Manhood And American Political Culture In The Cold War:

Manhood and American Political Culture in the Cold War Kyle A. Cuordileone, 2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company **Manhood and American Political Culture in the Cold War** Cuordileone, Kyle A. Cuordileone, 2005 *Manhood and American Political Culture in the Cold War* K.A. Cuordileone, 2012-11-12 *Manhood and American Political Culture in the Cold War* explores the meaning of anxiety as expressed through the political and cultural language of the early cold war era Cuordileone shows how the preoccupation with the soft malleable American character reflected not only anti Communism but acute anxieties about manhood and sexuality Reading major figures like Arthur Schlesinger Jr Adlai Stevenson Joseph McCarthy Norman Mailer JFK and many lesser known public figures Cuordileone reveals how the era s cult of toughness shaped the political dynamics of the time and inspired a reinvention of the liberal as a cold warrior *American Political Culture* Michael Shally-Jensen, Mark J. Rozell, Ted G. Jelen, 2015-04-28 This all encompassing encyclopedia provides a broad perspective on U S politics culture and society but also goes beyond the facts to consider the myths ideals and values that help shape and define the nation Demonstrating that political culture is equally rooted in public events internal debates and historical experiences this unique three volume encyclopedia examines an exceptionally broad range of factors shaping modern American politics including popular belief political action and the institutions of power and authority Readers will see how political culture is shaped by the attitudes opinions and behaviors of Americans and how it affects those things in return The set also addresses the issue of American exceptionalism and examines the nation s place in the world both historically and in the 21st century Essays cover pressing matters like congressional gridlock energy policy abortion politics campaign finance Supreme Court rulings immigration crime and punishment and globalization Social and cultural issues such as religion war inequality and privacy rights are discussed as well Perhaps most intriguingly the encyclopedia surveys the fierce ongoing debate between different political camps over the nation s historical development its present identity and its future course By exploring both fact and mythology the work will enable students to form a broad yet nuanced understanding of the full range of forces and issues affecting and affected by the political process *The Routledge History of Gender, War, and the U.S. Military* Kara Vuic, 2017-08-15 The Routledge History of Gender War and the U S Military is the first examination of the interdisciplinary intersecting fields of gender studies and the history of the United States military In twenty one original essays the contributors tackle themes including gendering the other gender and war disability gender and sexual violence gender and American foreign relations and veterans and soldiers in the public imagination and lay out a chronological examination of gender and America s wars from the American Revolution to Iraq This important collection is essential reading for all those interested in how the military has influenced America s views and experiences of gender *Political Manhood* Kevin P. Murphy, 2010-08-06 In a 1907 lecture to Harvard undergraduates Theodore Roosevelt claimed that colleges should never

turn out mollicoddles instead of vigorous men warning that the weakling and the coward are out of place in a strong and free community A paradigm of ineffectuality and weakness the mollicoddle was all inner life whereas his opposite the red blood was a man of action Kevin P Murphy reveals how the popular ideals of American masculinity coalesced around these two distinct categories Because of its similarity to the emergent homosexual type the mollicoddle became a powerful rhetorical figure often used to marginalize and stigmatize certain political actors Murphy s history follows the redefinition of manhood across a variety of classes especially in the work of late nineteenth century reformers who trumpeted the virility of the laboring classes Challenging the characterization of the relationship between political machines and social and municipal reformers at the turn of the twentieth century he revolutionizes our understanding of the gendered and sexual meanings attached to political and ideological positions of the Progressive Era

The Media and the Models of Masculinity Mark Moss,2012-01-01 Employing the most recent works in the a variety of different disciplines Mark Moss s The Media and the Models of Masculinity makes the current discourse s on masculinity accessible to students in media studies men s studies and history By engaging in critical discussions on everything from fashion to domestic space to sports and television readers will be privy to a modern and fascinating account of the diverse and dominant perceptions of and on masculine culture

