Annual Report for ... Asian Development Bank, 1967 **Managing Technological Development** Urs E. Gattiker, Laurie Larwood, 2019-07-22 No detailed description available for Managing Technological Development *Enough is Enough* Davison L. Budhoo, 1990 *Managing Technology Innovation* Yunus Dauda, 2009 Technology in the world today has contributed to promote organisational competitiveness and national development But most developing countries have not substantially benefited from science and technology hence their underdevelopment and poverty They could not harness and manage their scientific and technological innovations and use their human and material resources to meet basic needs of their people reduce socio economic inequalities create employment opportunities and improve national security The achievement of these is considered in this book to be dependent on provisions of conducive environments for effective human resource management for scientific and technological innovations Human resource management concepts and practices were used to evolve frameworks and processes for the generation acquisition adoption and transfer of technology depending on the objectives of different countries and organisations **Managing technological innovation and human resource development** Inajane Nicklas, 1985 *The Human Side of Managing Technological Innovation* Ralph Katz, 1997 Edited by a leader in the field of human resource management The Human Side of Managing Technological Innovation Second Edition is organized around themes including motivating professionals measuring productivity managing groups and technology as a strategic resource Human Resource Management, Social Innovation and Technology, 2014 Annotation This volume places Social Innovation between Human Resource Management HRM and Technology There is a growing acceptance of the theory that HRM is strategically important for social innovation within organizations To meet the requirements of globalization diversity war for talent and fast technological developments HRM should allow a greater amount of flexibility and innovation in their policies and practices In order for this to happen however HRM needs to be modernised by replacing inefficient and unsustainable HR practices and forms with flexible sound and pioneering ones crossing inter and intra organizational boundaries Built within the Social Innovation research tradition this volume views innovation of HRM from two ends of one continuum At one end HR practices and policies should be designed to support innovative organizational members the creation of new ideas an innovative organizational climate and enlargement of the innovation capacity of organizations At the other end the HRM function evolves through applying new structures and new channels for delivery of the HR practices and through involving new agents in the management of Human Resources *Tech Development through HRM* Mert Gürlek, 2020-08-06 This book argues that knowledge management and HRM systems should be integrated This integration provides the foundation for designing knowledge oriented high performance HR practices **Technology Innovation and HRM** Jin Chen, Zhongming Wang, 2005 In this ebooks technology ionnovation and HRM are reported

through various areas of research which provide systematic evidence for the three integrated HR strategies for organizational effectiveness and competitive advantage *Human & Technological Resource Management (HTRM)* Payal Kumar, Anirudh Agrawal, Pawan Budhwar, 2020-11-16 Industrial Revolution 4.0 is upon us with disruptive technology rapidly changing our personal and professional lives. In this climate it is not clear how organization reorganization will take place and there is haziness over the strategic HRM required to attract, develop and retain talent.

Technology Management in Organizations Urs E. Gattiker, 1990 What factors determine a firm's potential for successful technology management? Why do certain groups of employees resist technological change in their workplace? And why are certain firms always riding the crest of the technological wave while others lag behind? These issues are examined in this volume which provides a framework for technology acquisition and change by firms based on their strategy in human resource management and also the determinism experienced by internal labour markets. Interdisciplinary and cross-national, this richly diverse volume integrates theories, research and models from a wide variety of fields.

Strategic Human Resource Technologies Ashok Chanda, B. Sivarama Krishna, Jie Shen, 2007-05-08 In recent years technology has transformed human resource management (HRM). While the task of managing people in organizations is becoming ever more complex, HR professionals can now get better results with the help of new tools and techniques. This pioneering and unusual book defines HR techniques as technologies in their own right and consolidates a broad array of strategies to provide a holistic view of people management. Bringing together 40 strategic HR technologies and explaining where and how they can add value to an organization, the authors also discuss how to brand these technologies within the enterprise. They cover the four broad areas of HR management: Human technologies for profit making, Building individuals and teams, Attracting and retaining talent, Scenario building for the future. Using models, charts and clearly defined terminology, this book lays out the theories and practical steps in the application of HR technologies.

New Technology (Routledge Revivals) Greg J. Bamber, Russell D. Lansbury, 2013-12-19 First published in 1989, this book presents a unique comparative perspective on the relationship between technological change and human resource management. Following a detailed introduction, chapters deal with a variety of issues including managing change, industrial democracy and employee involvement, gender and structural change. International and well-renowned authors provide an authoritative analysis which will be of particular interest to students of Business and Management organisations.
