from her own body It s a book that will blow you away and one that will make you recognize a truth mirrored in your own experience that which you never dared tell anyone In this trilogy the author shares her terrifying experience but also the experiences that filled her with joy It s the beginning of an evolution a howl of rebellion against alien abductions and manipulations a roar in the face of all those who allow this to happen

Readings in Chinese Women's Philosophical and Feminist Thought Ann A. Pang-White, 2022-12-01 Readings in Chinese Women s Philosophical and Feminist Thought gathers 40 original writings on women by 32 authors many of whom are women from the Yuan dynasty to the Republics an important 700 year historical period during which women s learning in China blossomed as a result of economic prosperity the development of commercial printing and the interaction between East and West Selections are made not only from canonical texts on women s virtues but also from less orthodox literary works such as plays poetry novels essays and revolutionary writings that illuminate the lived experience of women and the perception of gender With many texts translated into English for the first time this reader provides the context needed to understand them It features Chronologically organized readings in the sequence of the Yuan Ming Qing dynasties and the Republics to demonstrate historical progression of thought or the lack of Introductions to each section and chapter covering essential information about the authors and the cultural historical and philosophical background to their work A chronology of dynasties Republics key events and a map Recovering discourse so often neglected in discussion of Chinese thought this is the first collection to pay special attention to women authored works from the late 13th to the early 21st century By bringing these readings together in a single volume it juxtaposes and compares female and male perspectives from the same time and creates a new narrative of Chinese philosophical thought
