Notebook Connections Aimee Buckner, 2023-10-10 In *Notebook Connections* Strategies for the Reader's Notebook author Aimee Buckner focuses on the reading workshop and how teachers can transform students from couch potato readers who read and answer basic questions about a text to readers who critically think beyond their reading. Buckner's fourth grade students use reader's notebooks as a place to document their thinking about a text and explore ideas without every entry being judged or graded as evidence of their reading progress. Buckner describes her model as flexible enough for students to respond in a variety of ways yet structured enough to provide explicit instruction. Inside *Notebook Connections* you'll find Ways to launch, develop and fine tune a reader's notebook program. Teacher guided lessons for each chapter. Assessment tips to review student growth and comprehension levels. How to select the strategies that work for them and incorporate into the workshop. *Notebook Connections* provides a comprehensive model for making reader's notebooks the centerpiece of your reading workshop. Reader's notebooks become a bridge that helps students make connections between ideas, texts, strategies and their work as readers and writers