The Other Cold War Heonik Kwon,2010-12-06 In this conceptually bold project Heonik Kwon uses anthropology to interrogate the cold war s cultural and historical narratives Adopting a truly panoramic view of local politics and international events he challenges the notion that the cold war was a global struggle fought uniformly around the world and that the end of the war marked a radical universal rupture in modern history Incorporating comparative ethnographic study into a thorough analysis of the period Kwon upends cherished ideas about the global and their hold on contemporary social science His narrative describes the slow decomposition of a complex social and political order involving a number of local and culturally creative processes While the nations of Europe and North America experienced the cold war as a time of long peace postcolonial nations entered a different reality altogether characterized by vicious civil wars and other exceptional forms of violence Arguing that these events should be integrated into any account of the era Kwon captures the first sociocultural portrait of the cold war in all its subtlety and diversity

Communist Rhetoric and Feminist Voices in Cold War America Jennifer Keohane,2018-01-05 This book tells the story of a group of women affiliated with the United States Communist Party CPUSA who used a variety of rhetorical resources to build credibility and transform the party into a vibrant dwelling place for feminist discourse and activism during a conservative period It evidences Communist women s significant and creative resistance to Cold War society and its visions of appropriate normal womanhood alongside their pleas for class and race consciousness in a country that took for granted the white middle class aspirations of citizens Drawing on Marxist theory transnational coalitions and Cold War culture Communist women s rhetorical strategies were incredibly powerful and this book provides insight into how they catalyzed changes in a rigid political movement by establishing a platform for their

radical ideals **When Cowboys Come Home** Aaron George, 2023-11-10 When Cowboys Come Home Veterans Authenticity and Manhood in Post World War II America is a cultural and intellectual history of the 1950s that argues that World War II led to a breakdown of traditional markers of manhood and opened space for veterans to reimagine what masculinity could mean One particularly important strand of thought which influenced later anxieties over other direction and conformity argued that masculinity was not defined by traits like bravery stoicism and competitiveness but instead by authenticity shared camaraderie and emotional honesty To elucidate this challenge to traditional frontiersman masculinity Aaron George presents three intellectual biographies of important veterans who became writers after the war James Jones the writer of the monumentally important war novel From Here to Eternity Stewart Stern one of the most important screenwriters of the fifties and sixties including for Rebel without a Cause and Edward Field a bohemian poet who used poetry to explore his love for other men Through their lives George shows how wartime disabused men of the notion that war was inherently a brave or heroic enterprise and how the alienation they felt upon their return led them to value the authentic connections they made with other men during the war **A Man's World? Political Masculinities in Literature and Culture** Kathleen Starck, 2014-07-24 Political institutions and practices such as the state parliament citizenship and nationality the vote the military and the making and implementation of laws have traditionally been treated as if they were ungendered and guided exclusively by objective reasoning and rationality Rationality and reason though have been habitually ascribed to masculinity a fact which has often been ignored in favour of the apparent gender inclusiveness of the realm of politics In contrast to this view this book explores the interdependence of the construction of masculinities on the one hand and the emerging maintenance and modification of concepts such as the state citizenship nationality and nationalism democracy and militarism on the other Illustrating the great amount of research activity in the field of political masculinities the book offers many perspectives in its attempt to shed light on different modes of representing and constructing political masculinities across time and space Findings from the fields of political science history media studies literature and film studies as well as cultural studies encourage an interdisciplinary debate of political masculinities in Europe and the United States from the nineteenth to the twenty first century Pinks, Pansies, and Punks James Penner, 2010-12-23 Pinks Pansies and Punks charts the construction of masculinity within American literary culture from the 1930s to the 1970s Penner documents the emergence of macho criticism and explores how debates about hard and soft masculinity influenced the class struggles of the 1930s anti communism in the 1940s and 1950s and the clash between the Old Left and the New Left in the 1960s By extending literary culture to include not just novels plays and poetry but diaries journals manifestos screenplays and essays on psychology and sociology Penner unveils the multiplicity of gender attitudes that emerge in each of the decades he addresses *Write Like a Man* Ronnie Grinberg, 2024-03-26 How virility and Jewishness became hallmarks of postwar New York's combative intellectual scene In the years following World War II the New York intellectuals became

