The Folk Roots of American Masculinities

Edited by Simon J. Bronner
With an afterword by Alan Dundes

Manly Traditions The Folk Roots Of American Masculinities

Andrew Peck, Trevor J. Blank

Manly Traditions The Folk Roots Of American Masculinities:

Manly Traditions Simon J. Bronner, 2005 An insightful look at what it means to be a man in America Encyclopedia of American Folklife Simon J Bronner, 2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research Cabin Boys, Milkmaids, and Rough Seas Jessica M. Floyd, 2024-08-30 During his correspondence with erotic folklore collector Gershon Legman famed chantey singer and collector Stan Hugill 1906 1992 shared unexpurgated versions of the songs in his repertoire These bawdy songs were meant to be a part of Legman s larger project concerning erotic folksong Upon Legman s death in 1999 the unfinished and unpublished manuscript sank into obscurity and was believed by many to be permanently lost Thankfully this holy grail of chantey texts had been safe in the private collection of Legman s widow Judith Legman all along Cabin Boys Milkmaids and Rough Seas Identity in the Unexpurgated Repertoire of Stan Hugill is the first critical investigation of this repository reproduced here for the first time Training an interdisciplinary lens on twenty four unexpurgated texts author Jessica M Floyd interrogates the articulation of gender sexuality and identity as it is expressed in these cultural artifacts of the sea Opening with both a critical explication of the chantey genre as well as situating Hugill s repertoire in the canon of folksong the book introduces readers to the critical realities that attend this rich cultural tradition Analytical chapters demonstrate the kaleidoscopic representation of gender and sexuality in this finite repertoire Each inquiry is connected and overlapping demonstrating an ebb and flow not unlike the waters on which the songs were sung Words of warning heteronormative economies and queer undercurrents each collide to present an image of sailing life that is nuanced and complicated provocative and evocative transgressive and sometimes radical The volume allows scholars to place a finger on the pulse of maritime life feeling and experiencing one voice among the din of working class song traditions **Folklore and Social Media** Andrew Peck, Trevor J. Blank, 2020-12-07 Ten years after the publication of the foundational edited

collection Folklore and the Internet Andrew Peck and Trevor J Blank bring an essential update of scholarship to the study of digital folklore Folklore and Social Media A unique virtual hybridized platform for human communication social media is more dynamic ubiquitous and nuanced than the internet ever was by itself and the majority of Americans use it to access and interact with digital source materials in more advanced and robust ways This book features twelve chapters ranging in topics from legend transmission and fake news to case studies of memes joke cycles and Twitter hashtag campaigns and offers fresh insights on digital heritage and web archiving The editors and contributors take both the digital and folklore elements seriously because social media fundamentally changes folk practices in new though often invisible ways Social media platforms encourage hybrid performances that appear informal and ordinary while also offering significant space to obfuscate backstage behaviors through editing and retakes The result is that expression online becomes increasingly reminiscent of traditional forms of face to face interaction while also hiding its fundamental differences Folklore and Social Media demonstrates various ways to refine methods and analyses in order to develop a better understanding of the informal and traditional dynamics that define an era of folklore and social media It is an invaluable addition to the literature on digital folklore scholarship that will be of interest to students and scholars alike Contributors Sheila Bock Peter M Broadwell Bill Ellis Jeana Jorgensen Liisi Laineste John Laudun Linda J Lee Lynne S McNeill Ryan M Milner Whitney Phillips Vwani Roychowdhury Timothy R Tangherlini Tok Thompson Elizabeth Tucker Kristiana Willsey The Practice of Folklore Simon J. Bronner, 2019-08-01 Winner of the 2020 Chicago Folklore Prize CHOICE Outstanding Academic Title for 2020 Despite predictions that commercial mass culture would displace customs of the past traditions firmly abound often characterized as folklore In The Practice of Folklore Essays toward a Theory of Tradition author Simon J Bronner works with theories of cultural practice to explain the social and psychological need for tradition in everyday life Bronner proposes a distinctive praxic perspective that will answer the pressing philosophical as well as psychological question of why people enjoy repeating themselves The significance of the keyword practice he asserts is the embodiment of a tension between repetition and variation in human behavior Thinking with practice particularly in a digital world forces redefinitions of folklore and a reorientation toward interpreting everyday life More than performance or enactment in social theory practice connects localized culture with the vernacular idea that this is the way we do things around here Practice refers to the way those things are analyzed as part of rather than apart from theory thus inviting the study of studying The way we do things invokes the social basis of doing in practice as cultural and instrumental Building on previous studies of tradition in relation to creativity Bronner presents an overview of practice theory and the ways it might be used in folklore and folklife studies Demonstrating the application of this theory in folkloristic studies Bronner offers four provocative case studies of psychocultural meanings that arise from traditional frames of action and address issues of our times referring to the boogieman connecting wild child beliefs to school shootings deciphering the offensive chants of sports fans and explicating

