Managing for Peak Performance Alan Weiss, 1989 Contents Why We Do the Things We Do The Role of Behavior in Our Work Mosaic The Factors Underlying Behavior Change Management Influence The Fine Art of Accommodation Masterful Results Managing Behavior at Work Select Don't Settle The Most Important Decision of All High Performance and High Performance Organizations *The Unofficial Guide to Power Managing* Alan Weiss, 2000-02-18 Being a super successful manager requires the finesse of a politician the relationship skills of a psychologist and the public speaking gifts of an actor and all before lunch every working day Managing people like managing companies means motivating evaluating communicating resolving presenting and leading The Unofficial Guide to Power Managing contains all the secrets and inside scoop that managers need to rev up their employees and their businesses Here's where managers aiming for the top find no nonsense tips on Helping others to motivate themselves and what to do when empowerment fails Why the best salesperson shouldn't be the sales manager Negotiating successfully without resorting to weapons Leadership style there's no perfect one except for despots Winning strategies and why most fail even though the tactics succeed **Journey to a High-Achieving School** Fred J. Abbate, Ken Biddle, Joseph M. Tomaselli, 2013-05-16 Journey to a High Achieving School Eliminate Destructive Excuses examines the range of devastating excuses often expressed for failure to attain significant improvement in our schools Using the methods of systems thinking and leadership practices that are employed in high performing organizations of all kinds this book shows concretely and specifically that what is at the root of these excuses can be overcome The core ideas at work in the volume are based on the authors well regarded Academy for Education Leaders an intensive course of seminars conducted for school superintendents principals and other educational leaders for the past several years This is not a quick fix manual offering magic wands or silver bullets It is a carefully structured guidebook that can clearly and demonstrably help educational leaders at all levels of accountability begin to build a serious culture of excellence within their schools and school districts Improvement will take time but as the processes become familiar school leaders can uncover and address the complex but confused assumptions that keep standing in the way of the substantial and measurable improvements that must be made for our society's educational future Gower Handbook of Internal Communication Eileen Scholes, 1997 Employee commitment can mean the difference between success and disaster So internal communication is now a key issue for senior management This new Gower Handbook recognises IC's emergence as a new management discipline It is aimed both at the generalist manager who needs to come to terms with the theoretical and technical aspects of internal communication and the media specialist now seeking wider management skills and perspectives Early chapters examine changes in IC's strategic context These include organizations increasing need for innovation and flexibility the disappearance of loyalty among employees growing recognition of the importance of corporate brand and how to sustain it and the effects on traditional work and management patterns of new computer networks Step by step guides

introduce the reader to creating IC strategies and to carrying out research and measurement Over 45 communication techniques from team meetings to web sites are evaluated for use in differing circumstances The Handbook also looks at how to set about developing good communicators and finally presents 16 practical case studies in key application areas Organizations featured are all leaders in their field among them Andersen Consulting The Body Shop BP Chemicals IBM The Boots Company Glaxo Operations Rover SmithKline Beecham WH Smith and Unigate Dairies Eileen Scholes and her team have compiled what is probably the most comprehensive and is certainly the most authoritative guide available to the principles and practice of internal communication *Think* Stewart A. Zelman, 2012-07-23 Do you struggle with food issues or your weight THINK will change your mind so you can finally achieve your weight loss goals Whether you are 10 40 or even 100 pounds or more overweight you have likely struggled for years frustrated with your inability to take charge of your own body and behaviors You are unique and your reasons for being overweight are unique to you But regardless of the roots of your issues you are not alone Dr Stewart Zelman has led people of all ages and from all backgrounds to their weight loss goal Now for the first time he is offering you the same professional techniques and empowering information he offers in his private weight loss groups THINK uniquely combines psycho education and hypnotherapy to give you the tools you need to change your personal psychology and manage your weight permanently You too will see a positive change both in your weight and in your own psychology when you apply these lessons to your own life Ready for your new life to begin
