

I have materials in plenty but the greater
part of them could not be used by me
now for three hundred years to come -
however there is enough with at these - and
ready for a flowing
pen - to make you a good
proface for such an edition as you
institute - but this by the way - I
have not made up my mind. - -

I enclose you a note on the subject
of "Purina" which Waltham can do
for you - It is an extract of particulars
from a history of Purina.

I trust that you have been attracted to
Philadelphia - for ^{the history} we have the character
of reflecting the Germans at present - which
I hope you will value. - -

Yours in haste

Wm. Lloyd Garrison
