Collins, 2013-10-26 The Pastoral Epistles present difficult questions for the modern interpreter including such matters as their authorship literary characteristics and social orientations Raymond Collins carefully leads the reader through the texts of these three documents attending to the flow of the Pastor's thought and locating it within the Jewish and Hellenistic culture of his day The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship The commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text      **The Son of His Love** William J. Burgon, 1990 What do you get when you buy this volume You get all six of the Works of Dean John W Burgon which in effect gives you an excellent introduction to Textual Criticism in The Traditional Text of the New Testament In The Causes of the Corruption of the Traditional Text of the Gospels you will learn how the Gnostics Manicheans Ebionites Arians and other heretics sought to halt the spread of Christianity by putting out corrupt manuscripts Discover the motivation that caused the critics to elevate these adulterated manuscripts to a place of adoration See for yourself the overwhelming evidence against the thousands of changes in the popular new versions that dilute the Scriptures The Last Twelve Verses According to the Gospel of Mark shows that over 2 000 manuscripts and as many Greek lectionaries contain these verses without any brackets or doubting footnotes Did you know that except for the NKJV MKJV LITV the nine other major new versions have bracketed the last 12 verses of Mark or in a footnote indicated that they do not believe they are authentic WHY It's a mystery There are only three 3 Greek manuscripts that do not have these verses And in 200 pages of proofs Burgon shows that those two are so edited at the place where these verses belong that anyone can see the scribes were looking at these verses in the older mss they were copying As Dr Gordon H Clark wrote If a version brackets these verses then you know that they are not going by

the evidence The Revision Revised is a Critique of the English Revised Version of 1881 with additional applications to the Modern Translations There is an excellent critique of the Westcott and Hort textual theories Proof of the Genuineness of God Manifested in the Flesh contains an unanswered and unanswerable defense of 1 Timothy 3 16 The Woman Taken In Adultery gives a defense of the authenticity of John 7 53 8 11 Conflation and The Neutral Text by Edward Miller M A gives an additional critique of Dr Hort s theories Get this volume and arm yourself to fight for the God breathed words that God has preserved for you that you might have life and faith Every one of His words are precious We need not give up thousands of them *Designed to Be Like Him* J. Dwight Pentecost, 2001-04-01 A practical and powerful reminder that new life in Christ gives us a whole new purpose and a new goal for every aspect of life we have been designed to be like Him **The Works** Joseph Hall, 1808 **Works: Devotional works** Joseph Hall, 1808 The Works of the Right Reverend Father in God Joseph Hall, Lord Bishop of Norwich ,1738 **XCVI Sermons. Selected by sir R. Phayre Charles Haddon Spurgeon, 1897 **The Methodist Review** , 1896 *The Spirit and the Letter* Paul S. Fiddes, Günter Bader, 2013-08-01 Paul s statement that letter kills but the spirit gives life 2 Corinthians 3 6 has had an extraordinary impact on Christian thought through the ages It has been read both as affirming the saving power of the new covenant in comparison to the old and as a key to hidden spiritual meanings in the text of scripture It is however an ambiguous phrase followed by a tangled story This book explores the Pauline distinction both in its original context and in its aftermath in the early church the Reformation and modern Biblical Studies It then considers a postmodern reversal where ideas of Spirit are often seen as deadly and the openness of the letter or text as life affirming and draws conclusions for Spirit in the world *Ninety-six Sermons: Sermons of the nativity and of repentance and fasting* Lancelot Andrewes, 1878 *Ninety-six Sermons by the Right Honourable and Reverend Father in God, Lancelot Andrews ...* Lancelot Andrewes, 1874
