[A Man Could Stand Up](#) Ford Madox Ford, 2022-08-16 In *A Man Could Stand Up* Ford Madox Ford explores the intricate dynamics of personal relationships against the backdrop of a post World War I society grappling with disillusionment. The novel is characterized by Ford's innovative narrative style employing stream of consciousness techniques that delve into the inner thoughts and emotions of its characters. The story encapsulates the complexities of love, betrayal, and the societal changes of the early 20th century, offering readers a profound reflection on the human condition amidst a world in turmoil. Ford Madox Ford, an influential figure in modernist literature, drew from his own experiences as a soldier and his rich literary background to craft this poignant narrative. His keen observations of human nature and societal shifts during the war profoundly shaped his writing. As a contemporary of notable literary figures, Ford's work often examined themes of identity and existential uncertainty, providing a fertile ground for the contemplative nature of this novel. Readers seeking a deeply reflective and psychologically intricate examination of relationships will find *A Man Could Stand Up* an invaluable addition to their literary repertoire. Ford's masterful prose and insightful characterization make this novel a compelling exploration of the struggles and resilience of the human spirit in a fractured world.

We Were Pirates Robert D. Schultz, James Shell, 2009-09-01 A sailor's extraordinary experiences on an American submarine in the Pacific are candidly reported in this eyewitness account of war from a torpedoman's perspective. Robert Hunt managed to survive twelve consecutive war patrols on the submarine USS Tambor. During the course of the war, Hunt was everywhere that mattered in the Pacific. He stood on the bow of the Tambor as it cruised into Pearl Harbor just days after the devastation of the Japanese air raid; he peered through binoculars as his boat shadowed Japanese cruisers at the Battle of Midway; he ferried guns and supplies to American guerilla fighters in the Philippines; he fired torpedoes that sank vital Japanese shipping and survived a near-fatal seventeen-hour depth charge attack. For exceptional skill and proficiency at his battle station, Hunt received a commendation from Fleet Admiral Chester W. Nimitz. This WWII torpedoman's account of the war offers the rare perspective of an enlisted seaman that is not available in the more common officer accounts. To capture and recount the progress of the Pacific War through Hunt's eyes, coauthors Robert Schultz and James Shell examined the young submariner's war diary as well as crew letters, photographs, and captains' reports, and they also conducted hours of interviews. Their vivid descriptions of the ways in which sailors dealt with the stress of war while at sea or on liberty show a side of the war that is rarely reported. The fact that Hunt's submarine was the first of a new fleet of World War II boats and the namesake of a significant class adds further value to his remarkable story.

[Jesus - Man Of Genius](#) J. Middleton Murry, 2013-05-31 John Middleton Murry was an English writer. He wrote reviews on literature, social issues, politics, and religion during his lifetime. The Jesus who is presented in these pages is simply the Jesus who is real to me, the Jesus in whose real existence I can and in whom I do believe. Because I desired to present him clearly, I have not only excluded without warning or apology incidents in the familiar story which I hold to be apocryphal, but I have put aside

many sayings and incidents which I believe to be wholly authentic because to include them would obscure the narrative My aim has been simply to establish a point of view from which the profound and astonishing unity of the life and teaching of Jesus can be grasped and my hope is that those who can accept this point of view will find that the authentic sayings and incidents which I have omitted will fall naturally into place without exposition of mine
