Manichaean Body In Discipline And Ritual

Jason David BeDuhn

Manichaeen Body In Discipline And Ritual:

The Manichaeen Body Jason David BeDuhn, 2002-08-23 Award for the Best First Book in the History of Religions from the American Academy of Religion Reconstructing Manichaeism from scraps of ancient texts and the ungenerous polemic of its enemies such as the ex Manichaeen Augustine of Hippo BeDuhn reveals for the first time the religion as it was actually practiced He describes the Manichaeans daily ritual meal their stringent disciplinary codes intended to prevent humans from harming plants and animals and their secretive religious procedures designed to transform the cosmos and bring about the salvation of all living beings Overturning long held assumptions about Manichaeen dualism asceticism spirituality and the pursuit of salvation The Manichaeen Body changes completely how we look at this ancient religion and the environment in which Christianity arose BeDuhn s conclusions revolutionize our understanding of the Manichaeans clearly distinguishing them from Gnostics and other early Christian heretics and revealing them to be practitioners of a unique world religion

The Oxford Handbook of Early Christian Studies Susan Ashbrook Harvey, David G. Hunter, 2008-09-05 The Oxford Handbook of Early Christian Studies responds to and celebrates the explosion of research in this inter disciplinary field over recent decades As a one volume reference work it provides an introduction to the academic study of early Christianity c 100 600 AD and examines the vast geographical area impacted by the early church in western and eastern late antiquity It is thematically arranged to encompass history literature thought practices and material culture It contains authoritative and up to date surveys of current thinking and research in the various sub specialties of early Christian studies written by leading figures in the discipline The essays orientate readers to a given topic as well as to the trajectory of research developments over the past 30 50 years within the scholarship itself Guidance for future research is also given Each essay points the reader towards relevant forms of extant evidence texts documents or examples of material culture as well as to the appropriate research tools available for the area This volume will be useful to advanced undergraduate and post graduate students as well as to specialists in any area who wish to consult a brief review of the state of the question in a particular area or sub specialty of early Christian studies especially one different from their own

Augustine and the Cure of Souls Paul R. Kolbet, 2009-11-15 Augustine and the Cure of Souls situates Augustine within the ancient philosophical tradition of using words to order emotions Paul Kolbet uncovers a profound continuity in Augustine s thought from his earliest pre baptismal writings to his final acts as bishop revealing a man deeply indebted to the Roman past and yet distinctly Christian Rather than supplanting his classical learning Augustine s Christianity reinvigorated precisely those elements of Roman wisdom that he believed were slipping into decadence In particular Kolbet addresses the manner in which Augustine not only used classical rhetorical theory to express his theological vision but also infused it with theological content This book offers a fresh reading of Augustine s writings particularly his numerous though often neglected sermons and provides an accessible point of entry into the great North African bishop s life and thought

