## **Mankind Mother Earth:**

**Mankind and Mother Earth** Arnold Toynbee, 1978      **Mankind and Mother Earth** Arnold Toynbee, 1976 A highly readable chronological narrative relating the story of man's interaction with his environment and with his fellow man from the earliest beginnings of human life until the 1970s      **Mankind and Mother Earth** Arnold Toynbee, 1976      *Mahatma I and II* Brian Grattan, 1994-01-01 What all of mankind have learned in the past about creation is the way that existence isn't a paradox. Awaken and realize that all of mankind will create their body for Ascension whether they accomplish this now or later and that this is not the exclusive domain of Christ or Buddha or many others who have ascended; this is your birthright. You are not relegated to worshipping those who have already done this very basic initiation called Ascension. Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey. When mankind lifts the veils of their unworthiness and recognizes that they are the Sons of God, that there is divine equality and no one is greater than another, then you will have begun our journey in the way that it was intended. In your near future, your Planetary Hierarchy will release the world from theology, ecclesiasticism, and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter, not worshipping it. The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies. In the past, mankind's choices of beliefs and religions have supported only the emotional body and the darker material side of life. And truly, if one is going to remain on Earth, very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth-dimensional reality. No matter how contrary to your current beliefs, this book contains methods for creating your spiritual Lightbody for Ascension and it also explains your eternal journey in a way that was never before available to mankind.
