Malignant S. Lochlann Jain, 2013-10-15 Nearly half of all Americans will be diagnosed with an invasive cancer an all too ordinary aspect of daily life Through a powerful combination of cultural analysis and memoir this stunningly original book explores why cancer remains so confounding despite the billions of dollars spent in the search for a cure Amidst furious debates over its causes and treatments scientists generate reams of data information that ultimately obscures as much as it clarifies Award winning anthropologist S Lochlann Jain deftly unscrambles

the high stakes of the resulting confusion Expertly reading across a range of material that includes history oncology law economics and literature Jain explains how a national culture that simultaneously aims to deny profit from and cure cancer entraps us in a state of paradox one that makes the world of cancer virtually impossible to navigate for doctors patients caretakers and policy makers alike This chronicle burning with urgency and substance leavened with brio and wit offers a lucid guide to understanding and navigating the quicksand of uncertainty at the heart of cancer Malignant vitally shifts the terms of an epic battle we have been losing for decades the war on cancer *Think Good, Feel Good* Paul
