Looking For Estrellita:

Brian Castro's Fiction , **Transcultural Writers and Novels in the Age of Global Mobility** Arianna Dagnino,2015
In *Transcultural Writers and Novels in the Age of Global Mobility* Arianna Dagnino analyzes a new type of literature emerging from artists increased movement and cultural flows spawned by globalization This transcultural literature is produced by authors who write across cultural and national boundaries Dagnino s book contains a creative rendition of interviews conducted with five internationally renowned writers Inez Baranay Brian Castro Alberto Manguel Tim Parks and Ilija Trojanow and a critical exegesis reflecting on thematic critical and stylistic aspects By studying the selected authors corpus of work life experiences and cultural orientations Dagnino explores the implicit often subconscious process of cultural and imaginative metamorphosis that leads transcultural writers and their fictionalized characters beyond ethnic national racial or religious loci of identity and identity formation The work is a significant contribution to scholarship for it increases our theoretical awareness of today s literary developments providing us with critical tools that enable us to approach literary texts with an innovative perspective Maurizio Ascari Universita di Bologna **Migration by Boat** Lynda Mannik,2016-05 At a time when thousands of refugees risk their lives undertaking perilous journeys by boat across the Mediterranean this multidisciplinary volume could not be more pertinent It offers various contemporary case studies of boat migrations undertaken by asylum seekers and refugees around the globe and shows that boats not only move people and cultural capital between places but also fuel cultural fantasies dreams of adventure and hope along with fears of invasion and terrorism The ambiguous nature of memories media representations and popular culture productions are highlighted throughout in order to address negative stereotypes and conversely humanize the individuals involved **Drift** Brian Castro,2011-05 Brian Castro s fifth novel is perhaps his most complex and certainly his most political Like all his work it is productively playful punningly irreverent and deeply concerned with sex and death fact and fiction but also more seriously with the redemptive possibilities of art and the existential power of the novel all in the context of Australia s contested history from the Introduction by Katharine England **Happy Wives Club** Fawn Weaver,2014-01-14 A New York Times Bestseller One woman undertakes a worldwide search to learn the secrets of a great marriage and finds one foundational truth that could change everything Fawn Weaver was a happily married woman running a successful business and then something happened Maybe it was divorce rate reports on the evening news The Real Housewives of Orange County or any daytime talk show where husbands and wives dramatically reveal their betrayals Everywhere she looked Fawn saw negative portrayals of marriage dominating the airwaves and dooming everyone to failure Looking at Keith the love of her life she knew that wasn t true She was determined to find and connect with women just like her happy and optimistic about marriage deeply in love with her spouse and committed to building a strong marriage that stands the test of time On a whim she started the blog HappyWivesClub.com and sent the link to a few of new friends What started as a casual invitation to five women exploded

into an international online club with 150 000 members in more than 100 countries Happy Wives Club is Fawn's journey across the world to meet her friends and discover what makes their marriages great Join her on this exciting exotic trip across six continents and through more than eighteen cities Walk the streets of Mauritius the historic ruins in Italy and the vistas of New Zealand and Australia Go from Cape Town to London Manila to Buenos Aires Winnipeg to Zagreb Along the way you will meet everyday women whose marriage secrets span cultures You will hear their stories witness their love and be inspired by the proof that happy healthy marriages do exist and yours can be one of them It turns out great marriages are all around us when we look for them Go on a trip with Fawn and learn the best marriage secrets the world has to offer

Global Fragments Anke Bartels, Dirk Wiemann, 2007 While the world seems to be getting ever smaller and globalization has become the ubiquitous buzz word regionalism and fragmentation also abound This might be due to the fact that far from being the alleged production of cultural homogeneity the global is constantly re defined and altered through the local This tension pervading much of contemporary culture has an obvious special relevance for the new varieties of English and the literature published in English world wide Postcolonial literatures exist at the interface of English as a hegemonic medium and its many national regional and local competitors that transform it in the new English literatures Thus any exploration of a globalization of cultures has to take into account the fact that culture is a complex field characterized by hybridization plurality and difference But while global or transnational cultures may allow for a new cosmopolitanism that produces ever changing fluid identities they do not give rise to an egalitarian global village an asymmetry between centre and periphery remains largely intact albeit along new parameters The essays collected in this volume offer readings of literary theoretical and filmic texts from the postcolonial world These texts are read as attempts to articulate the global with the local from a perspective of immersion in the actual diversity of life worlds focusing on such issues as consumption identity politics and modes of affiliation In this sense they are global fragments locally refracted figurations of an experience of world wide interconnectedness