Augustine and the Jews Paula Fredriksen, 2010-10-12 In

Augustine and the Jews Fredriksen draws us into the life times and thought of Augustine of Hippo 396 430 Focusing on the period of astounding creativity that led to his new understanding of Paul and to his great classic *The Confessions* she shows how Augustine's struggle to read the Bible led him to a new theological vision one that countered the anti Judaism not only of his Manichaean opponents but also of his own church The Christian Empire Augustine held was right to ban paganism and to coerce heretics But the source of ancient Jewish scripture and current Jewish practice he argued was the very same as that of the New Testament and of the church namely God himself Accordingly he urged Jews were to be left alone Conceived as a vividly original way to defend Christian ideas about Jesus and about the Old Testament Augustine's theological innovation survived the collapse of the Western Roman Empire and it ultimately served to protect Jewish lives against the brutality of medieval crusades Augustine and the Jews sheds new light on the origins of Christian anti Semitism and through Augustine opens a path toward better understanding between two of the world's great religions *Clothed in the Body* Hannah Hunt,2016-05-23 Hunt examines the apparent paradox that Jesus earthly existence and post resurrection appearances are experienced through consummately physical actions and attributes yet some ascetics within the Christian tradition appear to seek to deny the value of the human body to find it deadening of spiritual life Hunt considers why the Christian tradition as a whole has rarely managed more than an uneasy truce between the physical and the spiritual aspects of the human person Why is it that the Church has energetically argued through centuries of ecumenical councils for the dual nature of Christ but seems still unwilling to accept the full integration of physical and spiritual within humanity despite Gregory of Nazianzus's comment that what has not been assumed has not been redeemed *Sinews of Empire* Eivind Seland,Hakon Teigon,2017-06-30 A recent surge of interest in network approaches to the study of the ancient world has enabled scholars of the Roman Empire to move beyond traditional narratives of domination resistance integration and fragmentation This relational turn has not only offers tools to identify map visualize and in some cases even quantify interaction based on a variety of ancient source material but also provides a terminology to deal with the everyday ties of power trade and ideology that operated within below and beyond the superstructure of imperial rule Thirteen contributions employ a range of quantitative qualitative and descriptive network approaches in order to provide new perspectives on trade communication administration technology religion and municipal life in the Roman Near East and adjacent regions *Mani's Pictures* Zsuzsanna Gulácsi,2016-04-18 The founder of Manichaeism Mani 216 274 277 CE not only wrote down his teachings to prevent their adulteration but also created a set of paintings the Book of Pictures to be used in the context of oral instruction That pictorial handscroll and its later editions became canonical art for Mani's followers for a millennium afterwards This richly illustrated study systematically explores the artistic culture of religious instruction of the Manichaeans based on textual and artistic evidence It discusses the doctrinal themes soteriology prophetology theology and cosmology depicted in Mani's canonical pictures Moreover it identifies 10th century fragments of canonical picture books as well as select didactic

Augustine: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

The Light and the Darkness Paul Mirecki,Jason BeDuhn,2020-10-26 This is the second volume of scholarly studies in Manichaeism which were originally presented before the Manichaean Studies Group of the Society of Biblical Literature from 1997 through 1999 Like its predecessor *Emerging from Darkness* Studies in the Recovery of Manichaean Sources Brill 1997 this volume presents the latest international scholarship from leading researchers in the growing field of Manichaean studies Here the researchers move from the continuing foundational work of recovering Manichaean sources to the necessary task of understanding the relationship of Manichaeans to the larger world in which they lived That relationship took several distinct forms and the contributions in this book analyze those forms examining the relationship of Manichaeism with diverse cultural social and religious traditions

Know the Heretics Justin S. Holcomb,2014-04-29 Know the Heretics provides an accessible travel guide to the most significant heresies throughout Christian history There is a lot of talk about heresy these days The frequency and volume of accusations suggest that some Christians have lost a sense of the gravity of the word while others have little familiarity with orthodox doctrine or the historic distortions of it This book has everything you need for a full video study experience The book itself covering 12 different heresies along with reflections on contemporary relevance and discussion questions An individual access code to stream all video teaching sessions online for a deeper learning experience You don't need to buy a DVD As a part of the KNOW series this book is designed for personal study or classroom use but also for small groups and Sunday schools wanting to more deeply understand the foundations of the faith Sessions and video run times 1 Introduction Why Heresy 7 min 2 Judaizers The Old Rules Still Apply 25 min 3 Gnostics God Hides Messages for the

Religion and Identity in South Asia and Beyond Steven E. Lindquist, 2013-12-01 This volume brings together sixteen articles on the religions literatures and histories of South and Central Asia in tribute to Patrick Olivelle one of North America's leading Sanskritists and historians of early India Over the last four decades the focus of his scholarship has been on the ascetic and legal traditions of India but his work as both a researcher and a teacher extends beyond early Indian religion and literature Religion and Identity and South Asia and Beyond is a testament to that influence The contributions in this volume many by former students of Olivelle are committed to linguistic and historical rigor combined with sensitivity to how the study of Asia has been changing over the last several decades

