Swap, 1976 **High School Behavioral Science**, 1975 **Towards a Radical Redefinition of Psychology** Miller Mair, 2014-10-10 The World Library of Mental Health celebrates the important contributions to mental health made by leading experts in their individual fields Each author has compiled a career long collection of what they consider to be their finest pieces extracts from books journals articles major theoretical and practical contributions and salient research findings Miller Mair clinical psychologist and psychotherapist devoted his life to developing a psychology that provided a radical alternative to the behavioural and latterly cognitive behavioural approaches that have dominated the field He presented this work in a wide range of publications and conference papers and prior to his
