Boarding Out David Faflik,2012-09-30 Driven by intensive industrialization and urbanization the nineteenth century saw radical transformations in every facet of life in the United States Immigrants and rural Americans poured into the nation s cities often ahead of or without their families As city dwellers adapted to the new metropolis boarding out became for a few short decades the most popular form of urban domesticity in the United States While boarding s historical importance is indisputable its role in the period s literary production has been overlooked In *Boarding Out* David Faflik argues that the urban American boardinghouse exerted a decisive shaping power on the period s writers and writings Addressing the works of canonical authors such as Henry David Thoreau Nathaniel Hawthorne and Oliver Wendell Holmes as well as neglected popular writers of the era such as Fanny Fern and George Lippard Faflik demonstrates that boarding was at once psychically artistically and materially central in the making of our shared American culture *American Cabinetmaker and Upholsterer* ,1924 **American Art Directory** National Register Publishing,2003-05 *American Scenes: WPA-Era Prints from the 1930s and 1940s* La Salle University Art Museum,2014 **The Photographic Journal of America ...** ,1891 **American Art Directory** ,1918 The biographical material formerly included in the directory is issued separately as *Who s who in American art* 1936 37 [Pennsylvania Impressionism](#) William H.
