nervousness and fears disappeared That's how this book was born I'd like you to sit with each page receptive and aware of that inner voice trying to reach you Listen with an open mind and open heart Be available to realizing you're already whole The separation was an illusion presenting itself as real because of an imbalance There is no right or wrong way to color and draw in this book There's also no specific way to visualize or meditate Everything you find here is a suggestion hopefully leading you closer to the way you best connect within For more inspirational fun visit [www.MyDreamsMatter.com](http://www.MyDreamsMatter.com)