some of the most renowned critics and writers in the country Although mostly male and Jewish this prominent group also included women and non Jews Yet all of its members embraced a secular Jewish machismo that became a defining characteristic of the contemporary experience Write like a Man examines how the New York intellectuals shared a uniquely American conception of Jewish masculinity that prized verbal confrontation polemical aggression and an unflinching style of argumentation Ronnie Grinberg paints illuminating portraits of figures such as Norman Mailer Hannah Arendt Lionel and Diana Trilling Mary McCarthy Norman Podhoretz Midge Decter and Irving Howe She describes how their construction of Jewish masculinity helped to propel the American Jew from outsider to insider even as they clashed over its meaning in a deeply anxious project of self definition Along the way Grinberg sheds light on their fraught encounters with the most contentious issues and ideas of the day from student radicalism and the civil rights movement to feminism Freudianism and neoconservatism A spellbinding chronicle of mid century America Write like a Man shows how a combative and intellectually grounded vision of Jewish manhood contributed to the masculinization of intellectual life and shaped some of the most important political and cultural debates of the postwar era

Masculinity, Media, and the American Presidency Meredith Conroy, 2016-04-08 This book analyzes the way media describe presidential candidates character and the degree to which this discourse maintains a preference for masculinity in our politics using content analysis of major print new media outlets

Rough Draft Amy J. Rutenberg, 2019-09-15 Rough Draft draws the curtain on the race and class inequities of the Selective Service during the Vietnam War Amy J Rutenberg argues that policy makers idealized conceptions of Cold War middle class masculinity directly affected whom they targeted for conscription and also for deferment Federal officials believed that college educated men could protect the nation from the threat of communism more effectively as civilians than as soldiers The availability of deferments for this group mushroomed between 1945 and 1965 making it less and less likely that middle class white men would serve in the Cold War army Meanwhile officials used the War on Poverty to target poorer and racialized men for conscription in the hopes that military service would offer them skills they could use in civilian life As Rutenberg shows manpower policies between World War II and the Vietnam War had unintended consequences While some men resisted military service in Vietnam for reasons of political conscience most did so because manpower policies made it possible By shielding middle class breadwinners in the name of national security policymakers militarized certain civilian roles a move that ironically separated military service from the obligations of masculine citizenship and ultimately helped kill the draft in the United States

Turkey, Power and the West Ali Bilgic, 2016-09-29 During the leadership of Recep Tayyip Erdo an and the AKP the Turkish government shifted from a reactive to an activist foreign policy As a result many in the West increasingly began to see Turkey as a key actor in the international relations of the region and indeed the wider international stage Turkey and the West offers a unique approach to this transformation and considers questions of Turkish national identity and its relations with the West through the lens of gender studies From the Ottoman Empire to the present day the

book constructs an image of Turkish foreign policy as reflecting a gendered insecurity one of a non Western Turkish masculinity subordinated to a Western hegemonic masculinity and shows how Turkey's subordination has in turn been internalised by its own politicians Across a diverse range of sources Bilgic takes advantage of new theories such as critical security studies CSS to paint a picture of a Turkish republic anxious to make its mark on the world stage yet perennially insecure about its position as a global power Turkey and the West is essential for students and researchers interested in Turkish politics and the international relations of the Middle East as well as those with an interest in gender and identity studies

Masculinity, War and Violence Ann-Dorte Christensen, Palle Rasmussen, 2018-04-19 Addressing the relationship between masculinity war and violence this book covers these themes broadly and across different disciplines These analyses are located at different levels public policies at the macro level resistance and independence movements at the meso level and masculine subjectivities processes of mobilization and radicalization at the micro level The ten contributions encompass four recurring themes violent masculinities and how contemporary societies and regimes cope with traditional violent rituals and extreme violence against women popular written and visual fiction about war and masculine rationalities gender relations in social movements of rebellion and national transformation and masculinity in civil society under conditions of war and post war Taking into account different geographical contexts the book emphasizes the relationship between the local and the global as well as the importance of understanding gender and masculinity in their intersectional interrelations with religion race ethnicity class and locality This book was originally published as a special issue of NORMA International Journal for Masculinity Studies

