Ice Geographies Jen Rose Smith, 2025-04-11 Ice animates the look and feel of climate change It is melting faster than ever before causing social upheaval among northern coastal communities and disrupting a more southern temperate world as sea levels rise Economic academic and activist stakeholders are increasingly focused on the unsettling potential of ice as they plan for a future shaped by rapid transformation Yet in *Ice Geographies* Jen Rose Smith demonstrates that ice has always been at the center of making sense of the world Ice as homeland is often at the heart of Arctic and sub Arctic ontologies cosmologies and Native politics Reflections on ice have also long been a constitutive element of Western political thought but it often privileges a pristine or empty nature stripped of power relations Smith centers ice to study race and indigeneity by investigating ice relations as sites and sources of analysis that are bound up with colonial and racial formations as well as ice geographies beyond those formations Smith asks How is ice a racialized geography and imaginary and how does it also exceed those frameworks Duke University Press Scholars of Color First Book Award

The Land's End: A Naturalist's Impressions In West Cornwall, Illustrated W. H. Hudson, 2021-05-19

In *The Land's End: A Naturalist's Impressions In West Cornwall Illustrated* W H Hudson offers a vivid and contemplative exploration of the natural beauty of West Cornwall Blending lyrical prose with rich descriptions of the landscape flora and fauna Hudson s writing evokes the essence of the region s rugged coastlines and its diverse ecosystems The book stands out as a remarkable contribution to the genre of naturalist literature using a personal narrative to intertwine observation with philosophy inviting readers to reflect on their relationship with nature Through meticulously detailed illustrations the text enhances the reader s experience making the sights and sensations of Cornwall palpable and engaging W H Hudson was a pioneering figure in naturalism and

a passionate advocate for environmental conservation experiences that deeply informed his writings Born in Argentina Hudson moved to England where he immersed himself in the countryside developing a profound connection to the land His unique background and fervent love for nature led him to portray both its beauty and fragility with an emphasis on a deeper ecological consciousness that was somewhat ahead of his time This book is highly recommended for readers interested in natural history literature and environmental philosophy Hudson s evocative style and passionate observations not only serve as a celebration of Cornwall s landscapes but also as a poignant reminder of the need for ecological stewardship Readers will find inspiration in his reflections urging them to appreciate their own local environments People and Places of the Old
