Quantum Illumination Activation Guidance Cards Metta Art,2018-09-09 There are 52 Mandalas and 52 page prompts all for guidance and mindfulness both as a divination or activational or even as art These were originally set of 52 cards which I had made in 2015 but since been told by many to produce a book to use instead of so that many can use on their travels or just ease of use Each Picture has a small write up to help guide you in your mindfulness meditation or guidance for which you may need for that day or week The prompts on opposite page will help you evaluate and intuit your own answers and guidance along the way I would say you need a pencil so that you can rub out and use again your answers if you prefer Have

fun and explore your quantum being