Gender, Sexuality, and the Cold War Philip E. Muehlenbeck, 2021-04-30 As Marko Duman i writes in his introduction to Gender Sexuality and the Cold War despite the centrality of gender and sexuality in human relations their scholarly study has played a secondary role in the history of the Cold War It is not an exaggeration to say that few were left unaffected by Cold War gender politics even those who were in charge of producing disseminating and enforcing cultural norms were called on to live by the gender and sexuality models into which they breathed life This underscores the importance of this volume as here scholars tackle issues ranging from depictions of masculinity during the all consuming space race to the vibrant activism of Indian peasant women during this period to the policing of sexuality inside the militaries of the world Gender Sexuality and the Cold War brings together a diverse group of scholars whose combined research spans fifteen countries across five continents claiming a place as the first volume to examine how issues of gender and sexuality impacted both the domestic and foreign policies of states far beyond the borders of the United States during the tumult of the Cold War Table of Contents Preface Introduction Hidden in Plain Sight The Histories of Gender and Sexuality during the Cold War Marko Duman i Part I Sexuality Faceless and Stateless French Occupation Policy toward Women and Children in Postwar Germany 1945 1949 Katherine Rossy Patriarchy and Segregation Policing Sexuality in US Icelandic Military Relations Valur Ingimundarson Queering Subversives in Cold War

 Karen Garner Part III Masculinities Men of the World or Uniformed Boys Hegemonic Masculinity and the British Army in the
 Era of the Korean War Grace Huxford Yuri Gagarin and Celebrity Masculinity in Soviet Culture Erica L Fraser Contested
 Terrain Keith Wilhite, 2022-12 Drawing on a body of literature published between 1945 and 2016 Contested Terrain proposes
 a more expansive treatment of suburban fiction as a discourse that operates within national and transnational geographies
 Wilhite argues that the suburbs and suburban narratives reflect the latest perhaps final outpost in the tradition of U S
 regionalism Although he may be accused of simply substituting one outmoded methodology for another such a critique
 depends on misreading regionalism as either a sub literary genre or as Roberto Dainotto suggests a pernicious political
 ideology that opposes modernity and suppresses difference in the naive pursuit of grounded rooted natural authentic values
 shared by a true community In opposition to such withering appraisals Contested Terrain demonstrates that as both a
 literary discourse and a mode of geopolitical analysis regionalism clarifies the fraught relationship between isolationism and
 imperialism that has shaped U S residential geography and in turn helps us rethink the role literary texts play in the postwar
 project of suburban nation building *Inventing the Modern American Family* Isabel Heinemann, 2012-05 Family is the
 foundation of society and debates on family norms have always touched the very heart of America This volume investigates
 the negotiations and transformations of family values and gender norms in the twentieth century as they relate to the
 overarching processes of social change of that period By combining long term approaches with innovative analysis *Inventing
 the Modern American Family* transcends not only the classical dichotomies between women s studies and masculinity studies
 but also contribute substantially to the history of gender and culture in the United States

Manhood And American Political Culture In The Cold War: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Manhood And American Political Culture In The Cold War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Manhood And American Political Culture In The Cold War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Manhood And American Political Culture In The Cold War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Manhood And American Political Culture In The Cold War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Manhood And American Political Culture In The Cold War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Manhood And American Political Culture In The Cold War is one of the best book in our library for free trial. We provide copy of Manhood And American Political Culture In The Cold War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Manhood And American Political Culture In The Cold War. Where to download Manhood And American Political Culture In The Cold War online for free? Are you looking for Manhood And American Political Culture In The Cold War PDF? This is definitely going to save you time and cash in something you should think about.