male bravado in bawdy singing Turning his analysis to the analysts of tradition Bronner uses practice theory to evaluate the agenda of folklorists in shaping perceptions of tradition centered folk societies such as the Amish He further unpacks the culturally based rationale of public folklore programming He interprets the evolving idea of folk museums in a digital world and assesses how the folklorists terms and actions affect how people think about tradition Unsettling Assumptions Pauline Greenhill,Diane Tye,2014-10-15 In Unsettling Assumptions editors Pauline Greenhill and Diane Tye examine how tradition and gender come together to unsettle assumptions about culture and its study Contributors explore the intersections of traditional expressive culture and sex gender systems to question investigate or upset concepts like family ethics and authenticity Individual essays consider myriad topics such as Thanksgiving turkeys rockabilly and bar fights Chinese tales of female ghosts selkie stories a noisy Mennonite New Year s celebration the Distaff Gospels Kentucky tobacco farmers international adoptions and more In Unsettling Assumptions folkloric forms express but also counteract negative aspects of culture like misogyny homophobia and racism But expressive culture also emerges as fundamental to our sense of belonging to a family an occupation or friendship group and most notably to identity performativity and the construction and negotiation of power Folklore: The Basics Simon J. Bronner,2016-10-04 Folklore The Basics is an engaging guide to the practice and interpretation of folklore Taking examples from around the world it explores the role of folklore in expressing fundamental human needs desires and anxieties that often are often not revealed through other means Providing a clear framework for approaching the study of folklore it introduces the reader to methodologies for identifying documenting interpreting and applying key information about folklore and its relevance to modern life From the Brothers Grimm to Internet Memes it addresses such topics as What is folklore How do we study it Why does folklore matter How does folklore relate to elite culture Is folklore changing in a digital age With case studies suggestions for reading and a glossary of key terminology Folklore The Basics supports readers in becoming familiar with folkloric traditions and interpret cultural expression It is an essential read for anyone approaching the study of folklore for the first time *Campus Traditions* Simon J. Bronner,2012-09-15 How American campus life shapes students and how students shape campus lore **Killing Tradition** Simon J. Bronner,2008-11-21 Across the country and around the world people avidly engage in the cultural practice of hunting Children are taken on rite of passage hunting trips where relationships are cemented and legacies are passed on from one generation to another Meals are prepared from hunted game often consisting of regionally specific dishes that reflect a community s heritage and character Deer antlers and bear skins are hung on living room walls decorations and relics of a hunter s most impressive kills Only 5 percent of Americans are hunters but that group has a substantial presence in the cultural consciousness Hunting has spurred controversy in recent years inciting protest from animal rights activists and lobbying from anti cruelty demonstrators who denounce the custom But hunters have responded to such criticisms and the resulting legislative censures with a significant argument in their defense the claim that their

practices are inextricably connected to a cultural tradition Further they counter that they as representatives of the rural lifestyle pioneer heritage and traditional American values are the ones being victimized Simon J Bronner investigates this debate in *Killing Tradition Inside Hunting and Animal Rights Controversies* Through extensive research and fieldwork Bronner takes on the many questions raised by this problematic subject Does hunting promote violence toward humans as well as animals Is it an outdated activity unnecessary in modern times Is the heritage of hunting worth preserving *Killing Tradition* looks at three case studies that are at the heart of today s hunting debate Bronner first examines the allegedly barbaric rituals that take place at deer camps every late November in rural America He then analyzes the annual Labor Day pigeon shoot of Hegins Pennsylvania which brings animal rights protests to a fever pitch Noting that these aren t simply American concerns and that the animal rights movement in America is linked to British animal welfare protests Bronner examines the rancor surrounding the passage of Great Britain s Hunting Act of 2004 the most comprehensive and divisive anti hunting legislation ever enacted The practice of hunting is sure to remain controversial as it continues to be touted and defended by its supporters and condemned and opposed by its detractors With *Killing Tradition* Bronner reflects on the social psychological and anthropological issues of the debate reevaluating notions of violence cruelty abuse and tradition as they have been constructed and contested in the twenty first century

Warrior Ways Eric A. Eliason,Tad Tuleja,2012-10-01 *Warrior Ways* is one of the first book length explorations of military folklife and focuses on the lore produced by modern American warriors illuminating the ways in which members of the armed services creatively express the complex experience of military life In short lively essays contributors to the volume all of whom have close personal or professional relationships to the military examine battlefield talismans personal narrative storytelling Jody calls marching and running cadences slang homophobia and transgressive humor music and photography among other cultural expressions Military folklore does not remain in an isolated subculture it reveals our common humanity by delighting disturbing infuriating and inspiring both those deeply invested in and those peripherally touched by military life Highlighting the contemporary and historical importance of the military in American life *Warrior Ways* will be of interest to scholars and students of folklore anthropology and popular culture those involved in veteran services and education and general readers interested in military culture

