 illustrations **The Mandala of Being** Richard Moss, MD,2010-10-06 The Mandala of Being shows us why and how we
 habitually obstruct our innate potential for what Richard Moss calls radical aliveness a life of authenticity overflowing energy
 and joy In these pages Richard Moss gives us an effective practice that is readily incorporated into day to day life It
 illustrates that there are in fact only four places our minds ever go when we leave the Now the past the future judgments of
 ourselves and judgments of others It allows us to trace precisely the path we have taken away from our most authentic and
 essential being whenever we are not fully present and simultaneously shows us the way home Drawing from his profound self
 realization and more than three decades of working with people of diverse backgrounds Richard Moss accompanies and
 encourages the reader on a journey toward freedom from fear and any other limiting or threatening feeling Deep self
 understanding inner ease spontaneous healing more fulfilling relationships and enhanced creativity are all wonderful

 exclaims Stacy a workshop participant The Healing Power of Energized Water Ulrich Holst,2010-04-14 An introduction to
 the biotechnologies of water vitalization Reveals the deeper secrets of the element water including its memory Shows the
 practical applications founded on the work of such pioneers of water research as Viktor Schaubergger Theodor Schwenk and

Masaru Emoto Looks at water dynamization devices currently available commercially Water is more than the simple liquid evoked by its scientific name H₂O The discoveries by pioneering figures like Viktor Schauberger and Masaru Emoto have shown that this essential substance is much more complex than originally believed Water is incredibly sensitive to the micro information from the surrounding environment and it also possesses a memory Unfortunately many of the modern techniques for making water readily available have resulted in depreciating its vitality Many of the benefits that water can provide when in its optimum natural state have been lost But there are now methods that have been perfected over the past several decades that can transform our banal tap water back to its natural potent state as the elixir of life Experience has shown that these methods and devices can even transform water that has been heavily polluted by agriculture or industry into a potable fluid that looks like the product of a limpid mountain spring Tests show that no trace of the pollutants remain Many of these devices are available commercially offering to all the possibility of enjoying the optimum benefits water can deliver when in its healthy natural state
