Called You is an intimate guide through which readers learn the important lesson of how they are an immutable part of the flow of life and how they may fulfill the longing within all of us to live more fully. The book details methods of meditation used for healing, improving mind and body, and reaching one's divine self. Included are numerous inspirations, meditations, and prayers that individuals can apply to their lives, which reveal the unlimited potential of the spiritual psychology that Holmes founded. Questions and Answers on the Science of Mind, Ernest Holmes's Science of Mind philosophy, has reached millions of students through his books and the hundreds of spiritual centers across the United States and Canada. Now comes a reissue of one of Holmes's most user-friendly works, Questions and Answers on the Science of Mind. Designed to be used as a guidebook, it contains spiritual answers to more than three hundred of life's most important and puzzling questions on topics such as how to deal with specific health challenges, what to do when experiencing a lack of finances, how to eliminate fear, stress, or distress of any kind, the nature of God, the existence of evil, the role of fate, how to overcome resentment, and much more. A New Design for Living: Nothing lies beyond the scope of your ability. The new design for living you create has no limitations. Literally, all the good things that life and the world offer are yours to have and enjoy. But you need to recognize them, accept them, and incorporate them into the new design you are now going to create. In its scope and in its effect on readers, A New Design for Living is second only to Ernest Holmes's magnum opus, The Science of Mind. In this cherished spiritual classic, Holmes demonstrates that wishes for health, love, and friendship, to the career and home of your dreams, are not only possible to realize but are within each person's very reach. At last available again, this galvanizing book teaches how to turn mind power into an infinitely positive force, the very force of creation itself. Harmonize with the beauty and intelligence of the universe; watch the magnificence of life transform before you and awaken to the nature of reality. With this newfound power of transformative thinking, every goal is attainable. [The Bold Christian](#) Chuck Davis, 2016-01-25

Opposition is inevitable in any worthwhile pursuit. Jesus promised challenges in the faith journey. In the world, you will have tribulation. But take heart, I have overcome the world. John 16:33. There is some reflex in all of us upon hearing these words from Jesus: he may have overcome the world, but what about me? Davis presents the case that one key aspect of being an overcomer for the Christ follower is the notion of spiritual authority. Living in a world that is rooted in power, Christ followers are challenged daily by powers that seek to interrupt or trample their success in the journey through Christ. As believers, everything they need is at their disposal; however, they must actively appropriate their authority in attitude and action. Davis provides a biblical theology of authority and real-life examples of how he and others have embraced their spiritual authority to advance the kingdom of God. In this manual for overcoming spiritual opposition in [The Bold Christian](#), [The Five Principles of the Gospel](#). C. Matthew McMahon, 2021-03-09. What are the basic principles of the Gospel that cannot be taken from Christ's Gospel and make the Gospel not the Gospel? That is a very important question to answer for, on a very basic level, what people believe in will determine where they will spend eternity. The Gospel of Jesus Christ is bound up in eternal

realities that cannot be undone after death if people get the Gospel wrong Do you believe the Gospel This work sets down and summarizes the sum and substance of the Gospel of Jesus Christ What is the sum and substance of the Gospel How would you summarize it Is it simply John 3 16 Is it what the penitent thief said to Jesus on the cross What is the Scriptural data that shows forth enough of the Gospel of Jesus Christ to make it truly Christ s Gospel McMahon answers this question by drawing mainly from the book of Isaiah The Gospel in its sum and substance or the way God was in Christ reconciling the world to himself actually contains a great amount of information the Bible is a very big book However in distilling the Gospel down to its essentials he covers the five principles of the Gospel Principle 1 God exists Principle 2 that God is man s Maker and has made humankind in his image Principle 3 the bad news that all men have sinned in Adam and are under the curse of God Principle 4 God has not left all sinners to perish under Adam s curse but has given sinners the righteousness of Jesus Christ as a garment to cover them Principle 5 God calls and draws thirsty sinners to himself through Jesus Christ freely His five main texts from Isaiah are 40 9 54 5 24 5 6 61 10 and 55 1 3

Sex and the Kingdom Kenneth M. Yelverton, 2013-01-22

Look what people are saying about Sex and the Kingdom It is with much enthusiasm that I endorse and recommend Sex and the Kingdom as a book needed to bring a healthy understanding of human sexuality in an hour that is increasingly carnal Godless decadent and immoral Bishop Yelverton lays out for us a Godly perspective of sexuality which indeed is a subject that many churches and individuals within the Body of Christ will not approach In this book he has remained true to his Pentecostal Holiness roots as well as his theological training It is a must read for all students and scholars who are serious about the Word of God and the future of the Lord s Church Indeed it appears that we are losing the battle for what is moral and decent and these kinds of writings are necessary for us to indeed hold the banner high for holiness and that the Bible is still our rule of faith and practice Bishop Donald Hilliard Jr D Min The Cathedral International Perth Amboy New Jersey Much debate is taking place in sanctuaries across the nation about same sex marriages and regrettably the discussion ends there Bishop Yelverton has pushed the envelope and the dialogue over the cliff with no parachute Sex and the Kingdom should not just be read by every believer but debated meditated and taught The celibate to the promiscuous will be captivated by every page Pastor Jamal H Bryant Empowerment Temple Baltimore Maryland My brother and friend Bishop Yelverton has expressed his heart to help realign the church s understanding of sex as designed by God This book gives a clear picture that we should get our viewpoint of sex from God s word alone Sex and The Kingdom will instruct you on biblical scriptures regarding sex and sexuality because it reflects the Kingdom and God s intent on sex This book is a must read Bishop Andrew Merritt Straight Gate International Church Detroit Michigan