The Oxford Handbook of American Folklore and Folklife Studies Simon J. Bronner,2019 *The Oxford Handbook of American Folklore and Folklife Studies* surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters explore the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice

Living Folklore Martha Sims,Martine Stephens,2011-10-15 *Living Folklore* is a comprehensive straightforward introduction to folklore as it is lived shared and practiced in contemporary settings Drawing on examples from diverse American groups and

experiences this text gives the student a strong foundation from the field's history and major terms to theories and interpretive approaches Living Folklore moves beyond genres and classifications and encourages students who are new to the field to see the study of folklore as a unique approach to understanding people communities and day to day artistic communication This revised edition incorporates new examples research and theory along with added discussion of digital and online folklore

Different Drummers Tad Tuleja, 2020-09-01 Different Drummers explores the disjunction between organizational solidarity and individual pushback in military organizations examining how members of the armed forces express ambivalent attitudes about their service The volume focuses not on antimilitary sentiment but on psychological complexity within a loyal opposition considering examples of creative insubordination and analyzing the oppositional positioning of individuals whose military identity is conflicted This multidisciplinary collection brings in the perspectives of scholars from folklore literary studies psychology and media studies as well as the first person perspectives of veterans It includes chapters on the vernacular genres of bodylore folksong personal narrative and legend literary items like soldiers memoirs and poetry the artwork of soldier cartoonists and accounts of defying the chain of command in the field Ideally the goal of military basic training is to replace recruits focus on their own individuality with an unquestioned devotion to group solidarity In reality unit cohesion is constantly challenged by humans clinging obstinately to their non collective personalities Different Drummers focuses on those in uniform who feel themselves to be both of the military culture and at odds with it It shows how these loyal discontents find ways of communicating and interacting with others that sometimes defy institutional expectations Contributors Ron Ben Tovim Carol Burke Richard Allen Burns Catherine Calloway James I Deutsch Ronald Fry Angus Kress Gillespie Christina M Knopf Jay Mechling Matthew David Perry Mark C Russell John Paul Wallis **Glenn**

Killinger, All-American Todd M. Mealy, 2018-04-15 This first biography of W Glenn Killinger highlights his tenure as a nine time varsity letterman at Penn State where he emerged as one of the best football basketball and baseball players in the United States Situating Killinger in his time and place the author explores the ways in which home front culture during World War I focused on heroism masculinity and sporting culture created the demand for sports and sports icons and drove the ascent of college athletics in the first quarter of the 20th century

Drugs and Culture Maitena Milhet, Dr Henri Bergeron, Mr Geoffrey Hunt, 2013-01-28 Current approaches to drugs tend to be determined by medical and criminal visions that emerged over a century ago the concepts of addiction on the one hand and drug control on the other having imposed themselves as the unquestionable central notions surrounding drug issues and discourses Pathologization and criminalization are the dominant perspectives on psychoactive drugs and it is difficult to describe drug consumption in any terms other than those of medicine or to conceive of regulation except in terms of control and eradication Drugs and Culture presents other voices and understandings of drug issues highlighting the socio cultural features of drug use and regulation in modern societies It examines the cultural dimensions of drugs and their regulation with special attention to questions of how