Mani and Augustine Johannes van Oort, 2020-02-10 Mani and Augustine collected essays on Mani Manichaeism and Augustine gathers in one volume contributions on Manichaean scholarship made by the internationally renowned scholar Johannes van Oort The first part of the book focuses on the Babylonian prophet Mani 216-277 who styled himself an apostle of Jesus Christ on Jewish elements in Manichaeism and on human semen eucharist eschatology and imagery of Christ as God's Right Hand The second part of the book concentrates on the question to what extent the former auditor Augustine became acquainted with Mani's gnostic world religion and his canonical writings and explores to what extent Manichaeism had a lasting impact on the most influential church father of the West

Leo the Great and the Spiritual Rebuilding of a Universal Rome Susan Wessel, 2008-11-30 Leo the Great was a major figure of the late Roman world whose life and work were profoundly intertwined with the political crisis of his day As the western empire gradually succumbed to the advancing barbarian kingdoms Leo understood that the papacy needed to expand its authority in order for the church to survive the demise of the political system This book argues that his achievement was to transform the church not only in the practical level of administrative organization but in the more fluid realm of thought and idea The secular Rome that was crumbling was replaced with a Christian universal Rome that he fashioned by infusing his theology with humanitarian ideals

Manichaeism Nicholas J. Baker-Brian, 2011-02-17 This is the first general comprehensive introduction to Manichaeism aimed at a non specialist and undergraduate readership This study will be a historical and theological introduction to Manichaeism It will comprise a biographical treatment of the founder Mani situating his personality his writings and his

ideas within the Aramaic Christian tradition of third century CE Mesopotamia It will provide a historical treatment of the Manichaean church in late antiquity 250 700 CE detailing the emergence of Manichaeism in the late Roman and Byzantine empires in addition to examining the continuation of Manichaean traditions in the eastern world China up to the thirteenth century and beyond The book will consider the theology of Mani's system with the aim of providing a clear-eyed treatment of the cosmogonic scriptural and ecclesiological ideas forming its foundations The study will base its analysis on original Manichaean literary sources together with rehabilitating the representation of Manichaeism in those writings that polemicised against the religion The study will aim to demonstrate the highly syncretic nature of Manichaeism and will look to move forward traditional perceptions of the religion as being simply a form of Christian Gnostic Dualism *Heresy and Identity in Late Antiquity* Eduard Iricinschi, Holger M. Zellentin, 2008 The papers collected in this volume shift the focus away from heretics and heresy to heresiological discourse by contextualizing the late antique Jewish and Christian groups that produced our extant literature The contributors to the volume draw from multiple literary corpora and genres bringing a variety of late antique perspective to explore the discursive construction of the Other They unravel ethnic identities and re-create the multiple voices textured in the dialogue between the orthodox and heretical writers **BOOK JACKET** **Virtuous Bodies** Susanne Mrozik, 2007-07-20 *Virtuous Bodies* breaks new ground in the field of Buddhist ethics by investigating the diverse roles bodies play in ethical development Traditionally Buddhists assumed a close connection between body and morality Thus Buddhist literature contains descriptions of living beings that stink with sin are disfigured by vices or are perfumed and adorned with virtues Taking an influential early medieval Indian Mahayana Buddhist text *Santideva's Compendium of Training* *Sikṣaśamuccaya* as a case study Susanne Mrozik demonstrates that Buddhists regarded ethical development as a process of physical and moral transformation Mrozik chooses *The Compendium of Training* because it quotes from over one hundred Buddhist scriptures allowing her to reveal a broader Buddhist interest in the ethical significance of bodies The text is a training manual for bodhisattvas especially monastic bodhisattvas In it bodies function as markers of and conditions for one's own ethical development Most strikingly bodies also function as instruments for the ethical development of others When living beings come into contact with the virtuous bodies of bodhisattvas they are transformed physically and morally for the better *Virtuous Bodies* explores both the centrality of bodies to the bodhisattva ideal and the corporeal specificity of that ideal Arguing that the bodhisattva ideal is an embodied ethical ideal Mrozik poses an array of fascinating questions What does virtue look like What kinds of physical features constitute virtuous bodies What kinds of bodies have virtuous effects on others Drawing on a range of contemporary theorists this book engages in a feminist hermeneutics of recovery and suspicion in order to explore the ethical resources Buddhism offers to scholars and religious practitioners interested in the embodied nature of ethical ideals *Religion and Retributive Logic* Carole M. Cusack, Christopher Hartney, 2010 Garry Winston Trompf b 1940 in his outstanding academic career has inspired scholars in

