Looking For God:

Looking at God's Appointment Calendar Carl M. McConchie, 2023-08-25 Pastor McConchie believes that when individuals begin to seek God He very often sets up an appointment whereby a servant of God is sent to meet with that person In this writing Pastor McConchie comments in detail concerning three stories which are presented in the book of Acts Philip is sent to a high ranking Ethiopian official Peter is sent to a Roman Centurion and Paul is sent to a woman from Thyatira whose name is Lydia The Ethiopian the Centurion and the business woman all have one thing in common They are all seeking to worship God before God s servant arrives on the scene Pastor McConchie also shares with us some of his own experiences in Belarus in which he has had a very strong sense that the Lord has set up an appointment for him with someone who is ready to know more about Him In the last section of the book Pastor McConchie looks to the future with a brief study of the book of Revelation What about the 144 000 people of Israel who have come to know Christ how does that happen

The wheel of God, by George Egerton Mary Chavelita Bright, 1898 How can I Hear the Voice of God? Mark Craythorn, 2012-03-09 Why a book on listening to the voice of God Surely it implies that there is a God out there that is talking to us And if he is talking to us why is He even interested in talking to us There is so much pain hurt and suffering in this world it can seem that God is often so distant Mark Craythorn left no stone unturned while patiently and diligently searching for an answer to the question Does God Exist He obtained the proof that he was looking for but it was what happened afterwards that surprised him Subsequent assent that Jesus Christ is the Son of God followed by a number of significant encounters with the Holy Spirit changed his life forever Mark is passionate about teaching others that God is very active in our lives and communicates to us more than we give him credit for This book contains answers to the question How can I hear the Voice of God It also contains a study guide Forty Days of Hearing God for Yourself This is Mark s second book the first is titled God and Email **Unshakeable** Christine Caine, 2017-10-24 God is bigger than your current story Bigger than fear or shame or that voice in your head that whispers that you are not enough too broken or too flawed Join Him in a closer relationship one rooted in truth and Unshakeable In this daily devotional Christine Caine encourages you to find confidence to live as the person God created you to be Unshakeable is a great 365 day devotional if you want to Learn from

Wolf, 2017-11-03 When a person is looking for God and cannot find Him the problem lays not so much in the one searching but in the ones who should properly represent God and His majesty The body of Christ as a whole has little idea of how to allow Christ to move through them God's people generally attempt to force Christ onto others It is what I refer to as selling God just as one would sell a cheap perfume If we would really become merged with His heart and understand how He operates we wouldn't have to sell Him at all The Oxford Illustrated American dictionary defines the word merge as lose or cause to lose character and identity in something else We the Body of Christ are to forfeit our natural human ways of thinking If we could visualize being swallowed by God it will extend an idea of the meaning of merging as one Once consumed by Yahweh we will flow with Christ as one single entity not two separate beings attempting with futility to force one to align with the other In this condition of oneness people would flock to Christ followers desiring what and whom we have because they witness the physical manifestation of Jesus Congregations across the land meet regularly They throw their hands in the air and shout with songs of praise to Almighty God They fall on the floor weep shout amen and hallelujah speak in tongues laugh run around and do many things of the like On the other hand there are those who bow quietly and never utter a sound in their attempt at reverence The Bible is full of worshipers in many styles so I do not begrudge an individual in their stylistic choices of worship Nevertheless praise and worship to a God we do not sincerely know or understand is worthless Praise and worship should always be an outward manifestation of the inward communion with the One whom we are praising Too many times there are external acts of worship without ever experiencing intimacy firsthand The result is people in search of the One true God leave their church services frustrated and aggravated They were unable to find the One whom they seek One of my most earnest desires in this life is to assist believers to walk in balance and become in sync with the Lord What I often find in the church is that there is a lot of excitement and hype not only in the initial act of the acceptance of Christ but way too much in everyday services Hype and excitement in worship certainly have their place but too much of it without meat to follow leads one into discouragement This is due to the fact that they leave church without knowing how to properly apply the Word of God in their personal lives When this occurs those searching for relationship with God cannot seem to locate Him All they see are the people instead of Christ through the people **Looking for God** Alexys Wolf, 2021-07-04 When a person is looking for God and cannot find Him the problem lays not so much in the one searching but in the ones who should accurately represent God and His majesty The body of Christ as a whole has little idea of how to allow Christ to move through them God's people generally attempt to

force Christ onto others It is what I refer to as selling God just as one would sell a cheap perfume in a dollar store If we became merged with His heart and understood how He operates we wouldn't have to sell Him at all The Oxford Illustrated American dictionary defines the word merge as lose or cause to lose character and identity in something else We the Body of Christ are to forfeit our natural human ways of thinking If we could visualize being swallowed by God it will extend an idea of the meaning of merging as one Once consumed by Yahweh we will flow with Christ as one single entity not two separate beings attempting with futility to force one to align with the other In this condition of oneness people would flock to Christ followers desiring what and whom we have because they witness the physical manifestation of Jesus Congregations across the land meet regularly They throw their hands in the air and shout with songs of praise to Almighty God They fall on the floor weep shout amen and hallelujah speak in tongues laugh run around and do many things of the like On the other hand some bow quietly and never utter a sound in their attempt at reverence The Bible is full of worshipers in many styles so I do not begrudge an individual in their stylistic choices of worship Nevertheless praise and worship to a God we do not sincerely know or understand is worthless Praise and worship should always be an outward manifestation of the inward communion with the One whom we are praising Too many times there are external acts of worship without ever experiencing intimacy firsthand The result is people in search of the One true God leave their church services frustrated and aggravated They were unable to find the One whom they seek One of my most earnest desires is to assist believers in learning how to walk in balance and become synced with the Lord What I often find in the church is a lot of excitement and hype not only in the initial act of accepting Christ but way too much in everyday services Hype and excitement in worship certainly have their place but too much of it without meat to follow leads one into discouragement This hype is because they leave church without knowing how to apply the Word of God in their personal lives properly When this occurs those searching for relationship with God cannot seem to locate Him All they see are the people instead of Christ through the people This book is set in place as a source of instruction so as to help people learn how to draw near unto God's heart and face grow in genuine faith and live a life of unity balance hope peace and love When we begin a walk of intimacy by making Yeshua's heart our own the lost will be able to identify Him through us and be drawn to Him