consumption of specific psychoactive substances becomes associated with particular social groups the social dynamics involved in our coming to think of these phenomena as we do and the factors that determine the political and policy responses to drug use Adopting approaches from anthropology sociology history political science and geopolitics to challenge the prevailing pathologization and criminalization of drug use this book provides international and comparative perspectives on drug research based on the latest research in Europe the USA the Middle East and Hong Kong **Living Folklore, 2nd Edition** Martha Sims, Martine Stephens, 2011-10-31 Living Folklore is a comprehensive straightforward introduction to folklore as it is lived shared and practiced in contemporary settings Drawing on examples from diverse American groups and experiences this text gives the student a strong foundation from the field's history and major terms to theories and interpretive approaches Living Folklore moves beyond genres and classifications and encourages students who are new to the field to see the study of folklore as a unique approach to understanding people communities and day to day artistic communication This revised edition incorporates new examples research and theory along with added discussion of digital and online folklore *The Way We Read James Dickey* William B. Thesing, Theda Wrede, 2009 Original inroads to understanding the life and works of the celebrated novelist and poet In *The Way We Read James Dickey* editors William B. Thesing and Theda Wrede have assembled an outstanding collection of current critical responses to the works of the acclaimed novelist poet and teacher including essays by Dickey's former colleagues at the University of South Carolina and a piece by his most famous student novelist Pat Conroy The volume breaks new ground in the application of innovative critical approaches and restores Dickey to his rightful place in the literary canon as a remarkable writer who crafted some of the best poetry and fiction of the twentieth century A decade after Dickey's death and thirty five years after the release of the film version of his famous novel *Deliverance* Dickey remains a controversial figure in the American literary landscape He was an intellectual maverick who was often ahead of his time and yet he responded intensely almost obsessively to his own changing times Thesing and Wrede argue that although he appeared to conform to poetic conventions his writing was a visionary reinterpretation and extension of preexisting traditions This tension between a poet's intellectual precursors and the radical innovation of his work is the inspiration behind the fresh approaches taken by the contributors in this volume just as it energized Dickey's own endeavors The essays offer original insights through emerging scholarly perspectives as well as through established methods of critique The contributors address a range of themes in Dickey's works including gender religion humanity's relationship to nature and the writer's cultural context This landmark reappraisal of Dickey's legacy offers readers a coherent forum that addresses why his writings remain relevant today thus restoring and revaluing the rising significance of Dickey's literary achievement for twenty first century audiences William B. Thesing a distinguished professor emeritus of English at the University of South Carolina was a colleague of James Dickey's for two decades From 2003 to 2008 Thesing served as editor of the James Dickey Newsletter He is the author or editor of fifteen books including

The London Muse winner of the 1980 SAMLA Studies Book Award Folklore and the Internet Trevor J. Blank, 2009-09-07 A pioneering examination of the folkloric qualities of the World Wide Web e mail and related digital media These studies show that folk culture sustained by a new and evolving vernacular has been a key since the Internet s beginnings to language practice and interaction online Users of many sorts continue to develop the Internet as a significant medium for generating transmitting documenting and preserving folklore In a set of new insightful essays contributors Trevor J Blank Simon J Bronner Robert Dobler Russell Frank Gregory Hansen Robert Glenn Howard Lynne S McNeill Elizabeth Tucker and William Westerman showcase ways the Internet both shapes and is shaped by folklore **Soldier Snapshots** Jay

Mechling, 2021-08-10 In *Soldier Snapshots* Jay Mechling explores how American men socially construct their performance of masculinity in everyday life in all male friendship groups during their service in the military The evidence Mechling analyzes is a collection of vernacular photographs snapshots of and by American soldiers sailors Marines and aviators Since almost all of the snapshots are photographs taken of men by other men this book offers a unique view into the social construction performance and repair of American masculinity Mechling guides the reader from the snapshots to ideas about the everyday lives of male soldiers to ideas about the lives of men in groups to ideas about American culture In his introduction Mechling offers his thoughts about how to undertake the interdisciplinary study of American culture he draws from history folklore anthropology sociology rhetoric psychology gender and sexuality studies ethnic studies popular culture studies and visual studies to reveal the intricacies of how men use their folk practices in an all male group to manage the paradoxes of their friendship and comradeship under sometimes stressful conditions *Soldier Snapshots* begins with a brief history of war photography and establishes the nature of vernacular photography the snapshot This is followed by a jargon free discussion of the key ideas about masculinity and the vernacular practices of men in groups exploring male friendship the important role of play in men s relationships and the ways animal buddies adopted by male friendship groups actually tell us even more about male friendship and issues of trust In the final section Mechling s careful analysis reveals how the men employ different folk practices including rough and tumble playfighting building human pyramids bathing naked in public cross dressing hazing and gallows humor in order to manage their relationships Regardless of the man s sexual orientation and sexual identity the strong heterosexual norm in the military means that the men must find ways to understand and even enact or perform their feelings of bonding while still defining those feelings and acts as heterosexual **Revisioning Ritual** Simon J. Bronner, 2011-09-30 A fascinating analysis of how the study of ritual is critical to illuminating what is Jewish about Jewishness

Unveiling the Magic of Words: A Overview of "**Manly Traditions The Folk Roots Of American Masculinities**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Manly Traditions The Folk Roots Of American Masculinities Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Manly Traditions The Folk Roots Of American Masculinities PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Manly Traditions The Folk Roots Of American Masculinities PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Manly Traditions The Folk Roots Of American Masculinities free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Manly Traditions The Folk Roots Of American Masculinities Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Manly Traditions The Folk Roots Of American Masculinities is one of the best book in our library for free trial. We provide copy of Manly Traditions The Folk Roots Of American Masculinities in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Manly Traditions The Folk Roots Of American Masculinities. Where to download Manly Traditions The Folk Roots Of American Masculinities online for free? Are you looking for Manly Traditions The Folk Roots Of American Masculinities PDF? This is definitely going to save you time and cash in something you should think about.