the fields of Studies in Religion and the History of Ideas In this volume his colleagues and students critique and expand upon the world of this outstanding academic The book is divided into four parts Melanesia Ancient World Studies Philosophical and Methodological Considerations and Historiography Authors address Trompf's research in works such as *The Idea of Historical Recurrence in Western Thought* Early Christian Historiography and themes of Melanesian religion that Trompf address in *Payback* No study in the religions of Oceania or ideas of millennialism should ignore this critical assessment of Garry Trompf's work ***Formations of Belief*** Philip Nord, Katja Guenther, Max Weiss, 2019-09-17 For decades scholars and public intellectuals have been predicting the demise of religion in the face of secularization Yet religion is undergoing an unprecedented resurgence in modern life and secularization no longer appears so inevitable *Formations of Belief* brings together many of today's leading historians to shed critical light on secularism's origins its present crisis and whether it is as antithetical to religion as it is so often made out to be *Formations of Belief* offers a more nuanced understanding of the origins of secularist thought demonstrating how Reformed Christianity and the Enlightenment were not the sole vessels of a worldview based on rationalism and individual autonomy Taking readers from late antiquity to the contemporary era the contributors show how secularism itself can be a form of belief and yet how its crisis today has been brought on by its apparent incapacity to satisfy people's spiritual needs They explore the rise of the humanistic study of religion in Europe Jewish messianism atheism and last rites in the Soviet Union the cult of the saints in colonial Mexico religious minorities and Islamic identity in Pakistan the neuroscience of religion and more Based on the Shelby Cullom Davis Center Seminars at Princeton University this incisive book features illuminating essays by Peter Brown Yaacov Dweck Peter E Gordon Anthony Grafton Brad S Gregory Stefania Pastore Caterina Pizzigoni Victoria Smolkin Max Weiss and Muhammad Qasim Zaman

The Chapters of the Wisdom of My Lord Mani Iain Gardner, Jason D. Beduhn, Paul Dilley, 2018-06-12 *The Chapters of the Wisdom of My Lord Mani* a Coptic papyrus codex preserved at the Chester Beatty Library in Dublin describes Mani's mission teachings and debates with sages in the courts of the Sasanian empire during the reign of Shapur I with an extended account of his last days and death under Bahram I The text offers an unprecedented new source for the history of religions in Late Antiquity including interactions of Manichaean Zoroastrian Christian Jewish and Buddhist traditions in Iran remarkably transmitted into the Mediterranean world as part of Manichaean missionary literature This is the first of four fascicles constituting the *editio princeps* based on enhanced digital and multispectral imaging and extended autoptic study of the manuscript ***Desert Christians*** William Harmless, 2004-06-17 In this book William Harmless provides an accessible introduction to early Christian monastic literature from Egypt and beyond He introduces the reader to the major figures and literary texts as well as offering an up to date survey of current questions and scholarship in the field The text is enhanced by the inclusion of chronologies maps outlines illustrations and bibliographies The book will not only serve as a text for graduate and advanced undergraduate courses on early Christianity the Desert Fathers and Christian asceticism but it should

stimulate further research by making the fruits of recent scholarship more readily and widely available

Yeah, reviewing a books **Manichaeen Body In Discipline And Ritual** could increase your near friends listings. This is just one of the solutions for you to be successful. As understood, endowment does not suggest that you have extraordinary points.

Comprehending as capably as deal even more than extra will allow each success. bordering to, the message as competently as keenness of this Manichaeen Body In Discipline And Ritual can be taken as well as picked to act.
