Manhunt In The African Jungle Serial:

The Republic Chapterplays R.M. Hayes, 2000-09-01 Known as Hollywood's Thrill Factory Republic Pictures produced some of the most exciting serials to hit the big screen The studio's chapterplays were one of the most popular Saturday matinee genres Covering nearly 70 serials the filmographies include full production credits release dates chapter titles running times sound systems when applicable a note on reissues condensations and sequels and an extensive cast list showing roles played Included are an essay on the general development of the American serial and a history of Republic studio to the present The Wounds that Heal Judith A. Schwartz, Richard B. Schwartz, 2010-09-23 Theories of human development characteristically include a series of stages through which individuals are expected to pass if they are to achieve wholeness and happiness Whether explicitly or not such theories privilege normalcy Heroes on the other hand are commonly wounded individuals whose developmental disabilities are ultimately the source of their personal success and heroism The Wounds that Heal examines developmental theory in the light of the heroic narrative and argues that such theory should be adjusted to accommodate the experience of those who are in many ways our principal role models Four individuals are examined in depth Jane Austen T E Lawrence Winston Churchill and George S Patton Jr The study draws on the experience of a host of other individuals both historic and fictional and includes materials designed to aid readers in defining their own views of the heroic as well as to become heroes or heroines in their own lives *The Motion Picture Serial* Wayne Schutz, 1992 Identifies lists and classifies published writings on the motion picture serial and places such material into the historical context of the motion picture Citations presented span serial film history beginning with Edison's serial What happened to Mary 1912 and concluding with Hollywood's final serial **Poverty Row HORRORS!** Tom Weaver, 1993-01-01 Poverty row horror films were usually inexpensively some would say cheaply produced with writing that ranged from bad to atrocious Yet these movies with their all star horror casts Carradine Lugosi Karloff et al and their ape men mad monsters devil bats and white zombies still have a loyal audience 50 years after their release Essays contain full filmographic data on the 31 horror chillers made by the three studios from 1940 through 1946 and are arranged by year of release Each entry includes the date of release length production credits cast credits interview quotes and a plot synopsis with critical commentary Filmographies for prominent horror actors and actresses from John Abbott to George Zucco are provided in the appendices *Encyclopedia of American Film Serials* Geoff Mayer, 2017-02-23 From their heyday in the 1910s to their lingering demise in the 1950s American film serials delivered excitement in weekly installments for millions of moviegoers despite minuscule budgets nearly impossible shooting schedules and the disdain of critics Early heroines like Pearl White Helen Holmes and Ruth Roland broke gender barriers and ruled the screen Through both world wars such serials as Spy Smasher and Batman were vehicles for propaganda Smash hits like Flash Gordon and The Lone Ranger demonstrated the enduring mass appeal of the genre Providing insight into early 20th century American culture this book
