Manhattan Island Clubs:

The Manhattan Island Clubs Brent Monahan, 2004-08-01 In the summer of 1906 a member of the Metropolitan Club one of New York's most prestigious and powerful men's clubs is brutally murdered within its walls The man eyewitnesses claim committed the crime was in actuality across town in plain view of a hundred reliable witnesses at the time of the murder For J P Morgan founding member of the Metropolitan Club there is only one man who can be entrusted with the swift and proper resolution of this impossible crime Sheriff John Le Brun of Jekyl Island Georgia Thrust in the midst of Manhattan s social and intellectual elite including actor William Gillette newspaperman Joseph Pulitzer and financial colossal J P Morgan himself Le Brun finds himself in a deadly struggle and race against time with an unseen foe a mind perhaps as nimble as his The St. Lucia Island Club Brent Monahan, 2016-08-09 When retired Southern sheriff turned New York City detective John Le Brun and his wife Lordis set sail in 1910 for a long awaited honeymoon on the Caribbean island of St Lucia they expect to find relaxation in paradise However they soon discover they ve been lured to the island in part to tout its attributes as a burgeoning vacation retreat to wealthy investors back home Instead of finding tranquility among the tropical isle s quaint villages and sandy beaches they encounter a land teeming with racial social and economic tension The brutal murders of a local plantation owner's family find John putting his renowned detective skills to use with Lordis readily playing assistant Once again the shrewd detective must capitalize on his outsider status to stay several steps ahead of the locals many of whom seem to harbor dark motives Is the culprit one of the white landowners the exclusive St Lucia Island Club counts among its membership the descendants of former African slaves said to inhabit the island s inland jungles or someone else entirely As the body count rises John and Lordis race to uncover St Lucia s deepest mysteries including secret identities long held rivalries and who stands to profit most from the island's future The St Lucia Island Club paints a vivid portrait of the Caribbean island's scenic beauty and complicated history at the turn of the twentieth century The Sun's Guide to New York ,1892 The St. Simons Island Club Brent Monahan, 2015-12-01 Quietly annoying and tenacious Sheriff John Le Brun has earned a reputation for solving wickedly complex crimes from his home town of Brunswick Georgia to London England Now retired he finds himself mysteriously hired to solve the 1908 murder of the owner of a high priced Manhattan brothel The client's letterhead indicates J P Morgan The Titan of Wall St denies its validity but himself hires Le Brun to not only solve the crime but also expose the impostor As John peels away layer upon layer of facts he realizes that he is exploring the police protected vice of prostitution which is a source of livelihood for one out of every three hundred women in New York City Le Brun discovers a connection on St Simons Island where he holds a membership to an exclusive club The island was the locale of the last illegal U S importation of African slaves Now history may be repeating itself for the purpose of sex slavery