Australian Made Sonia Mycak, Amit Sarwal, 2018-08-30 Australian Made is a collection of essays about the writers the readers and the texts of multicultural Australia Presenting the work of critics and scholars from both Australia and abroad this collection creates a synergy between local and international perspectives as it

explores what it means for a writer or a reader to be Australian and a text to be Australian made The Spirit of Science Fiction Roberto Bolaño, 2019-02-05 From a master of contemporary fiction a tale of bohemian youth on the make in Mexico City Two young poets Jan and Remo find themselves adrift in Mexico City Obsessed with poetry and above all with science fiction they are eager to forge a life in the literary world or sacrifice themselves to it Roberto Bolaño's The Spirit of Science Fiction is a story of youth hungry for revolution notoriety and sexual adventure as they work to construct a reality out of the fragments of their dreams But as close as these friends are the city tugs them in opposite directions Jan withdraws from the world shutting himself in their shared rooftop apartment where he feverishly composes fan letters to the stars of science fiction and dreams of cosmonauts and Nazis Meanwhile Remo runs headfirst into the future spending his days and nights with a circle of wild young writers seeking pleasure in the city's labyrinthine streets rundown cafés and murky bathhouses This kaleidoscopic work of strange and tender beauty is a fitting introduction for readers uninitiated into the thrills of Roberto Bolaño's fiction and an indispensable addition to an ecstatic and transgressive body of work Wish Upon a Stray: A Wish Novel Yamile Saied Méndez, 2021-08-03 A heartwarming and authentic immigration story about a stray dog the power of music and celebrating old traditions along with new beginnings by Pura Belpre Award winning author Yamile Saied Méndez Maria Emilia's life turns upside down when she and her family immigrate from Argentina to the US How can she make new friends when simply speaking English all day is exhausting Luckily she has the company of a stray dog in the neighborhood who happens to look and act just like her beloved pet cat back home Eventually it turns out the pup isn't a stray after all she belongs to Maria Emilia's new neighbor Donovan In order to spend more time with the dog who totally isn't her reincarnated cat right she agrees to sing in Donovan's band But can Emilia find her new voice without losing herself

The Politics and Aesthetics of Refusal Caroline Hamilton, Michelle Kelly, Elaine Minor, 2009-03-26 The Politics and Aesthetics of Refusal is an eclectic collection of essays from emerging academics who engage with the notion of refusal both as the embodiment of a resistance to conventional boundaries between academic disciplines and as a concept with an underlying negative or reactive force that can be widely interpreted and applied The applications of refusal outlined in this volume ranging from activism and the politics of cultural production through to problems of identity and knowledge classification raise questions about often elided relationships of agency and complicity in routine experience The sense of refusal that emerges from this book is perhaps most easily classified by what it is not namely a prescriptive conclusive or unified account of what it is to reject react or work against any particular instance of theory or practice in any given domain The value of a thematically oriented collection like this is its ability to work across disciplines media and philosophical frameworks rather than limiting its focus to a narrow territory According to Herbert Marcuse refusal must not only be the guiding principle for all artistic creation it must also be a manifestation of artistic creation itself With this volume we have attempted to compose a collection which is not only theoretically guided by refusal but practically informed by it as well The

collection in itself constitutes we hope a constructive rejection of the usual constrictions of discipline and approach placed upon new scholars This rich collection of essays on the political aesthetic and ethical dimensions of that form of social action called refusal is an important contribution to our understanding of the tensions and contradictions of contemporary culture
