Managing People Is Like Herding Cats Warren Bennis On Leadership Audio:

Jack Burke,2004-04-01 The author who brings more than three decades of experience and consulting in customer service field to the reader addresses the other side of the counter the customer He offers long suffering consumers key tips on how to make effective complaints how to turn problems into refunds exchanges or improved service **Managing People is Like Herding Cats** Warren G. Bennis,1997 Cats of course won t be herded And the most successful organizations in the 21st Century won t be managed they ll be led The answer to America s current leadership crisis is leaders not managers who recognize that the only capital that really counts is human capital And whether readers are looking for a leader or looking to be a better one Warren knows what it takes In answer to the leadership crisis Bennis offers insight into developing leaders and their competencies by explaining ten traits of dynamic leaders and how these leaders constantly reinvent themselves The 21st century will require leaders who can inspire and orchestrate change rather than impose it or simply react to it The section on Leading Change will in itself make this a must have book **Managing People is Like Herding Cats** ,1997
